Foreigners and Egyptians in the Late Egyptian Stories Camilla Di Biase-Dyson, 2013-06-17 In *Foreigners and Egyptians in the Late Egyptian Stories* Camilla Di Biase Dyson applies systemic functional linguistics literary theory and New Historicist approaches to four of the Late Egyptian Stories and shows how language was exploited to establish the narrative roles of literary protagonists The analysis reveals the shifting power dynamics between the Doomed Prince and his foreign wife and the parody in the depiction of the Hyksos ruler Apophis and his Theban counterpart Seqenenre It also sheds light on the weight of history in the sketch of the Rebel of Joppa and the general Djehuty and explains the interplay of social expectations in the encounters between the envoy Wenamun and the Levantine princes with whom he seeks to trade Overall Di Biase Dyson's monograph is an original interdisciplinary examination of an exciting corpus of ancient literary texts

Zora Neale Hurston is a controversial figure equally praised and criticized for her representation of African Americans while some critics emphasize her ebullience and celebration of Black culture others call her fiction stereotypical and essentialist Observing the workings of the recurrent humor in her works helps explode this critical binary opposition Specifically the

carnavalesque and the heteroglossia often subvert essentialist notions of Black identity Jonah's Gourd Vine's protagonist the preacher womanizer John Pearson can be seen as an African rather than an African American trickster figure i.e. as a mobile character whose liminality helps him fight essentialist definitions imposed on him by both the white establishment and his own community Janie's romantic search for self fulfillment in *Their Eyes Were Watching God* is undermined by the humor and the carnival which emphasize her shifting and multiply defined identity Finally the African Americanized story of Moses and the Hebrews shows the conflicts involved in their search for a unified national and cultural identity In these three novels Hurston appears as a subversive presence whose manipulation of humor underscores a complex political vision
