The Egyptian Heritage Mark Lehner, Edgar Cayce, 1974      *The Message of the Sphinx* Graham Hancock, Robert Bauval, 2009-06-10 NATIONAL BESTSELLER Two Egypt experts posit a revolutionary theory The Sphinx and other great Egyptian monuments are older than common history books tell us and are arranged in such a way as to send us a message from the silent past Graham Hancock is featured in Ancient Apocalypse a Netflix original docuseries Guardian of the ancient mysteries the keeper of secrets For thousands of years the Great Sphinx of Egypt has gazed toward the east its eyes focused on eternity reading a message in the stars that mankind has long forgotten And today as our civilization stands poised at the end of a great cycle it is a message that beckons insistently to be understood All the clues are in place Geology and archeo astronomy have already indicated that the lion bodied Sphinx may be vastly older than Egyptologists currently believe dating not from 2500 B C but from 10 500 B C the beginning of the astrological Age of Leo And we now know that the three pyramids of Giza standing on high ground half a mile to the west of the Sphinx are in fact a precise map of the three stars of Orion s belt formed in fifteen million tons of solid stone Are these monuments trying to tell us something And if so what In *The Message of the Sphinx* Robert Bauval and Graham Hancock present a tour de force of historical and scientific detective work that unravels the millennial code embodied in these structures Using sophisticated computer simulations of ancient skies they unravel the riddle of the Sphinx and they present a startling new theory concerning the enigmatic Pyramid Texts and other archaic Egyptian scriptures Their discoveries lead the authors to this question Does mankind have a rendezvous with destiny a rendezvous not in the future but in the distant past at a precise place and time The secrets can be kept no longer *The Message of the Sphinx* brings them to light      **Edgar Cayce in Context** K. Paul Johnson, 2016-03-22 Edgar Cayce widely acclaimed clairvoyant and forerunner of the holistic health movement is revealed here as a pivotal figure in the transition from the esoteric and metaphysical movements of the late nineteenth century to the New Age movement This book describes and evaluates his psychic readings more than 14 000 trance discourses that address medical theological historical and psychological concerns raised by thousands of inquirers The author evaluates evidence for and against Cayce s reliability in the subject areas emphasized by the readings Cayce s medical and psychological advice is shown to be well ahead of his time in many respects and his spiritual teachings are appraised as a reconciliation of Protestant mysticism with New Thought and Theosophy Although the medical readings provide intriguing evidence for Cayce s ESP his clairvoyant time travel illustrates the fallibility of information derived through hypnotic trance The author contends that the contents of the readings reflect the knowledge and interests of their recipients as much as Cayce s personal opinions and beliefs This is the first book to focus solely on appraising the entire body of the Cayce readings from a scholarly perspective      **Ancient Egypt and Modern Psychotherapy** Todd Hayen, 2016-12-19 In *Ancient Egypt and Modern Psychotherapy* Todd Hayen explores what the spiritual concepts of the enigmatic ancient Egyptians can teach us about our own modern psyches and the pursuit of a

meaningful life Hayen examines the ancient Egyptians possession of a concept contemporary academics have labeled consciousness of the heart an innate knowledge of the entirety of the universe While all human beings possess this consciousness of the heart our modern culture has largely lost the ability to tap into this inborn knowledge By examining the material accomplishments of ancient Egypt and how their seemingly deeper awareness of their inner world created a harmonious outer world we can begin to understand how modern psychotherapy through a Jungian perspective could be instrumental in achieving a more profound and meaningful personal experience of life Ancient Egypt and Modern Psychotherapy will be insightful reading for analytical psychologists in practice and in training Jungian psychotherapists and psychologists and academics and students of Jungian and post Jungian studies and ancient spirituality Pyramid Prophecies Max Toth,1988-03 The author of Pyramid Power reveals prophetic evidence concealed for centuries within the Great Pyramid of Giza and compares it with the prophecies of Edgar Cayce and Nostradamus *The Stargate Conspiracy* Lynn Picknett,2001-09-01 In recent years alternative historians have gained remarkable insight into the mysteries of ancient Egypt but according to Lynn Picknett and Clive Prince their discoveries tie into a dangerous conspiracy nearly fifty years in the making At the center of this conspiracy is a group of respected powerful individuals who believe that the ancient Egyptian gods are really extraterrestrials who will soon return to earth The conspirators have intimate and exclusive knowledge of this momentous second coming but they insist on keeping it to themselves What could be the purpose of such a conspiracy Why are the conspirators so desperate to keep their information a secret And what does it mean for mankind In this riveting well researched book Picknett and Price offer compelling evidence that the conspiracy exists and expose the insidious motivations of the individuals and organizations behind it **From the Ashes of Angels** Andrew Collins,2001-09-01 Provides convincing evidence that angels demons and fallen angels were flesh and blood members of a giant race predating humanity spoken of in the Bible as the Nephilim Indicates that the earthly paradise of Eden was a realm in the mountains of Kurdistan By the author of Gateway to Atlantis Our mythology describes how beings of great beauty and intelligence who served as messengers of gods fell from grace through pride These angels also known as Watchers are spoken of in the Bible and other religious texts as lusting after human women who lay with them and gave birth to giant offspring called the Nephilim These religious sources also record how these beings revealed forbidden arts and sciences to humanity transgressions that led to their destruction in the Great Flood Andrew Collins reveals that these angels demons and fallen angels were flesh and blood members of a race predating our own He offers evidence that they lived in Egypt prior to the ancient Egyptians where they built the Sphinx and other megalithic monuments before leaving the region for what is now eastern Turkey following the cataclysms that accompanied the last Ice Age Here they lived in isolation before gradually establishing contact with the developing human societies of the Mesopotamian plains below Humanity regarded these angels described as tall white haired beings with viperlike faces and burning eyes as gods and their realm the paradise wherein

