"Committing Poetry" Gil Colgate, 2009-09-23 Gil Colgate es una quintaesencia de New Yorker felizmente trasplantado a México donde sus habilidades malabares en el mundo de los negocios con su alegría en la poesía realmente legible y comprensible Humorous Poems and Others of the Twenty-First Century Erwin K. Yarbrough, Jr. (General), 2015-04-03 What makes poetry a good read is the creativity in the rhymes and rhythms The author wanting to delight the readers with humor told short stories through stanzas and lines He used an unconventional technique which is mostly childish and funny yet enjoyable Each poem discusses a certain topic sometimes about childhood tales and characters while other times about war love and adulthood The reader shall be brought into a different world and shall meet a new persona in every page turn Divided into four parts this collection of poems gives the effect like an undulating ocean without disappointing the reader about the word play that comes in every part Humorous Poems and Others of the Twenty-First Century Volume I by Erwin K. Yarbrough Jr delves about diverse topics that are pleasurable to read from end to end *Robert Penn Warren after Audubon* Joseph R. Millichap, 2012-05-01 Despite nearly universal critical acclaim for Robert Penn Warren's later poetry much about this large body of work remains unexplored especially the psychological sources of these poems remarkable energy In this groundbreaking work Warren scholar Joseph R. Millichap takes advantage of current research on developmental psychology gerontology and end-of-life studies to offer provocative new readings of Warren's later poems which he defines as those published after *Audubon* (1969) In these often intricate poems Millichap sees something like an autobiographical epic focused on the process of aging the inevitability of death and the possibility of transcendence Thus Warren's later poetry reviews an individual life seen whole contemplates mortality and dissolution and aspires to the literary sublime Millichap

locates the beginning of Warren's late period in the extraordinary collection *Or Else Poems* 1968 1974 basing his contention on the book's complex indeed obsessive sequencing of new previously published and previously collected poems unified by themes of time memory age and death Millichap offers innovative readings of *Or Else* and Warren's five other late gatherings of poems *Can I See Arcturus from Where I Stand Poems* 1975 *Now and Then Poems* 1976 1978 winner of the Pulitzer Prize *Being Here Poetry* 1977 1980 *Rumor Verified Poems* 1979 1980 and *Altitudes and Extensions* 1980 1984 Among the autobiographical elements Millichap brings into his careful readings are Warren's loneliness in these later years especially after the deaths of family members and friends his alternating feelings of personal satisfaction and emptiness toward his literary achievements and his sense of the power and at times the impotence of memory Millichap's analysis explores how Warren often returned to images and themes of his earlier poems especially those involving youth and midlife with the new perspective given by advancing age and time's passage Millichap also relates Warren's work to that of other poets who have dealt profoundly with memory and age including Robert Frost T S Eliot Thomas Hardy and at times John Milton William Wordsworth and the whole English and American nineteenth century Romantic tradition An epilogue traces Warren's changing reputation as a poet from the publication of his last volume in 1985 through his death in 1989 and the centennial of his birth in 2005 concluding persuasively that the finest of all of Warren's literary efforts can be found in his later poetry concerned as it is with the work of aging and the quest for transcendence

Storm Shelter Poems for the Children of God Richard O. Jones, 2010-06-24 This book was especially written for spiritual people on a spiritual journey that are receptive to a little poetic philosophy along the way People that are drowning in a sea of false accusations riding high in the saddle but can't stand the horse have big money but low self esteem living in sin and enjoying every moment or living right but feeling bad can personally relate to many of the poems in this book People that are in the throes of affliction but refuse to surrender this book will become your amen corner while provoking reflection and deep thought When the big party is over and all your fair weather guests are gone this book helps clean up the aftermath The scrapes scratches and healed wounds of life inspired the author to poetically encourage and guide readers through the emotional swampland of tomorrow and fear no evil These poems do not imply that the road is not rocky and the sky is not cloudy nor will the sun brighten your every day This book is not intended to eradicate your storms but only to become your umbrella with only a couple microscopic leaks
