## Flagship Historymakers Mussolini:

**Mussolini** Derrick Murphy, 2005 An accessible biography for A level History students that concentrates on the issues that come up time and time again in the AS and A2 exams Why historians differ an introduction to interpretations and historiography A brief biography including a timeline and an Understanding Mussolini box Issue 1 How did he become Italian Prime Minister Issue 2 Was Fascist Italy a totalitarian dictatorship Issue 3 Did he want to create a new Roman Empire Mussolini an assessment Further reading Index      **Benito Mussolini** Christopher Hibbert, 1962 Benito Mussolini the son of a peasant held absolute rule over the Italian nation for the best part of a generation and played a leading role in high world drama What happened to Italy was therefore in the fullest sense his personal responsibility and by this History whose ultimate verdict was his constant self conscious preoccupation must judge him The clue to his character as revealed in this remarkably detailed biography is to be found in a web of almost pathological contradictions This pretender of jutting chin and iron will was at times of crisis quite incapable of making up his mind or of holding a line of action for more than a few minutes And when at last his power began to crumble he remained obstinately blind to all warnings resolutely irresolute almost indifferent to his own downfall While on the historic plane power worked on this man its usual corruptions in one particular he remained incorruptible for material riches and aggrandisement he cared nothing Underneath the bombast there lurked a core of human kindness and of physical courage Still posturing before the mirror of history he met his infamous end with dignity      Mussolini Denis Mack Smith, 1983 Traces the life and political career of Mussolini recounts the rise of fascism and attempts to clarify the motivations of the Italian dictator      **Mussolini's Roman Empire** Denis Mack Smith, 1977      *Mussolini and Fascism* John Patrick Diggins, 2015-03-08 Mussolini in the thousand guises he projected and the press picked up fascinated Americans in the 1920s and the early 30s John Diggins analysis of America's reaction to an ideological phenomenon abroad reveals he proposes the darker side of American political values and assumptions Originally published in 1972 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905      *Fascist Voices* Christopher Duggan, 2013 A history of fascist Italy draws on private diaries letters and memoirs to show how ordinary people lived and experienced Mussolini's regime leading up to World War II      **Benito Mussolini** Christopher Hibbert, 1962      Mussolini Martin Clark, 2005 This readable and witty biography focuses both on Mussolini's personality and on the way he exercised power and regards these two issues as closely linked It sees him as a man with all the talents needed to attain power but few of those needed to exercise it well This book primarily focuses on how Mussolini had absolutely the wrong personality for a successful political leader Suitable for

undergraduates studying Modern European History World War Two Nationalism or Twentieth Century Italy     *Mussolini Family Life* Benito Mussolini, 2020-02-29     *Italy and Mussolini* Josh Brooman, 1995     Mussolini: History in an Hour Rupert Colley, 2014-04-24 Love history Know your stuff with History in an Hour     **Benito Mussolini and Francisco Franco** Charles River, 2021-02-13 Includes pictures Includes a bibliography for further reading It s easy to forget how young Italy was when Benito Mussolini was born on July 29 1883 It is hard to conceive a territory with such a long and ancient history was once young and troubled with constant conflict and instability Similar to Germany Italy was unified in 1861 but contrary to its northern cousin its previous history was one of separation Italy had no great romantic idea of a Great Germany keeping it unified even during the wars between city states Benito Mussolini was born and raised in a highly volatile environment where ideas already considered extreme by most contemporary observers such as Socialism would undergo a deep and violent transformation Mussolini would ride that wave to power and he would hold it for decades as he opportunistically tried to strengthen Italy s position and empire That would lead him to foreign interventions in Africa and eventually an alliance with Nazi Germany s Adolf Hitler ultimately costing him everything and devastating his country throughout World War II Mussolini s final act was an attempt to flee his fate On April 25 1945 he was able to move about without German interference as the Allies advanced He wore a German uniform to hide his identity and tried to march north with retreating troops thinking he would find a way to freedom from Germany but an armed force of partisan troops stopped the column on April 27 1945 Mussolini was immediately identified captured and briefly jailed along with his lover Claretta Petacci There was no great trial waiting for Mussolini and no last moment under the spotlight The partisan troops organized a show trial to give the proceedings some sense of legality and on April 29 1945 they took Mussolini and Claretta out of jail The Italian dictator was shot along with his lover after which their corpses were brought back to Milan s Loreto square and hung by their feet The very next day Hitler would commit suicide in his bunker in Berlin and the fighting in Europe would finally come to an end a little more than a week later Born in the last decade of the 19th century Francisco Franco was nevertheless synonymous with a number of trends of the 20th In particular his life was intertwined with the extremist ideologies of the era in particular fascism and communism and later the Cold War between the West and the communist bloc In essence however Franco was a military man He joined the army as a teenager and made his name as an officer in Spain s wars in Africa When the country cast off its monarchy and declared a Republic in 1931 Franco although relatively restrained politically during the period stood for order and maintaining the army s role in Spanish society When a group of officers launched a rebellion in July 1936 Franco quickly joined the army s uprising and rapidly rose to the top of the nationalist s chain of command After his victory in the Spanish Civil War Franco used political ideas and ideology as it suited him though he did seem to advocate conservatism militarism Catholicism and monarchism Franco adeptly steered Spain through the Second World War and the Cold War without really committing the country to any specific engagements but he still managed to secure support and backing from

more powerful allies For the people of Spain however Franco was far from the benevolent figurehead he portrayed himself to be Franco's rule was vicious and spiteful and persecution and oppression were ever present during his dictatorship Franco's Spain was intolerant of dissent and by the 1970s the country appeared to outsiders to be completely under his control and influence It seemed likely that his successors would continue to rule in his image or more worryingly that far left groups would challenge a post Franco autocrat