grew the tree of knowledge Andrew Collins demonstrates how the legends behind the fall of the Watchers echo the faded memory of actual historical events and that the legacy they have left humanity is one we can afford to ignore only at our own peril

*Origins of the Sphinx* Robert M. Schoch, Robert Bauval, 2017-03-16 New research and evidence that the Sphinx is thousands of years older than previously thought Contrasts what Egyptologists claim about the Sphinx with historical accounts and new research including reanalysis of seismic studies and updates to Schoch's water weathering research and Bauval's Orion Correlation Theory Examines how the Sphinx is contemporaneous with Gbekli Tepe aligned with the constellation Leo and was recarved during the Old Kingdom era of Egypt Reveals that the Sphinx was built during the actual historical Golden Age of ancient Egypt the period known in legend as Zep Tepi No other monument in the world evokes mystery like the Great Sphinx of Giza It has survived the harsh climate of Egypt for thousands of years and will remain long after our own civilization is gone According to orthodox Egyptology the Sphinx was built around 2500 BCE as a memorial to the pharaoh Khafre Yet this fact has scant to no supportive evidence When was the Sphinx really built and most importantly why In this provocative collaboration from two Egyptology outsiders Robert M Schoch Ph D and Robert Bauval combine their decades of research to show how the Sphinx is thousands of years older than the conventional Egyptological timeline and was built by a long forgotten pre Pharaonic civilization They examine the known history of the Sphinx contrasting what Egyptologists claim with prominent historical accounts and new research including updates to Schoch's geological water weathering research and reanalysis of seismic studies Building on Bauval's Orion Correlation Theory they investigate the archaeoastronomical alignments of the monuments of the Giza Plateau and reveal how the pyramids and Sphinx were built to align with the constellations of Orion and Leo Analyzing the evidence for a significantly older construction phase at Giza and the restoration and recarving of the Sphinx during the Old Kingdom era they assert that the Sphinx was first built by an advanced pre Pharaonic civilization that existed circa 12 000 years ago on the Giza Plateau contemporaneous with the sophisticated Gbekli Tepe complex The authors examine how the monuments at Giza memorialize Zep Tepi the Golden Age of legend shown here to be an actual historical time period from roughly 10 500 BCE through 9700 BCE Moving us closer to an understanding of the true age and purpose of the Great Sphinx Schoch and Bauval provide evidence of an early high civilization witnessed by the Great Sphinx before the end of the last ice age

**The Sphinx Mystery** Robert Temple, 2009-01-20 A book that verifies the existence of secret underground chambers beneath the Sphinx and demonstrates its origins as the Egyptian god of the dead Anubis Includes an anthology of eyewitness accounts from early travelers who explored the secret chambers before they were sealed in 1926 Reveals that the Sphinx was originally carved as a monumental crouching Anubis the Egyptian jackal god of the necropolis Shrouded in mystery for centuries the Sphinx of Giza has frustrated many who have attempted to discover its original purpose Accounts exist of the Sphinx as an oracle as a king's burial chamber and as a temple for initiation into the Hermetic Mysteries Egyptologists have argued for decades about

whether there are secret chambers underneath the Sphinx why the head to body ratio is out of proportion and whose face adorns it In *The Sphinx Mystery* Robert Temple addresses the many mysteries of the Sphinx He presents eyewitness accounts published over a period of 281 years of people who saw the secret chambers and even went inside them before they were sealed in 1926 accounts that had been forgotten until the author rediscovered them He also describes his own exploration of a tunnel at the rear of the Sphinx perhaps used for obtaining sacred divinatory dreams Robert Temple reveals that the Sphinx was originally a monumental Anubis the Egyptian jackal god and that its face is that of a Middle Kingdom Pharaoh Amenemhet II which was a later re carving In addition he provides photographic evidence of ancient sluice gate traces to demonstrate that during the Old Kingdom the Sphinx as Anubis sat surrounded by a moat filled with water called Jackal Lake in the ancient Pyramid Texts where religious ceremonies were held He also provides evidence that the exact size and position of the Sphinx were geometrically determined in relation to the pyramids of Cheops and Chephren and that it was part of a pharaonic resurrection cult

