David Akombo

Flamenco Rose:

Flamenco Rose Janet Louise Roberts, 1983-01-01

Carmen and the Staging of Spain Michael

Christoforidis, Elizabeth Kertesz, 2019 Georges Bizet's *Carmen* and its staging of an exoticized Spain was progressively reimagined between its 1875 Paris premiere and 1915. This book explores *Carmen*'s dynamic interaction with Spanishness in this cosmopolitan age of spectacle across operatic productions, parodies, and theatrical adaptations from Spain to Paris, London, and New York.

Made in Spain Sílvia Martínez, Héctor Fouce, 2013-07-18 *Made in Spain: Studies in Popular Music* will serve as a comprehensive and rigorous introduction to the history, sociology, and musicology of 20th-century Spanish popular music. The volume will consist of 16 essays by leading scholars of Spanish music and will cover the major figures, styles, and social contexts of pop music in Spain. Although all the contributors are Spanish, the essays will be expressly written for an international, English-speaking audience. No knowledge of Spanish music or culture will be assumed. Each section will feature a brief introduction by the volume editors, while each essay will provide adequate context so readers understand why the figure or genre under discussion is of lasting significance to Spanish popular music. The book first presents a general description of the history and background of popular music, followed by essays organized into thematic sections.

Sonic Interventions Sylvia Mieszkowski, Joy Smith, Marijke de Valck, 2015-07-14 *Sonic Interventions* makes a compelling case for the importance of sound in theorizing literature, subjectivity, and culture. Sound is usually understood as our second sense, and as our belief in a visually dominated culture prevails, remains of secondary interest. Western cultures are considered to be predominantly visual, while other societies are thought to place more importance on the acoustic dimension. This volume questions these assumptions by examining how sound differs from and acts in relationship to the visual. It moves beyond theoretical dichotomies between the visual and the sonic, the oral and literature, and instead investigates sonic interventions in their often multi-faceted forms. The case studies deal with political appropriations of music and sounds; they explore the poetic use of the sonic in novels and plays; they develop theoretical concepts out of sonic phenomena and pertain to identity formation and the practice of mixing in hip-hop, opera, and dancehall sessions. Ultimately, the book brings to the fore what roles sound may play for the formation of gendered identity, for the stabilization or questioning of race as a social category, and the conception of place. Their intricate interventions beckon critical attention and offer rich material for cultural analysis.

A Social History of Spanish Labour José A. Piqueras, Vicent Sanz Rozalén, 2007 Focusing on organization, resistance, and political culture, this collection represents some of the best examples of recent Spanish historiography in the field of modern Spanish labor movements. Topics range from socialism to anarchism, from the formation of the liberal state in the 19th century to the Civil War, and from women in the workplace to the fate of the unions under Franco. **BOOK JACKET**

The Unexpected Mistress Sara Wood, 2010-12-27 She wanted to be more than just his mistress. They are complete opposites. Cassian is gorgeous, wealthy, he exudes charisma and confidence. But Laura is penniless and painfully shy.

Unexpectedly Cassian finds he's attracted to her Laura has never expected she'd be anyone's mistress let alone Cassian's He's the man of her dreams yet she finds she can't be satisfied as his mistress She wants to be his wife **MBGU Rock**

Curriculum: Rock Guitar Masterclass, Vol. 2 Ioannis Anastassakis, 2018-07-06 A collection of 60 of the best sweep picking ideas concepts and licks based on 20 years of electric guitar playing experience This book includes licks from and inspired by Frank Gambale Steve Vai Joe Satriani George Lynch Zakk Wylde Yngwie Malmsteen John Petrucci Randy Rhoads Paul Gilbert Richie Kotzen Mathias Eklundh Rusty Cooley Michael Fath and more Builds musical vocabulary a veritable dictionary of licks or rather a lick tionary Most of these licks are in the key of A minor since this is a key most guitarists are familiar with Many are presented in either minor pentatonic natural minor Harmonic minor or Dorian scales since these are the most often used scales in rock improvising Encourages substitution with other modes by changing the appropriate intervals Examples in notation and tablature Includes access to online audio and video **The Catharanthus Genome** Chittaranjan

Meira Goldberg, Antoni

Pizà, 2022-01-18 This collection of essays poses a series of questions revolving around nonsense cacophony queerness race and the dancing body How can flamenco as a diasporic complex of performance and communities of practice frictionally and critically bound to the complexities of Spanish history illuminate theories of race and identity in performance How can we posit and argue for genealogical relationships within and between genres across the vast expanses of the African and Roma diaspora Neither are the essays presented here limited to flamenco nor consequently are the responses to these questions reduced to this topic What all the contributions here do share is the wish to come together across disciplines and subject areas within the academy and without in the whirling raucous and messy spaces where the body is free to celebrate its questioning as well as the depths of the wisdom and knowledge it holds and sometimes reveals **Gypsy Music in**

