Flattened Fauna, Revised Roger M. Knutson, 2006-09-01 Are you among the millions of people whose only opportunity to observe wildlife comes after it has been run over and pressed into a patty by big rigs then desiccated by the elements until even flies don't recognize it This is the field guide for you **FLATTENED FAUNA** fills an important gap in our natural history knowledge and fosters a heightened respect for the ecology of the paved environment Reviews Knutson might just be to roadkill what Brett Favre is to football flinging Milwaukee Journal Sentinel Flattened Fauna, Revised Roger M. Knutson, 2013-12-04 Are you among the millions of people whose only opportunity to observe wildlife comes after it has been run over and pressed into a patty by big rigs then desiccated by the elements until even flies don't recognize it This is the field guide for you **FLATTENED FAUNA** fills an important gap in our natural history knowledge and fosters a heightened respect for the ecology of the paved environment Reviews Knutson might just be to roadkill what Brett Favre is to football flinging Milwaukee Journal Sentinel **Animals In Human Society** Daniel Moorehead, 2015-11-03 Including the work of 12 authors from institutions such as Colorado State University Frostburg State University Michigan State University Salisbury University Texas Woman's University University of Birmingham University of California Irvine University of California Merced and William Jessup University Rocklin California the collection of essays explores the broad range of animals who share our planet and attempts to recognize our responsibility as humans to take their interests seriously **American Roadkill** Don H. Corrigan, 2021-11-03 Slaughtered along our highways roadkill may be observed regularly but aren't likely to be given much thought Research scientists animal rights activists roadkill artists writers ethicists and lyricists however are increasingly sounding the alarm They report that we are killing the very animals we love and are driving many of them to the brink of extinction Detailing the death and destruction of mammals reptiles amphibians and insect pollinators this study examines the ways in which we are thus jeopardizing our own futures Beginning in the Model T era biologists counted the common carnage of the time cottontails woodchucks and squirrels mostly That record keeping continues today Beyond the bleak statistics zoologists are rerouting migratory paths of animals and are advocating for cat and dog companions This book illuminates both our successes and failures in keeping animals out of harm's way and what those efforts reflect about ourselves and our capacity to care enough to alter the road ahead *Critical Theory and Animal Liberation* John Sanbonmatsu, 2011-01-16 Critical Theory and Animal Liberation is the first collection to approach our relationship with other animals from the critical or left tradition in political and social thought Breaking with past treatments that have framed the problem as one of animal rights the authors instead depict the exploitation and killing of other animals as a political question of the first order The contributions highlight connections between our everyday treatment of animals and other forms of social power mass violence and domination from capitalism and patriarchy to genocide fascism and ecocide Contributors include well known writers in the field as well as scholars in other areas writing on animals for the first time Among other

things the authors apply Freud's theory of repression to our relationship to the animal debunk the Locavore movement expose the sexism of the animal defense movement and point the way toward a new transformative politics that would encompass the human and animal alike