John E. Fetzer and the Quest for the New Age Brian C. Wilson, 2018-08-06 John E Fetzer and the Quest for the New Age is the remarkable story of the spiritual search of one of Michigan's most successful entrepreneurs a search that culminated in the Fetzer Institute whose ambitious mission is nothing less than the spiritual transformation of the world John E Fetzer and the Quest for the New Age follows the spiritual sojourn of John E Fetzer a Michigan business tycoon Born in 1901 and living most of his life in Kalamazoo Fetzer parlayed his first radio station into extensive holdings in broadcasting and other enterprises leading to his sole ownership of the Detroit Tigers in 1961 By the time he died in 1991 Fetzer had been listed in *Forbes* magazine as one of the four hundred wealthiest people in America And yet business success was never enough for Fetzer his deep spiritual yearnings led him from the Christianity of his youth to a restless exploration of metaphysical religions and movements ranging from Spiritualism Theosophy Freemasonry UFOology and parapsychology all the way to the New Age as it blossomed in the 1980s Author Brian C Wilson demonstrates how Fetzer's quest mirrored those of thousands of Americans who sought new ways of thinking and being in the ever changing spiritual movements of the twentieth century Over his lifetime Fetzer's worldview continuously evolved combining and recombining elements from dozens of traditions in a process he called freedom of the spirit Unlike most others who engaged in a similar process Fetzer's synthesis can be documented step by step using extensive archival materials providing readers with a remarkably rich and detailed roadmap through metaphysical America The book also documents how Fetzer's wealth allowed him to institutionalize his spiritual vision into a thriving foundation the Fetzer Institute which was designed to carry his insights into the future in hopes that it would help catalyze a global spiritual transformation John E Fetzer and the Quest for the New Age offers a window into the rich and complex history of metaphysical religions in the Midwest and the United States at large It will be read with interest by those wishing to learn more about this enigmatic Michigan figure as well as those looking for an engaging introduction into America's rapidly shifting spiritual landscape

*Atlantis of the West* Paul Dunbavin, 2003-01-01

In 1995 the author first published his theory that Plato's Atlantis myth remembers the submergence of a Neolithic civilisation around the shores of the British Isles. He argues that this cataclysm resulted from a change in the Earth's axis consequent upon a comet impact around 3100 BC. The Middle Neolithic period around 5 000 years ago was a time of dramatic climate and sea level changes all around the world. Welsh legends remember lost cities beneath the Irish Sea and Irish myths recall an otherworld, a golden age when the eastern Irish Sea was a flowery plain inhabited by a golden haired race of men. The author argues that Plato's Atlantis is the same place that is remembered in these Celtic myths and in Ancient Egyptian and Greek myths of an underworld known as the Elysian Fields. Bringing together modern scientific evidence and a pattern of ancient myths, the author presents a multidisciplinary case for Atlantis as just one among many views of the submerged Neolithic civilisation of the Megalith Builders.

**Atlantis of the West** is an updated second edition of *The Atlantis Researches* with an appendix of further evidences and extended notes and extensive bibliography. [Forgotten Civilization](#) Robert M. Schoch, 2021-03-02. Updated throughout with recent developments and additional illustrations. Reveals how solar outbursts caused the end of the last ice age, unleashed catastrophe upon ancient advanced civilizations and led to six millennia of a Solar Induced Dark Age. Includes evidence from solar science, geology, oceanic circulation patterns, the Sphinx, the underground cities of Cappadocia, the Easter Island rongorongo glyphs and the Gbekli Tepe complex in Turkey. In this newly revised and expanded edition, updated throughout with recent developments, geologist Robert Schoch builds upon his revolutionary theory that the origins of the Sphinx date back much further than 2500 BCE and examines scientific evidence of the catastrophe that destroyed early high culture nearly 12 000 years ago. Combining evidence from multiple scientific disciplines, Schoch makes the case that the abrupt end of the last ice age circa 9700 BCE was due to an agitated Sun. Solar outbursts unleashed electrical plasma discharges upon Earth, triggering dramatic climate change as well as increased earthquake and volcanic activity, fires, high radiation levels and massive floods. Schoch explains how these events impacted the civilizations of the time, set humanity back thousands of years and led to six millennia of a Solar Induced Dark Age (SIDA). Applying the SIDA framework to ancient history, he explores how many megalithic monuments, petroglyphs, indigenous traditions and legends fall logically into place, including the underground cities of Cappadocia, the Easter Island rongorongo glyphs and the Gbekli Tepe complex in Turkey. He also reveals that our Sun is a much more unstable star than previously believed, suggesting that history could repeat itself with a solar outburst powerful enough to devastate modern society. Weaving together a new view of the origins and antiquity of civilization and the dynamics of the planet we live on, Schoch maintains we must heed the megalithic warning of the past and collectively prepare for future events.

