Burning within the hearts of men and nations can be found the unquenchable fires of freedom Throughout the centuries seekers have discovered the way of freedom the freedom of which Jesus spoke when he said Ye shall know the truth and the truth shall make you free How can we achieve this freedom There are teachers the ascended masters Buddha Maitreya Confucius Saint Germain Jesus and Saint Francis are but a few of the saints and sages who have risen to attain liberation and union with God They continue to work with earnest seekers who have made the greater way of freedom their goal If you will receive them the masters offer guidance and instruction Having reached the summit to which we now climb they are releasing teachings that lead to self mastery and the freedom of the soul in God *Freedom* Sally Odgers,2007 Four generations of women separated by time and space struggle through life s hardships On Freedom Nicholas J. Pappas,2014-03-01 The notion of freedom is essential to America s view of itself as a democratic and individual based society In this philosophical dialogue characters assess the many facets implications and apparent contradictions inherent in this deceptively complex idea Seventy nine short segments provide food for thought even in stolen moments of reading pleasure The book sparkles with intellectually stimulating views Drawing on the tradition of the Platonic dialogue *On Freedom* explores what freedom is and what it means through the discussions of two characters Director and Friend Topics include Slavery Responsibility Anarchy Wealth Love Courage Authority Inhibition Happiness Discipline Vigilance The characters arrive at no simple or absolute definition of freedom But that doesn t mean they don t finish with a better idea of what freedom is than when they started If anything they come to appreciate the need for clarity about their subject And they come to see that such clarity necessarily involves complexity Readers with no philosophical training can enjoy this book while readers with a philosophy background can enjoy the way it treats an old familiar theme with a lighter touch Families will value *On Freedom* for enabling younger readers too to explore philosophic ideas of general interest and importance
