Langston,2012-08-02 The whistle of the train sounded bringing his thoughts back to the present He turned to see if the sound of the whistle had disturbed any of the other passengers The only one that seemed to be awake was the woman with PC sown on her luggage He still didnt know what the initials stood for Are you restless too she asked A polite smile was written on her lips Jim tried to warm up a smile and send it back but he only managed to put one kink in the corner of his mouth It wasnt that he was not attracted to her just the sight of her burned him to the core It was just not the time and mainly the place to vent the heat If a man wasnt restless every now and then he said he would never get anything done that is anything worth doing Well said Ive always heard that if something is worth doing it is worth doing well she said again with that fantastic smile that penetrated Jims very soul Is that your aim to do what you do well I mean If it gets done at all I intend to do it the best that I can he said This time he managed to stretch a smile all the way across his lean face She smiled again very small then turned away to continue her fruitless effort to sleep She turned once more to glance the man He looked tight and strangely savage in a gentle way Pamela Cross was confused Something about this man disturbed her as if they were destined to meet again She watched as he went to the door rubbed the fog from the glass and peered out into the darkness Then he returned to his seat for a time and sat with his saddlebags and 44 40 Winchester lying across his lap The train was in an easy run to the springs He listened to the chugging sound of the engine as it did its work looked at the woman and felt a strong stirring in his loins **Youth's Companion** ,1894 The Nebraskaland Magazine Book of Collector Prints ,1980

of bourbon's evolution by contrasting the fates of two distilleries in Scott and Nelson Counties. In the nineteenth century distilling changed from an artisanal craft practiced by farmers and millers to a large scale mechanized industry. The resulting infrastructure—farms, mills, turnpikes, railroads, steamboats, lumberyards and cooperage shops—left its permanent mark on the land and traditions of the commonwealth. Today multinational brands emphasize and even construct this local heritage. This unique interdisciplinary study uncovers the complex history poured into every glass of bourbon. A gem. The depth of Raitz's research and the breadth of his analysis have produced a masterful telling of the shift from craft to industrial distilling. And in telling us the story of bourbon, Raitz also makes a terrific contribution to our understanding of America's nineteenth century economy. David E. Hamilton, author of *From New Day to New Deal*. **Schenectady Works News**, 1922. **The London Journal: and Weekly Record of Literature, Science, and Art**, 1858. *Billboard*, 1948-11-27. Ralph Compton, 2025-09-23. They had beaten the harsh odds of the frontier. But for the two powerful ranchers, the most formidable trail lay ahead. There had never been a trail drive like this before. The only riches Texans had left after the Civil War were five million maverick longhorns and the brains, brawn and boldness to drive them to market along treacherous trails. Now Ralph Compton brings this violent and magnificent time to life in an extraordinary series based on the history-blazing trail drives. For veteran ranchers Nelson Story of Montana and Benton McCaleb of Wyoming, it was an opportunity a man didn't pass up. In gold camps of the Black Hills, miners were hungry for beef at boomtown prices. But within the two outfits were Indians, gunmen, Texans, lovesick cowboys and high spirited women. Worse, the drive would pass through Crow and Sioux territory when Custer's defeat at the Little Big Horn was just hours away. The drives were tangled by violent grudges, stampeding herds and dangerous deception. The two brawling outfits had one thing in common: a deadly surprise awaiting them at the end of the trail. **Dingley Falls**. Michael Malone, 2010-04-01. Praise for *Dingley Falls*: Witty, intelligent, deeply felt and vividly narrated. *New York Times Book Review*. A wondrous achievement. Malone's novel is as lusty, whimsical, tragic, even as bizarre as life itself. It is a triumph of the highest order. *Atlanta Journal-Constitution*. *Dingley Falls* is a wonderful novel, impressive in every way and constantly entertaining. Everything in this book sparkles and rings true. *Chicago Tribune*. If not the Great American Novel, *Dingley Falls* is surely the Great American Comedy. The two may just be synonymous. *St. Louis Post-Dispatch*. A lovable, sprawling, old-fashioned kind of novel full of energy and gems of characterization. *Washington Post Book World*. In *Dingley Falls*, Malone has produced a

remarkable work of fiction He combines humor compassion and literate writing with a storytelling ability that is rare in contemporary fiction Houston Chronicle One day your small town is quietly its normal self humming along in comforting consistency And then all of a sudden strange lights are coming from the forest Not to mention the odd rash of hate mail popping up And in all honesty what is with these odd pairings of couples suddenly coming together Welcome to Dingley Falls where the only thing certain is that life will never be the same Spend a week in Dingley Falls and once you ve visited it will be a place you ll never forget From New York Times bestselling author Michael Malone Dingley Falls is a triumph of rollicking joy and masterful storytelling *English Mechanic and Mirror of Science and Art* ,1901 Billboard ,1945-06-16 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
