Third Series](#) Library of Congress. Copyright Office,1968 *Ethics* Ronnie Littlejohn,1993 Iran s heritage is as varied as it is complex and the archaeological philological and linguistics scholarship of the region has not been the focus of a synoptic study for many decades Thus The Oxford Handbook of Ancient Iran fills a longstanding gap in the literature of the ancient Near East providing up to date authoritative essays by leading specialists based both inside and outside of Iran on a wide range of topics extending from the earliest Paleolithic settlements in the Pleistocene era to the Islamic conquest in the 7th century AD The volume is divided into sections covering prehistory the Chalcolithic the Bronze Age the Iron Age the Achaemenid period the Seleucid and Arsacid periods and the Sasanian period concluding with the Arab conquest of Iran In addition more specialized chapters are included that treat numismatics Elymaean Arsacid Persid and Sasanian religion the Avesta and Zoroastrianism languages proto Elamite Elamite Akkadian OldPersian Greek Aramaic Parthian and Middle Persian political ideology calendrics textiles administrative seals and sealing Sasanian silver and reliefs and political relations with Rome and Byzantium No other single volume covers as much of Iran s archaeology and history with the same degree of authority This work will be of vast interest to a wide range of students and scholars from archaeologists and art historians to philologists Classicists ancient historians religious historians and numismatists *Motherland* Rita Goldberg,2013-05-07 A groundbreaking second generation memoir of the Holocaust and its legacy by Otto Frank s goddaughter The extraordinary tale is heroic The New York Times Rita Goldberg recounts the extraordinary story of her mother Hilde Jacobsthal a close friend of Anne Frank s family who was fifteen when the Nazis invaded Holland After the arrest of her parents in 1943 Hilde fled to Belgium living out the war years in an extraordinary set of circumstances first among the Resistance and then at Bergen Belsen after its liberation In the words of The Guardian the story is worthy of a film script As astonishing as Hilde s story is Rita herself emerges as the central character in this utterly unique memoir Proud of her mother and yet struggling to forge an identity in the shadow of such heroic accomplishments not to mention her family s close relationship to the iconic Frank family Goldberg offers an unflinching look at the struggles faced by children and grandchildren whose own lives are haunted by historic tragedy Motherland is the culmination of a lifetime of reflection and a decade of research It is an epic story of survival adventure and new life A double memoir that braids her parents story with her own and succeeds in articulating a difficult truth The Economist **The New York Times Book Review** ,1966-10 **“The” Complete Works of Robert Browning: Prince Hohenstiel-Schwangau. flames burning between them **Scoundrel In My Dreams** Celeste Bradley,2010-09-28 Meet the third dashing lord who may or may not be the father of a three year old orphan in this stunning final installment of the Runaway Brides trilogy where one scandalous night can change everything Original The Publishers Weekly ,1966 The Complete Works of Robert Browning Robert Browning,2008 In the 1880s the aging Browning showed once again the remarkable versatility of his lyric and narrative talents Ranging across eras and cultures the books here reveal his late thoughts about history myth legend faith love and desire He had never been more popular and the founding of the Browning Society in 1881 expanded both his audience and his sense of his place in English letters The first title in Volume XV is Dramatic Idylls Second Series 1880 Taking his subjects from classical history colonial India Arabian legend medieval sorcery Jewish folk tales and Greek myth Browning startles the reader with the rapidity of his thought and the inventiveness of his art In Jocoseria 1883 Browning s subjects range across time and space from Hebraic legend to the England of the Romantics Such variety helped attract new readers Jocoseria was immediately successful and a second edition was printed in the same year as the first Although Browning s next volume Ferishtah s Fancies 1884 was so popular that three editions were printed in less than two years this artful string of anecdotes and lyrics has attracted little favorable criticism The materials Persian legends and Arabic backgrounds chimed with the wildly popular Orientalism of FitzGerald s Rub iy t Whistler s Peacock Room and Alma Tadema s paintings But the thought was pure Browning in his most optimistic vein and not at all in tune with the growing pessimism of the day As always in this series of critical editions a complete record of textual variants is provided as well as extensive explanatory notes Publisher s description **Hidden Games** Erez Yoeli,Moshe Hoffman,2022-04-05 Two MIT economists show how game theory the ultimate theory of rationality explains irrational behavior We like to think of ourselves as rational This idea is the foundation for classical economic analysis of human behavior including the awesome achievements of game theory But as behavioral economics shows most behavior doesn t seem rational at all which unfortunately to cast doubt on game theory s real world credibility In Hidden Games Moshe Hoffman and Erez Yoeli find a surprising middle ground between the hyperrationality of classical economics and the hyper irrationality of behavioral economics They call it hidden games Reviving game theory Hoffman and Yoeli use it to explain our most puzzling behavior from the mechanics of Stockholm syndrome and internalized misogyny to why we help strangers and have a sense of fairness Fun and powerfully insightful Hidden Games is an eye opening argument for using game theory to explain all the irrational things we think feel and do *Blind to Betrayal* Jennifer Freyd,Pamela Birrell,2013-02-14 One of the world s top experts on betrayal looks at why we often can t see it right in front of our faces If the cover up is worse than the crime blindness to betrayal can be worse than the betrayal itself Whether the betrayer is an unfaithful spouse an abusive authority figure an unfair boss or a corrupt institution we often refuse to see the truth order to protect ourselves This book explores the fascinating phenomenon of how and why we ignore or deny betrayal and what we can gain by transforming betrayal blindness into insight Explains the

psychological phenomenon of betrayal blindness in which we implicitly choose unawareness in order to avoid the risk of seeing treachery or injustice Based on the authors substantial original research and clinical experience carried out over the last decade as well as their own story of confronting betrayal Filled with fascinating case studies involving unfaithful spouses abusive authority figures and corrupt institutions to name a few In a remarkable collaboration of science and clinical perspectives Jennifer Freyd one of the world s top experts on betrayal and child abuse teams up with Pamela Birrell a psychotherapist and educator with 25 years of experience
