Flags of Our Fathers James Bradley, 2006-07 **Flags of Our Fathers** James Bradley, Ron Powers, 2006-08-29 1 NEW YORK TIMES BESTSELLER This is the true story behind the immortal photograph that has come to symbolize the courage and indomitable will of America In this unforgettable chronicle of perhaps the most famous moment in American military history James Bradley has captured the glory the triumph the heartbreak and the legacy of the six men who raised the flag at Iwo Jima Here is the true story behind the immortal photograph that has come to symbolize the courage and indomitable will of America In February 1945 American Marines plunged into the surf at Iwo Jima and into history Through a hail of machine gun and mortar fire that left the beaches strewn with comrades they battled to the island s highest peak And after climbing through a landscape of hell itself they raised a flag Now the son of one of the flagraisers has written a powerful account of six very different young men who came together in a moment that will live forever To his family John Bradley never spoke of the photograph or the war But after his death at age seventy his family discovered closed boxes of letters and photos In *Flags of Our Fathers* James Bradley draws on those documents to retrace the lives of his father and the men of Easy Company

Following these men's paths to Iwo Jima James Bradley has written a classic story of the heroic battle for the Pacific's most crucial island an island riddled with Japanese tunnels and 22 000 fanatic defenders who would fight to the last man But perhaps the most interesting part of the story is what happened after the victory The men in the photo three were killed during the battle were proclaimed heroes and flown home to become reluctant symbols For two of them the adulation was shattering Only James Bradley's father truly survived displaying no copy of the famous photograph in his home telling his son only The real heroes of Iwo Jima were the guys who didn't come back Few books ever have captured the complexity and furor of war and its aftermath as well as *Flags of Our Fathers* A penetrating epic look at a generation at war this is history told with keen insight enormous honesty and the passion of a son paying homage to his father It is the story of the difference between truth and myth the meaning of being a hero and the essence of the human experience of war

Eastwood's Iwo Jima Anne Gjelsvik, Rikke Schubart, 2013-06-25 With *Flags of Our Fathers* 2006 and *Letters from Iwo Jima* 2006 Clint Eastwood made a unique contribution to film history being the first director to make two films about the same event Eastwood's films examine the battle over Iwo Jima from two nations perspectives in two languages and embody a passionate view on conflict enemies and heroes Together these works tell the story behind one of history's most famous photographs Leo Rosenthal's *Raising the Flag on Iwo Jima* In this volume international scholars in political science and film literary and cultural studies undertake multifaceted investigations into how Eastwood's diptych reflects war today Fifteen essays explore the intersection among war films American history and Japanese patriotism They present global attitudes toward war memories icons and heroism while offering new perspectives on cinema photography journalism ethics propaganda war strategy leadership and the war on terror

Flags of Our Fathers James Bradley, Ron Powers, 2006-08 The story behind the raising of the U S flag on the Pacific island of Iwo Jima February 23 1945

Flags of Our Fathers James Bradley, 2003-05 Provides the true story of the actions that led to the raising of the flag at Iwo Jima by American Marines in February 1945

Flags of Our Fathers Henry Bedford-Jones, 1943* From Academy Award winning director Clint Eastwood *Million Dollar Baby* *Unforgiven* comes the World War II epic *Flags of Our Fathers* produced by Eastwood Academy Award winner Steven Spielberg Saving Private Ryan Schindler's List and Rob Lorenz *Mystic River* and from a screenplay adapted by William Broyles Jr *Cast Away* and Oscar winner Paul Haggis *Million Dollar Baby* *Crash* February 1945 Even as victory in Europe was finally within reach the war in the Pacific raged on One of the most crucial and bloodiest battles of the war was the struggle for the island of Iwo Jima which culminated with what would become one of the most iconic images in history five Marines and a Navy corpsman raising the American flag on Mount Suribachi The inspiring photo capturing that moment became a symbol of victory to a nation that had grown weary of war and made instant heroes of the six American soldiers at the base of the flag some of whom would die soon after never knowing that they had been immortalized But the surviving flag raisers had no interest in being held up as symbols and did not consider themselves heroes they wanted only to stay on the front

with their brothers in arms who were fighting and dying without fanfare or glory *Flags of Our Fathers* is based on the bestselling book by James Bradley with Ron Powers which chronicled the battle of Iwo Jima and the fates of the flag raisers and some of their brothers in Easy Company Bradley's father John Doc Bradley was one of the soldiers pictured raising the flag although James never knew the full extent of his father's experiences until after the elder Bradley's death in 1994
