Haas, Margaret Wessling, 2018 This is a book about Edward Weston His early years in the field coincided exactly with the height of the Pictorialist movement in America and while he was never a typical practitioner he did make photographs that borrowed themes from paintings and other media and experimented with soft focused imagery that sometimes look more like graphite drawings or inky dark prints than photographs He would later disavow the gauzy painterly experiments of his early years Introducing rare surviving prints from the unplumbed holdings of the Lane Collection at the Museum of Fine Arts Boston this book offers new insights into Weston s working methods and his evolution as a photographer Beautifully reproduced examples of Weston s most important early work essays explaining their place in his oeuvre and a section dedicated to the variety of Weston s early materials and techniques make this book a must have resource Provided by publisher Edward Weston: 125 Photographs Edward Weston, 2016-07 Now releasing at a price affordable for every fan this hardcover book contains 125 of Weston s well known images and many lesser known gems Additionally a detailed introduction along with reproductions of many unseen photographs and ephemera help round out this ultimate tribute to a legendary photographer Printed on lush and heavy paper stock Edward Weston 125 Photographs is a necessary addition to any serious art library Its duotone reproductions are of the highest grade possible made from newly created digital scans direct from the master images within the vaults of the Edward Weston Archive at the Center for Creative Photography in Tucson Arizona *Portraits* Edward Weston, 1995 Weston seized the photographic moment through a shrewd and unusual technique by only pretending to shoot film for a period of time before actually taking the photograph and then flashing the lens cap without the subjects knowing he cleverly guided them beyond the pose even allowing his sitters to wander freely about the studio *Edward Weston* Brett Abbott, J.
