

Effective Supervision

1 When supervision is based on mutual trust and respect.

2 Supervisees are offered a choice of supervisor to secure a good match on a personal level, an expertise match and to meet cultural needs.

3 Both supervisors and supervisees have a shared understanding of the purpose of the supervisory sessions.

4 Supervision focuses on sharing and enhancing knowledge and skills to support professional development and improving service delivery.

5 Supervision is regular and based on the needs of the individual, and ad hoc supervision is provided in cases of need.

6 Supervisory models are based on the needs of the individual, such as one-to-one, group, internal or external or distance.

7 The employer creates protected time, supervisor training and private space to facilitate the supervisory session.

8 Training and feedback is provided for supervisors.

9 Supervision is delivered using a flexible timetable, to ensure all staff have access to sessions, regardless of working patterns.

10 Different types of supervision, including practice, professional and managerial supervision is delivered by different supervisors, or by those who are trained to manage the overlapping responsibility as both line manager and supervisor.

Effective Management of Mental Illness Without Widening Recidivism in Contemporary Correctional Setting

Stephen B. Oladipo PhD, 2022-07-27 Effective management of Mental Illness without widening recidivism in contemporary correctional setting is an analysis of interactionism and structuralism in contextual understanding of human behavior Criminogenic in social system and justice concept towards trapping the rate of Recidivism in the deployment of full mental illness treatment programming within correctional Institutions It is a review of judicial disposition deepening into how and where such verdicts regress the main concept of corrections The book accentuates the compelling changes and setting re modification within Illinois Department of Corrections as a result of Raso vs Baldwin ruling These transfixing adjustments to practice and procedures herald the perspiration in the text regarding the likely impact of considerable deviation from correctional fundamentals with soaring concern for recidivism The book equally highlights areas of challenges in program implementation Its review on historical concept of criminal justice delves into the epochs of social theories and philosophical postulations with a view to juxtapose changes to modern correctional practices and the underlying reflections on present day societies The Book equally pushes for a reform potent recommendation called Deinstitutionalization of imprisonment and or offenders treatment

Supervision Skills Neil Thompson, Peter Gilbert, 2011 Getting the best out of an office staff comes from the skill and commitment of the supervisor An effective supervisor is able to create win win situations where everybody is happy the employees fulfill their potential the employers get the best return on their investment and people who use the organization s services benefit from the quality of the staff member s practice This important manual in the Learning for Practice series shows that supervision is not simply a matter of making sure that employees are doing their job properly It also involves helping staff achieve the best quality of work that they are capable of by maximizing learning promoting high levels of well being and addressing any conflicts tensions or obstacles to optimal practice This clear and well written resource provides background information about the role and significance of supervision as well as learning exercises carefully designed to promote professional development Effective supervision is an important foundation of good practice and this manual provides a sound foundation for helping supervisors develop the skills they need to do their job to the best of their ability

Becoming an Effective Supervisor Jane Campbell, 2013-08-21 A practical hands on workbook Becoming an Effective Supervisor neatly fills the gap in supervision resources available to mental health practitioners The workbook is designed to help clinical counselors and therapists create effective supervision programs of their own and to address the

individual needs of their students The leading contemporary models of supervision are discussed as well as the necessary components of a successful supervision curriculum A framework is then provided for counselors and therapists to develop a personalized and highly effective supervisory style to implement with their own students The unique exploration exercises in each chapter allow readers to actively integrate the information provided and to apply these lessons and skills to their own supervisory experiences Students too will benefit from her concise examination of the theories applications and goals of the supervision process Along with a discussion of the ethical legal and multicultural issues faced by clinical supervisors practical analyses and applications ensure that this book will be a valued addition to any clinical counseling or therapy library

Beyond the Risk Paradigm in Criminal Justice Chris Trotter, Gill McIvor, Fergus McNeill, 2017-09-16 The risk assessment process the interventions and treatment commenced as a result of it and the theory behind it are central to the administration of criminal justice programmes around the world Most youth and adult corrections departments routinely conduct risk assessments which are then used to inform the nature and intensity of subsequent criminal justice interventions In this unique and important text a team of the world's leading researchers in the field of criminal justice come together to provide a critique of this risk paradigm and to provide practical guidance for professionals students and academics on how to move to a more effective way of working with offenders Divided into three sections the book provides coverage of topics such as The development of risk assessment in criminal justice practice and its advantages and disadvantages The significance of risk factor research in understanding and explaining juvenile delinquency as well as the problems it creates The argument that the risk paradigm fails to accommodate diversity further disadvantaging women ethnic minorities and other marginalized groups The various ways in which real or imagined risk posed by offenders has been regulated under the risk paradigm the powerful influence of media reporting and ways of moving beyond risk to support successful reintegration of offenders Ways forward for criminal justice interventions that do not rely on risk but focus rather on the vitally important aspects of social context relationships and motivation With strong links between theory and practice *Beyond the Risk Paradigm in Criminal Justice* provides a fresh new direction for criminal justice work

Understanding Family Support John Pinkerton, Pat Dolan, John Canavan, 2016-04-21 *Understanding Family Support* provides a definition of family support and a clear perspective on the role that it has in promoting the welfare of children and their families Family support is a concept that has been used in a range of ways to describe various aspects of child welfare policy and practice The authors argue that this weakens family support as an overarching child welfare paradigm They present a unifying definition of family support along with ten principles and a series of reflective practice questions applicable to legislation and policy organisation management and planning direct work with children and families and research and evaluation This is an important resource for any professional engaged in policy development service design delivering or evaluation of family support including social workers residential care staff community development workers teachers community police human services managers
