Effective Evangelistic Churches:

Effective Evangelistic Churches Thom S. Rainer, 1996-07-15 Based on a study of 576 churches that are above average in church growth Rainer presents a process in which church growth begins with winning people to Christ *Effective Evangelism* George Edgar Sweazey, 1953 Reaching Generation Next Lewis A. Drummond, 2002-10-01 Evangelism is at the core of Christianity It is a life and death matter both for the salvation of individuals and for the continuing growth of the church Although the message of the gospel never changes its means of communication must be continually modified to reflect the thought patterns and worldview of our changing culture Reaching Generation Next is the perfect guide on how to effectively proclaim the gospel in today's postmodern culture Both theological and practical it provides Christian leaders and laypeople with a basic understanding of the essential aspects of evangelism and with foundational guidelines on how to evangelize Veteran evangelist Lewis Drummond helps Christians understand how and why today's generation thinks the way it does and offers in capsule form sensible answers and convincing reasons for faith While providing a basic theology of evangelism and stressing the important role of leadership the book's primary theme is that every believer must become an evangelist Reaching Generation Next is a great resource for evangelism training classes Each chapter concludes with discussion questions Also included are sections on spiritual awakening movements evangelizing the disabled and surveys for churches and individuals **Fishing on the Asphalt** Herb Miller, 1983 A recognized leader in the field of practical evangelism shares experience tested ideas for helping your church grow *The Church On The Street* Bryan Caro, 2021-05-27 Evangelist Bryan Caro is the President and Founder of The Church on the Street Ministry La Iglesia en la Calle Inc He is happily married to Xiomara Portalatin and is the father of two beautiful children Bryan Jabdiel and Jaycob Joel He lives in the city of Isabela Puerto Rico Bryan Caro is a 33 year old evangelist who at his young age has reached significant influence in Puerto Rico and worldwide With his radical way that makes him unique and direct by taking the message of Jesus to the streets He has been able to reach millions of souls for Christ Connecting spiritual and social work The Evangelistic ministry is one of the most important and necessary ministries of all time I call it the backbone of the Church A church without effective evangelism is like a beach without waves meaningless Evangelism brings life and beauty to the Church of Christ One of the greatest enemies of evangelism is comfort and conformity It is a mistake to believe that we came to earth only to fill ourselves up inside the church without giving to others what we received from the Father As a church it is imperative to invest in people teach and update them with strategies for this season We can't work with this millennial generation as we did in the 1980s We have to be updated and wholesome without losing the essence of the kingdom and the footsteps of our Messiah That is why the main intention of this book is to be able to impart in you the passion the character and the necessary resources so that you can be effective in times of conflict **Evangelism Today** Scott Dawson, Scott Lenning, 2009-08-01 Although the message of the Gospel never changes our methods for communicating it need to adjust to

an ever changing audience Evangelism Today helps believers whether individually or in groups share their faith in a culturally relevant way This book draws on insights from dozens of evangelists church leaders and educators to reveal present and future trends of evangelism in America It explores whether evangelism is still needed and in what form what the local church s role should be and where the biggest evangelistic opportunities are emerging Readers in any occupation or stage of life will gain a renewed passion for spreading the message of the cross from this practical and straightforward book
