**Lethal Doses** John Madinger, 2024-08-27 On a cold afternoon in February 1991 a frightening new drug hit the streets of New York City a synthetic narcotic marketed in packets labeled Tango Cash As police scrambled to warn heroin users of the danger the overdose victims began piling up in hospital emergency rooms and county morgues across three states As a Drug Enforcement Administration agent said at the time We don't know yet who's putting this stuff out there but whoever he is he's an ice cold son of a bitch Fentanyl had come to America In 2024 fentanyl is killing nearly 200 Americans every day and not just heroin users a seemingly unstoppable narcotic curse like none ever seen before But few know that this plague began in the brilliant mind of the high school dropout and chemistry prodigy that the DEA called the best and most dangerous clandestine chemist it has ever encountered The clandestine chemist was George Erik Marquardt Starting at just twelve years old Marquardt used his extraordinary talents to make every illegal drug in the book from bootleg booze to heroin He brewed LSD for Timothy Leary and the Grateful Dead methamphetamine for outlaw motorcycle gangs nerve gas for Idaho Nazis and even life saving AZT for AIDS patients But when that ice cold son of a bitch turned to fentanyl thousands of Americans would die In **LETHAL DOSES** The Story Behind The Godfather of Fentanyl award winning author and former undercover agent for the Oklahoma Bureau of Narcotics John Madinger tells the remarkable story of DEA's three year pursuit the genesis of our fentanyl problem today and the uniquely dangerous evil genius he spent hundreds of hours interviewing Now you can read the incredible book on which the hit docuseries **THE GODFATHER OF FENTANYL** is based

Of Boys, Men and Mountains Roy Tomkinson, 2012-07-31 An autobiographical volume about characters in the close community of

the Rhondda valley      **A Reference Handbook of the Medical Sciences Embracing the Entire Range of Scientific and Allied Sciences** Albert Henry Buck, 1894      *Joey Jacobson's War* Peter J. Usher, 2018-01-26 In the spring of 1940 Canada sent hundreds of highly trained volunteers to serve in Britain's Royal Air Force as it began a concerted bombing campaign against Germany. Nearly half of them were killed or captured within a year. This is the story of one of those airmen as told through his own letters and diaries as well as those of his family and friends. Joey Jacobson, a young Jewish man from Westmount on the Island of Montreal, trained as a navigator and bomb aimer in Western Canada. On arriving in England, he was assigned to No 106 Squadron, a British unit tasked with the bombing of Germany. Joey Jacobson's War tells in his own words why he enlisted, his understanding of strategy, tactics, and the effectiveness of the air war at its lowest point; how he responded to the inevitable battle stress; and how he became both a hopeful idealist and a seasoned airman. Jacobson's written legacy as a serviceman is impressive in scope and depth and provides a lively and intimate account of a Jewish Canadian's life in the air and on the ground, written in the intensity of the moment, unfiltered by the memoirist's reflection, revision, or hindsight. Accompanying excerpts from his father's diary show the maturation of the relationship between father and son in a dangerous time.      *Bowker's Complete Video Directory, 1999*, 1999      **All for You** Lynn Kurland, 2012-04-24

**FALLING THROUGH TIME IS DANGEROUS** Peaches Alexander is thrilled to receive an unexpected invitation to a weekend party given by the handsome eligible Duke of Kenneworth. The only problem: Stephen de Piaget, a stuffy medieval studies scholar who seems determined to get in the way. Peaches has absolutely no desire to get involved with Stephen until a quirk of Fate sends her hurtling through time. **UNLESS THERE'S SOMEONE TO CATCH YOU** Stephen de Piaget has been leading a double life: respectable professor by day, knight in training during holidays and summer terms. When Peaches goes missing, Stephen knows he's the only one who can rescue her from medieval peril. Little do they know that the greatest danger they'll face won't be the business end of a sword but their own unruly hearts.      *Fortissimo* William Murray, 2010-04-28

H. L. Mencken declared that the opera is to music what a bawdy house is to a cathedral. It was not meant as a compliment but to William Murray, former New Yorker staff writer and aspiring opera singer, a bawdy house is an apt metaphor for the opera: a place of confusion, high and low drama, fleshly pleasures, and raucous song. In *Fortissimo*, Murray follows twelve young singers in the Lyric Opera of Chicago's training program, the prestigious Opera Center for American Artists, through the 2003-2004 season. In the course of the year, these singers attend countless coaching sessions, inspiring master classes, nerve-racking auditions, and grueling rehearsals, and finally perform with some of the most celebrated names and spectacular egos in opera, from Samuel Ramey to Jos Cura and Natalie Dessay. While chronicling their progress, Murray offers an insider's look at the different aspects of the opera world that influence a young singer's success: a world filled with temperamental maestros, ambitious directors, old-world tradition, and sacred monsters. Weaving recollections of his own days training in New York, Rome, and Milan in the 1950s with the personal and artistic struggles of the young singers in Chicago today, Murray lays bare

the staggering ambition and relentless will required to achieve a career in the arts As he writes Becoming a successful opera singer stepping out on a huge stage to try to fill the house with your voice to bring an audience of thirty six hundred people to its feet is as risky in its own peculiar way as embarking on a career as a matador You can triumph you can struggle to survive or you can perish from your wounds Fortissimo is a delicious tale of rising talents angst and heartache and small triumphs and the music that inspires it all      **Foundry** ,1902      **Chemistry: General, Medical, and Pharmaceutical**
