Effective Body Building C. Your Church Can Grow C. Peter Wagner, 2001-01-11 Is your church healthy and growing or stagnant and dying If your church is afflicted with remnant theology spiritual naval gazing pastoral timidity hyper cooperativism or terminal ethnikitis changes are it s already dying on the vine On the other hand if your church is growing it s probably ad healthy church Healthy churches like healthy people says the author exhibit certain vital signs Wagner has his own list of 7 signs that lead can be taken as leading to good health and gives many illustrations of churches that exhibit and or don t exhibit those signs Back cover

Pastoral Ministry according to Paul James W. Thompson, 2006-02-01 What is the ultimate purpose of pastoral ministry What emphases and priorities should take precedence In the day to day emphasis on various pastoral roles and pragmatic concerns what can sometimes get lost is the theological foundation for understanding pastoral ministry James Thompson is a New Testament scholar with a concern for relating biblical studies to practical ministry Here he does a careful study of several of Paul s epistles in order to see what Paul s vision and purpose were for his own ministry He finds that Paul s aim was an ethical transformation of the communities not just individuals with which he worked so that they would live lives worthy of the gospel until Christ s return Using this as a framework Thompson offers suggestions for practical application to contemporary ministry

Wrestling with Alligators, Prophets, and Theologians C. Peter Wagner, 2011-09-01 For the past half century C Peter Wagner has been at the leading edge of the key spiritual paradigm shifts that have been accompanied by major moves of the Holy Spirit In the 1960s the missionary movement in South America was at its peak and Dr Wagner was there In the 1970s he was a recognized authority in the church growth movement In the 1980s he taught a popular course at Fuller Seminary with Vineyard movement leader John Wimber that advocated praying healing for the sick spiritual mapping identificational repentance and spiritual warfare Dr Wagner coined the phrase Third Wave to describe this fresh move of the Holy Spirit the impact of which is still being felt today In the 1990s he became a leader of the New Apostolic Reformation and in the new millennium he has championed the Dominion Mandate adopting the Seven Mountain or 7M template for reclaiming the culture for God s kingdom For five decades Dr Wagner has led the church from one great move of God to the next riding the wave of the Spirit through changes he never imagined when he first answered God s call to ministry In Wrestling with Alligators Prophets and Theologians Wagner tells for the first time his personal story of ongoing transformation Readers will get a close up view of the seismic shifts in the church s recent history through the eyes of one of the only people to have seen it all unfold

Twelve Biblical Steps to a Successful

Marriage David S. Thompson, 2009-06 Marriage is one of the most satisfying and yet one of the most difficult relationships on earth God places a great importance on this relationship and gives very clear principles on how it is to be lived out in the daily life using the Word of God In Twelve Biblical Steps these Biblical principles will be carefully analyzed and clearly explained so that every Christian couple can grasp their significance and begin to carry them out in their marriages Some of these Biblical principles that are covered in this book are as follows Follow the instructions Building a spiritual network Becoming friends not just roommates Avoiding the triple threats Fight to unite not divide This book is not intended to cover all the challenges that married couples face It is not an in depth analysis of relationship issues It is not expected to answer all of the questions that couples may have as they learn to build a new home and a new family However it is a book that seeks to dig into God's Word and apply His truth to the marriage relationship The hope of this author is that the chapters that follow in this book will enable the husband and the wife to develop a marriage that is a success and so become examples for a new generation to follow Dr David S Thompson has pastored churches in Queens New York and in the Cayman Islands and in upstate New York He and his wife Judith have been married over 33 years and have raised five children He currently is the Professor of Bible and Missions at Trinity Baptist College El Ministerio Pastoral según el Apóstol Pablo James W. Thompson, 2021-06-25 Sin un trazo de desdén académico por la imposición de manos o de otras expresiones de la práctica del ministerio cristiano Thompson propone superar el abismo que con frecuencia separa la teología bíblica de la obra pastoral Como un respetado académico del Nuevo Testamento él se ubica dentro del mensaje bíblico y pregunta cómo puede ser implementado en un contexto pastoral moderno él no se queda en generalidades sino que en un profundo estudio de 1 Tesalonicenses Gálatas Romanos y las Cartas a los Corintios mantiene el estudio enfocado en la arena concreta tanto del texto como de la situación contemporánea M Eugene Boring Brite Divinity School En su espléndido y nuevo libro James Thompson convencido de que las cartas de Pablo son instrumentos pastorales las examina exegéticamente para descubrir la teología pastoral de Pablo él descubre un énfasis en la formación de la comunidad como la meta pastoral de Pablo el ministro participa en el propósito transformador de Dios el cual incluye una nueva visión tica El enfoque de Thompson en la comunidad es un grato balance al aplaudido énfasis contemporáneo en la auto realización individual y la atención dada a la participación de la congregación en el cuidado pastoral siendo la reciprocidad el concepto clave El libro es una importante contribución a los estudios paulinos así como a la teología pastoral Abraham J Malherbe Yale Divinity School El ambiente contemporáneo del ministerio pastoral se basa mucho en directrices prácticas y poco en sabiduría y propósito bíblico y teológico Previendo eso para Pablo el ministerio es un compañerismo con Dios relacionado con comunidades de fe en transformación James Thompson muestra cómo leer teológicamente y con una sensibilidad pastoral a Pablo y reconfigura las motivaciones enfoques y dimensiones del ministerio pastoral de hoy El resultado es una visión de la formación ministerial y congregacional que desafía e inspira Joel B Green Asbury Theological Seminary *Disciple Building: A Biblical Framework* Bob Dukes, 2019-12-03

Disciple Building A Biblical Framework provides a biblical strategy for helping Christians grow to maturity. Maturity is defined as becoming increasingly conformed to the likeness of Jesus Christ. Maturity is a process and it is progressive. As people obey the truths of Scripture they increase their understanding of God and His Kingdom. As this occurs God gradually changes the believers' conduct, belief systems, worldview, and ultimately their character. Maturity also produces an increased capacity for deepening our relationship with God and others with agape, sacrificial love as the ultimate outcome. The process of disciple building, teaching believers to obey all that Christ commanded, is central to His commission to the church and therefore a priority for Christian leaders. Worldwide Discipleship Association (WDA) has been part of a worldwide movement of building disciples for over 40 years. This book will give you an overview of the WDA philosophy of ministry and practical tools to begin to build disciples. This Updated Edition features Guided Discussions for use in training a leadership group. Dr Don Raunika offers hope for the single man or woman who is disillusioned with the modern dating scene. Bill Bright, Founder, Campus Crusade for Christ International. I feel like Choosing God's Best was written specifically for me. Few would argue that the current system of dating isn't in desperate need of reform. Dr Raunika goes even further with his radical biblical solution to the perils and pitfalls of dating. Thanks, Dr Raunika, for being a radical. Derek Webb, Singer, songwriter. I'm so glad to see a book addressing what I've called the dating mess. Choosing God's Best is straightforward and scriptural. I especially appreciated the explanation of the categories of dating, which are seldom understood. Elisabeth Elliot, Author and speaker. I wish this book had been around when I was dating. So much pain, so many missed opportunities, and so many mistakes could have been avoided if I had used these principles. Steve Arterburn, Founder and chairman, New Life Ministries.
