## Flash Of Swallows:

*A Flash of Swallows* Steve Allen, 1969      *A Flash of Swallows* William Christopher Stevens, 1969      *Cacophony of Silence* William Flewelling, 2020-12-06

My poems sharpen my sight so that I see better what is there to be seen I will find some situation or image or nuance that catches my eye intrigues me Sometimes that seeing lends itself an image for me and then a line just one at first that when written down enters into a cadence a rhythm a sense of sound and echo that emerges into a sequence of lines that flow usually quickly And then the lines stop the images seem complete and then they announce to me that the poem is complete That is true whether the image is a raindrop a face a pose a tree a flower a bird a shadow or the innuendo of faith or country whatever This book draws upon poems written some years ago mostly in the years 2009 and 2015 There are also a few current poems that insist themselves into the collection as they are accumulated in the current year's file As I revisit poems of years ago quite often the occasion presents itself to memory but not always so Sometimes that occasion is as if unnecessary and indeed almost in the way of the poem as it has come to be Revisiting is always a pleasure it becomes one of the spurs toward forming the collection itself Indeed it is the pleasure and the satisfaction in the book that brings it about Satisfaction is such a boon to life

,1924 [The Musical Times](#) ,1924 [Hearst's](#) ,1921 *The Swallow* Stephen Moss,2020-10-29 From the bestselling author of *The Robin* *The Wren* and *The Twelve Birds of Christmas* With around 700 000 breeding pairs the swallow is one of the most familiar birds in Britain Though we consider the swallow to be our bird we also share this beloved creature with millions of others across the globe Whilst we see it on a daily basis for half the year the swallow then flies south to Africa living on only in our memory in the long dark winter In *The Swallow* Stephen Moss documents a year of observing the swallow close to home and in the field to shed light on the secret life of this extraordinary bird We trace the swallow s life cycle and journey including the epic 12 000 mile round trip it takes every year to enable it to enjoy a life of almost eternal sunshine and the key part the swallow plays in our traditional and popular culture With beautiful illustrations throughout this captivating year in the life biography reveals the hidden secrets of this charismatic and beautiful bird PRAISE FOR STEPHEN MOSS A superb naturalist and writer Chris Packham Inspired friendly and blessed with apparently limitless knowledge Peter Marren Moss has carved out an enviable niche as a chronicler of the natural world Daily Mail **Mexican Mornings** Michael Hogan,2007-02-26 There is a part of Mexico the west central area encompassing the state of Jalisco and its capital Guadalajara which is the cradle of many significant cultural traditions that most of us associate with that great country mariachi music tequila and charreada rodeos to name a few And Jalisco is Michael Hogan s intellectual inspiration for this bird s eye view of Mexico and elsewhere Hogan writes with deep affection for his adopted country mixed with an insider s keen interest about things Mexican The inexhaustible patience and forgiveness of the Mexican character is portrayed in many of his narratives in which life is lived largely in the slow lane but with a degree of dignity and grace that might help explain why so many North Americans choose to call Mexico home Come ride with us on the Bus From Hell to see Cuban dictator Fidel Castro and laugh at the drunken Santa Claus whose sleigh is damaged at the high school Christmas party Then feel the beat of the music as the Tigres del Norte give an all night concert in Guadalajara s immense Ro Nilo stadium squint through the eyepiece of a welder s helmet during a solar eclipse and squirm with uneasiness during a depression producing six day six night rainstorm Perhaps the strongest messages of this collection are those extolling the thoughts of Mexican diplomat and poet Octavio Paz in helping understand ourselves and those of environmentalist and writer Ed Abbey who tried to show all of us of all nationalities that if we want to save this world FOR ourselves we first have to save it FROM ourselves So follow Hogan as he examines his subjects from the lowest crawling insects that influence life in Jalisco as it is today to the two legged creatures of power that would change it forever I promise you won t regret it [Swallows & Amazons - Boxed Set](#) Arthur Ransome,2023-11-27 *Swallows Amazons Boxed Set* is a masterful curation of Arthur Ransome s quintessential adventure saga embodying the spirit of childhood exploration and camaraderie The novel introduces readers to the Walker children who alongside the spirited Amazon pirates engage in imaginative play on England s Lake District Ransome skillfully intertwines adventure with reflective prose evoking the natural beauty and simplicity of rural life that resonates deeply with

the themes of freedom and innocence The literary style combines rich descriptions with a playful dialogue that captures both the complexities of youthful friendships and the tranquility of the landscape placing it firmly within the canon of British children s literature in the early 20th century Arthur Ransome was not only a talented writer but also a sailor and journalist experiences that profoundly influenced his storytelling His own childhood experiences of sailing and exploration along with his profound understanding of nature permeate his writing Ransome s upbringing during the tumultuous years of World War I inspired him to write narratives that celebrated the purity of childhood and the joys of adventure particularly as means of escape from adult concerns This boxed set is recommended for both young readers and adults alike as it offers not just an engaging story but also a nostalgic reflection on the innocence of childhood Swallows Amazons remains a seminal work urging readers to embrace the spirit of adventure and the beauty of imagination in a world that often seeks to constrain it

**Chivalry** Me'lik,2015-02-28 There's not a man alive who can tell you while growing up on the hard streets of Brooklyn that life was just a walk in the park With so many young black men failing to reach their full potential DeMarcus was determined to make the odds fall in his favor Utilizing school smarts and a hustlers ambition he was able to breach the realm of corporate America By bridging the gap between ghetto streets and Wall Street he was able to leave the day to day hood drama behind him or so he thought Being named one of New York's most top ten successful bachelors by Time magazine he was surely a man on top of his game Until one of life's unexpectancies blindsided him forcing him to embark on a journey that could undoubtedly prove fatal Having to choose between life love and loyalty DeMarcus becomes willing to risk all for something that for far too long almost failed to exist and that one thing was once called chivalry In the Mountains Green
