Famous Five 5: Five Go Off In A Caravan Enid Blyton, 2010-12-02 Julian Dick Anne George and Timmy the dog find excitement and adventure wherever they go in Enid Blyton's most popular series In book five the Famous Five go on a caravan holiday When they stumble across a circus troupe the gang are thrilled But some of the circus people have more sinister plans than just clowning around The text in this edition has been sensitively edited for today's reader and is unillustrated

Nineteenth-Century Fictions of Childhood and the Politics of Play Michelle Beissel Heath, 2017-09-18 Drawing evidence from transatlantic literary texts of childhood as well as from nineteenth and early twentieth century children's and family card board and parlor games and games manuals *Nineteenth Century Fictions of Childhood and the Politics of Play* aims to reveal what might be thought of as playful literary citizenship or some of the motivations inherent in later nineteenth and early twentieth century Anglo American play pursuits as they relate to interest in shaping citizens through investment in good literature Tracing play as a societal and historical construct as it surfaces time and again in children's literary texts as well as children's literary texts as they surface time and again in situations and environments of children's play this book underscores how play and literature are consistently deployed in tandem in attempts to create ideal citizens even as those ideals varied greatly and were dependent on factors such as gender ethnicity colonial status and class

Peter Fiennes, 2019-09-05 Through past and present the country and the city Peter Fiennes takes a literary journey through the British Isles As enjoyable a guide to the relationship of writers to the landscape of Britain as one could hope to read beautifully written moving in its reflections and often very funny Tom Holland The premise of this book is simple or that is what it seemed when I started Peter Fiennes follows in the footsteps of twelve inspirational writers bringing modern Britain into focus by peering through the lens of the past The journey starts in Dorset shaped by the childhood visions of Enid Blyton and ends with Charles Dickens on the train that took him to his final resting place in Westminster Abbey From the wilds of Skye and Snowdon to a big night out in Birmingham with J B Priestley and Beryl Bainbridge *Footnotes* is a series of evocative biographies a lyrical foray into the past and a quest to understand Britain through the books journals and diaries of some of our greatest writers And as Fiennes travels the country and roams across the centuries he wonders Who are we What do we want They seemed like good questions to ask in the company of some of our greatest writers given these restless times A Guardian Travel Book of the Year Shortlisted for the Edward Stanford Travel Writing Awards Fiennes is a perceptive reader and a good humoured guide and his book offers a superb commentary on the connections between lesser known places and writers *Footnotes* is a passionate partisan call for readers to take action before the British countryside may be encountered only between the pages of a book TLS Honing his easy going and often witty style in this new book Fiennes takes us on the journeys of famous writers There's an infectious enthusiasm and self deprecating authority to Fiennes's insights and he's a

most agreeable companion There will be many nature titles vying for a place on Christmas lists this year This one should be towards the top Guardian Marvellously quotable Fiennes literary journey makes for a provocative and engaging book Financial Times