**Pyramid Quest** Robert M. Schoch, Robert Aquinas McNally, 2005-06-02. The Egyptologist acclaimed for re-dating the Great Sphinx at Giza sets his sights on one of the true mysteries of antiquity: the Great Pyramid of Giza. What is the Great Pyramid of Giza? Ask that basic question of a traditional Egyptologist and you get the basic traditional answer: a fancy tombstone for a self-important

pharaoh of the Old Kingdom This Egyptologists argue is the sole finding based on the data and the only deduction supported by science By implication anyone who dissents from this point of view is unscientific and woolly minded a believer in magic and ghosts Indeed some of the unconventional ideas about the Great Pyramid do have a spectacularly fabulous ring to them Yet from beneath the obvious terms of this controversy a deeper more significant question arises how is it that the Great Pyramid exercises such a gripping hold on the human psyche adding cryptic grace to the back of the one dollar bill and framing myriad claims of New Age pyramid power In Pyramid Quest Robert M Schoch and Robert Aquinas McNally use the rigorous intellectual analysis of scientific inquiry to investigate what we know about the Great Pyramid and develop a stunning hypothesis This ancient monument is the strongest proof yet that civilization began thousands of years earlier than is generally thought extending far back into a little known time In tracing that story we come to understand not only the Great Pyramid but also our own origins as civilized beings Of Stones and Man Jean Kerisel,2022-09-16 Of Stones and Man explores the many errors of judgement made by civilizations both ancient and modern across the world Arrogance and a penchant for excess drove mankind to build ever greater and more ambitious edifices The author analyzes these works from a scientific and historically sensitive perspective highlighting the hydro geological background to repeated infamous disasters from the faults inherent in the Sphinx to the leaning Tower of Pisa Beautifully illustrated throughout Of Stones and Man is a testament to the impermanence of our surroundings It questions how the earth and its resources have borne the cumulative burden placed upon it over the ages by one civilization after another and how in turn the earth has exacted its inevitable revenge on the great constructions of our ancestors Of Stones and Man is the final work of Jean Kerisel 1908 2005 who served as President of the International Society for Soil Mechanics and Foundation Engineering from 1973 to 1977 and who worked worldwide as a consultant on many ambitious engineering projects Driven by his great passion for Ancient Builders and Egyptology Kerisel here extends his professional knowledge into the realms of historical architecture **Gods of Eden** Andrew Collins,2002-04-01 A groundbreaking historical documentation of the secret history of pre Pharonic Egypt and the race of angels that built it By the author of From the Ashes of Angels and Gateway to Atlantis more than 30 000 copies sold in the United Kingdom Unlocks the secrets of how the Great Pyramids and the Sphinx were built Explains the traces left by the race of Elder gods that founded ancient Egypt through ancient texts of the Hall of Records Proves the foundations of ancient astronomy 10 000 years ago Hidden deep below Egypt s Giza plateau is perhaps the key to unlocking the mysteries of the Great Pyramid one of the seven wonders of the world Built using a technology unequaled even today the ancient Egyptians claimed they inherited their advanced culture from a race of Elder gods who lived during a previous age known as Zep Tepi the First Time In his earlier companion book From the Ashes of Angels renowned historical writer Andrew Collins provided historical and scientific evidence showing how these Elder gods who were the flesh and blood members of a race of fallen angels founded ancient Egypt Now in Gods of Eden he describes the remarkable achievements of their culture

Assembling clues from archaeology mythology and religion Collins shows us how this great society mastered acoustic technology and employed the use of sound to raise heavy objects into the air and pierce holes through solid rock It was with this technology that they were able to construct gigantic structures that have marveled adventurers and archaeologists worldwide With findings based on more than 20 years of research and scholarship Collins reveals the fascinating historical destiny of this culture of fallen angels and the imprints and legacies they left behind at the genesis of civilization
