

Egg

I won't always be
in this shell, you know.
I've hatched a brilliant plan.

I'll push my way out
when the time is just right,
and see what sort of creature I am.

I bet I'll have fangs
and a long, slimy tail
that rattles when I get upset.

My three glowing eyes
will sit nicely beside
the horn growing out of my head.

I'll hang upside-down
dripping poisonous goo
from the tips of my eight, hairy legs.

I can't wait to see
just how scary I'll be
when I finally get out of this egg!

Pannebaker,2014-07-25 ONE OF THE most well known passages in the Bible and perhaps in all of literature is the thirteenth chapter of St Paul s first letter to the Corinthians often called the love chapter In it Paul extols the qualities of love and ends his writing by stating And these three abide faith hope and love These three virtues have guided me during my days on this earth A faith that draws me daily to admit my inadequacies and to ask for the grace to live a life worthy of His calling A hope that continuously compels me to be a stronger person a brighter light a better writer A deep and abiding love for God my family my friends I have tried to express these virtues in the poems I share with you here The majority of my poems do not rhyme Instead I like to build a rhythm in my writing by how I break each line in a verse so that your eye is constantly yearning for the next word For something different I have included two examples escape and Lovers and Other Strangers of concrete poetry a form developed in the 1950s in which the physical shape of the words on the page adds as much meaning to the poem as the words themselves And with a nod to my Bachelor s degree in Russian I also give you with its translation on the following page I recently took one of those online quizzes about what type of writer are you My results said that You write because you feel a deeper calling to the work and because you want to explore the soul element of life You re not shy of adding a moral to the story and most want to reach readers who will understand your unique view on life Writing is more than just putting words on paper for you it is a written prayer And to that I can say only Amen **Scrambled Egg** Sara Megan Kay,2011-09 A collection of personal poems by an Oregon Coast writer [Poems for Building Reading Skills Level 1](#) Timothy Rasinski,Karen McGuigan Brothers,2010-03-15 Enchant and motivate beginning readers with poetry that is fun to read and perform Coauthored by fluency expert Timothy Rasinski this creative resource for grade 1 students encourages fluency and word study through playful original content that will engage both reluctant and skilled readers The easy to use standards based lessons and purposeful activity pages address key literacy skills Each book also includes an Audio CD that can be used to support fluency and comprehension **The Jelley Cupboard - Poems about Life, Death and Other Sticky Stuff** Dawn Jelley,2007-09-03 This poetry collection delves into three areas firstly Life about vacations English roots and new love secondly Death inspired from many years as a hospice nurse and lastly Sticky Stuff poems about relationships communication and things from the dark corners of the cupboard Dawn has a unique ability to vividly capture situations and experiences into poetry that is reachable by all Ranging from the harsh reality of death to the whimsical light hearted there is indeed something here for everyone This book also has a chapter that will take you through the process and inspire you to write your own poems [The Third School Year](#) Ellen Reiff,1906 [Post-Classical Greek Elegy and Lyric Poetry](#) Robin Greene,2021-07-19 In this volume Robin J Greene traces the development of Greek elegy and lyric in the hands of Hellenistic and Roman era poets from literary superstars such as Callimachus and Theocritus to more obscure often anonymous authors Designed as a guide for advanced students and scholars working in adjacent fields this volume introduces and explores the diverse body of surviving later Greek elegy and lyric contextualizes it within Hellenistic and Roman culture and politics and
