Love, Perversion or Just Nature? James Prince,2015-01-07 It is not always easy to know who is telling the truth you would tell me I can tell you that almost everything that is said or written can be verified One thing is sure and this is that everything I wrote about the word of God everything I wrote about what is from the Bible can be verified So I beg everyone and anyone to get back to me if I said and wrote anything that is not conformed to the scriptures I know perfectly that mistaking is human but I also know that the lie is diabolic and John Jesus brother said no lie comes from the truth See 1 John 2 21 I do not write to you because you do not know the truth but because you do know it and because no lie comes from the truth If you are happy for discovering the truth because of what you read in this book then tell everyone you can and if it is possible do it without risking your life because I wish you can do it for a long time This book contains enough information about the truth the word of God for anyone who wants to be a Jesus disciple to begin his or her mission Dont you ever forget the many Jesus warnings and mine though and remember that you will be flogged in the churches and this most likely unnecessarily May God bless you James Prince with the Jesus discipline A Jesus disciple has only one religion and this is the one he got from Jesus This means to go directly to God and the Father in heaven will receive you See Matthew

6 18 James Prince *Shakespeare on Love* Stephen Brennan, 2015-01-27 William Shakespeare is ubiquitous throughout the Western world as the master of the written word and the above quoted Sonnet 18 is celebrated as one of the most exquisite love poems of all time Love comes in all forms friendly familial unrequited and lustful and impressively the bard's canon works with them all His views on love whether they be amorous and passionate or obsessive and unsettling are provocative to the mind and imagination The modern reader will recognize poignant turns of phrase though still used today they originated from Shakespeare known for inventing much of the modern English vocabulary Shakespeare on Love draws from the entire Shakespeare canon love sonnets plays and songs Romeo Doubt that the sun doth move Doubt truth to be a liar But never doubt I love **Reinhart in Love** Thomas Berger, 2016-06-14 The Pulitzer Prize nominated author of *Little Big Man* proves that sometimes war doesn't change a person but the world he lives in Carlo Reinhart returns home from his service in Germany expecting the Ohio he left not too long ago What he finds instead is new technology old attitudes and people he's not sure he can relate to anymore As Reinhart stumbles back into life as a civilian he finds camaraderie in the most unlikely places A former classmate Splendor Mainwaring a man too smart for his lot in life as a mechanic becomes a new and eccentric friend His boss isn't just the most over-eager real estate agent in town he's also a seasoned con man Not even settling down comes easy to the gentle Reinhart Duping him into marriage his new wife Genevieve Raven is a force to be reckoned with Endlessly surprising this funny sharp-edged narrative is Pulitzer Prize finalist Thomas Berger at his very best With an over-the-top cast of characters it's impossible not to fall in love with the exact people that make Reinhart's life impossible Picture Fielding's Tom Jones in a 20th century landscape and you'll have some idea of Reinhart in *Love* The New York Times *Love's Forgiveness* John Lippitt, 2020-09-25 *Love's Forgiveness* combines a discussion of the nature and ethics of forgiveness with a discussion inspired by Kierkegaard of the implications of considering interpersonal forgiveness as a work of love It introduces the reader to some key questions that have exercised recent philosophers of forgiveness discussing the relationship between forgiveness and an extended notion of resentment considering whether forgiveness should be conditional or unconditional showcasing a particular understanding of the latter and arguing that there are legitimate forms of third-party forgiveness It then introduces the idea of forgiveness as a work of love through a discussion of Kierkegaard key New Testament passages on forgiveness and some contemporary work on the philosophy of love Drawing on both philosophy and the New Testament it offers an understanding of forgiveness that incorporates both agapic love and a proper concern for justice John Lippitt explores religious and secular uses of key metaphors for forgiveness and the idea of forgiveness as a character trait suggesting that seeking to correct for various cognitive biases is key to the development of such a virtue and connecting it to other putative virtues such as humility and hope Lippitt draws on both Kierkegaard's discourse literature and contemporary philosophical work on these latter characteristics before turning to a discussion of the nature of self-forgiveness Throughout the book the philosophical and theological literature is rooted in a discussion of various

forgiveness narratives including Helen Prejean's *Dead Man Walking*, Thordis Elva and Tom Stranger's *South of Forgiveness* and Ian McEwan's *Atonement*

In Sickness and in Health Ben Mattlin, 2018-01-30 A frank humorous exploration of interabled dating love and marriage Ben Mattlin's wife ML recalls falling in love with his confidence and sheer determination On one of their earliest dates he persuaded her to ride on his lap in his wheelchair on their way home from an Elvis Costello concert Thirty years later they still travel like this from time to time undaunted by the curious stares following them down the street But *In Sickness and in Health* is more than an inspiring story of how a man born with spinal muscular atrophy a congenital and incurable neuromuscular condition survived childhood graduated from Harvard married an able bodied woman built a family with two daughters and a cat and a turtle established a successful career in journalism and lived happily ever after As Mattlin considers the many times his relationship has been met with surprise or speculation by outsiders those who consider his wife a saint or him just plain lucky for finding love he issues a challenge to readers why should the idea of an interabled couple be regarded as either tragic or noble Through conversations with more than a dozen other couples of varying abilities ethnic backgrounds and orientations Mattlin sets out to understand whether these pairings are as unusual as onlookers seem to think Reflecting on his own experience he wonders How do people balance the stresses of personal care help with the thrill of romance Is it possible that the very things that appear to be insurmountable obstacles to a successful relationship the financial burdens the physical differences the added element of an especially uncertain future could be the building blocks of an enviable level of intimacy and communication that other couples could only dream of We meet Shane Burcaw a twenty three year old writer who offers a glimpse of his first forays into dating with a disability There's Rachelle Friedman the paralyzed bride as the media refers to her and her husband discussing the joys and challenges of a new marriage and a growing family And Christina Crosby and her partner Janet Jakobsen reflect on how Crosby's disabling accident called for them to renegotiate their roles and expectations in their long term relationship What emerges is a candid glimpse into the challenges and joys of interabled love from the first blush of sexual awakening to commitment and marriage and through to widowhood