European Culture Anna G. Piotrowska, 2013-12-03 Translated from the Polish Anna G Piotrowska's *Gypsy Music in European Culture* details the profound impact that Gypsy music has had on European culture from a broadly historical perspective The author explores the stimulating influence that Gypsy music had on a variety of European musical forms

including opera vaudeville ballet and vocal and instrumental compositions The author analyzes the use of Gypsy themes and idioms in the music of recognized giants such as Bizet Strauss and Paderewski detailing the composers use of scale form motivic presentations and rhythmic tendencies and also discusses the impact of Gypsy music on emerging national musical forms

Cantaoras Loren Chuse,2013-10-11 This book provides an in depth ethnographic investigation of the greatly underestimated and underappreciated contributions of women singers the cantaoras to the creation transmission and innovation in flamenco song Situating the study of flamenco in the context of social and political currents that have shaped twentieth century Spain and drawing on interviews with the cantaoras themselves Loren Chuse shows how flamenco is a complex of cultural practices at once musical physical verbal and social involving the expression and negotiation of complex multi layered identities including notions of Andalusian regional gypsy and gender identity Chuse shows how women are engaged in the formation of flamenco today and how they respond to the balance and tensions between tradition and innovation In so doing she encourages a deeper appreciation of flamenco and initiates new approaches within

ethnomusicology feminist scholarship flamenco gender and popular music studies

Stop...and Smell the Mints Randy Collins,2019-01-19 Randall Collins had spent all his life applying practical skills to achieve results As an accountant he was used to organization analysis and responsibility After he retired he found himself with a gap in his life he wanted to be productive but he d had enough of being answerable to a boss or a client he wanted to work on his own terms Like many people he turned to gardening and found it to be a compelling fascinating world For him it was a perfect solution the meticulous observation focused mindset he d developed as an accountant translated beautifully to the process and science of gardening while the art and creativity required to nurture and grow ornamental plants allowed him to explore a new side of himself But at the heart of this memoir is Collins greatest challenge how to outsmart a foraging white tailed deer who saw the garden as his personal gourmet salad bar A warm relatable story of how one man came to terms with retirement and nature Stop and Smell the Mints is both delightful and educational

The Unity of Music and Dance in World Cultures David Akombo,2016-02-09 This study surveys music and dance from a global perspective viewing them as a composite whole found in every culture To some music means sound and body movement To others dance means body movement and sound The author examines the complementary connection between sound and movement as an element of the human experience as old as humanity itself Music and dance from Africa the Americas Asia Europe the Middle East and the South Pacific are discussed

Princess Diana Carter,1971

Three Blondes and Death Iřĩ Tarnavs'kyĩ,1993 Three Blondes and Death is an hermetic and hypnotic treatment of the classic themes of love and death

Flamenco Music and National Identity in Spain William Washabaugh,2016-04-15 Flamenco Music and National Identity in Spain explores the efforts of the current government in southern Spain to establish flamenco music as a significant patrimonial symbol and marker of cultural identity Further it aims to demonstrate that these Andalusian efforts form part of the ambitious project of rethinking the nation state

of Spain and of reconsidering the nature of national identity A salient theme in this book is that the development of notions of style and identity are mediated by social institutions Specifically the book documents the development of flamenco s musical style by tracing the genre s development between 1880 and 1980 and demonstrating the manner in which the now conventional characterization of the flamenco style was mediated by krausist modernist and journalist institutions Just as importantly it identifies two recent institutional forces that of audio recording and cinema that promote a concept of musical style that sharply contrasts with the conventional notion By emphasizing the importance of forward looking notions of style and identity *Flamenco Music and National Identity in Spain* makes a strong case for advancing the Spanish experiment in nation building but also for re thinking nationalism and cultural identity on a global scale

The Oxford Handbook of Dance and Competition Sherril Dodds,2019 This Handbook asks how competition affects the presentation and experience of dance

The Irish Horse ,1955

CMJ New Music Report ,2002-10-21 CMJ New Music Report is the primary source for exclusive charts of non commercial and college radio airplay and independent and trend forward retail sales CMJ s trade publication compiles playlists for college and non commercial stations often a prelude to larger success

Flamenco Music Peter Manuel,2023-11-21 An expert explains and analyzes the beloved art form An iconic symbol of Spain flamenco has become a global phenomenon Peter Manuel offers English language readers a rare portrait of the music s history styles and cultural impact Beginning with flamenco s Moorish and Roma influences Manuel follows the music s evolution through its consolidation in the mid 1800s and on to the vibrant contemporary scene An investigation of flamenco s major song types looks at rhythm and comp s guitar technique and many other aspects of the music while Manuel s description and analysis of the repertoire range from soleares and buler as to tangos His overview of contemporary flamenco culture provides insight into issues that surround the music including globalization gender dynamics notions of ownership and the ongoing debates on purity versus innovation and the relative roles played by Gitanos and non Gitanos Multifaceted and entertaining *Flamenco Music* is an in depth study of the indelible art form that inspires enthusiasts and practitioners around the world
