Flagships of Mystic Seaport Andrew W. German, 2000 With their tall masts and mazes of rigging these vessels make a lasting impression as does the little white steamboat moving silently past The whaleship Charles W Morgan the fishing schooner L A Dunton the training ship Joseph Conrad and the steamboat Sabino these are the flagships of Mystic Seaport

Mystic J. Huguenin, M. Earl Smith, 2017-06-05 On the banks of the Mystic River the Connecticut community of Mystic has a maritime history that stretches back beyond the founding of the nation Starting as a Native American settlement the area switched hands first to the Dutch then to the English before finally becoming a part of the United States after the Revolutionary War Mystic's location made it an ideal port for coastal commerce As the nation grew so did Mystic with the village using its unique location to serve both the coastal fishing industry and the US Navy The Mystic drawbridge serves as a reminder of the community's maritime heritage In its current state Mystic serves as both a cradle to some of Connecticut's oldest families and a tourist attraction for those wanting to sample vintage New England life

Interpreting Naval History at Museums and Historic Sites Benjamin J. Hruska, 2016-08-09 Interpreting Naval History at Museums and Historic Sites demonstrates the broad appeal of naval themed commemoration centering on military aspects from both times of war and peace Transcending place and time naval history is shaped into public forums for modern day consumption These occurrences are not limited to just recent history as can be seen in the celebration of man's long history of transforming bodies of water from barriers into opportunities In addition with the modern day nation state naval history is not just limited to areas near large bodies of water as seen with landlocked states in the United States sharing in a proud naval tradition Examples of this included in the book are USS Arizona BB 39 and USS Missouri BB 63 Naval history is just one avenue with sites marking the history of immigration engineering technology and architecture Naval history also extends into lighthouses and port facility construction which are the background of a host of U S Generals in the U S Army with the Army Corps of Engineers which includes the Robert E Lee Using an international approach the book illustrates the intersection of the historical understanding of one's place and naval traditions Locating the boundaries one finds both the depth and breath of the topics linking and dividing water and man

The Charles W. Morgan Andrew W. German, 2024-10-15 As America's oldest merchant ship still afloat and the only wooden survivor of the once vital whaling industry the Charles W Morgan has a complex story to tell Elaborating on earlier volumes on the ship's history at Mystic Seaport Museum this new book offers an expanded account chronicling the ship's construction and launch in 1841 through its Thirty Eighth Voyage in 2014 the first time the Morgan had been sailed in more than ninety years and its continuing role today as an historic icon and the Museum's flagship vessel Chapters paint a picture of how whaling developed in Europe and the ways New England colonists adopted it as a profitable venture and then through the ship's own story proceed to sketch the evolution of America's relationship with nature and the whale specifically and with the many peoples of the world who were encountered by or served aboard a
