Retreating Visions

Nicholas Ellison

Egalitarian Thought And Labour Politics

Christopher Pierson, Francis G. Castles

Egalitarian Thought And Labour Politics:

Egalitarian Thought and Labour Politics Nick Ellison, 2002-11 Nick Ellison argues that the concept of equity is the cornerstone of the British socialist tradition examining the alternative understandings that have divided the Labour party since 1930 and considering contemporary attitudes

Egalitarian Thought and Labour Politics Nicholas Ellison, 1994 In *Egalitarian Thought and Labour Politics* Nicholas Ellison argues that the concept of equality is the cornerstone of the British socialist tradition and the organizing principle of the Labour Party's socialist thought. The book examines the alternative understandings of equality which have divided the Labour Party since 1930 tracing the origin of the current shift away from concern for social and economic equality to an increasing emphasis on liberty and equal effective freedom. Dr Ellison identifies three competing approaches to equality each rooted in a particular tradition of thought and a distinct faction of the party and he examines the struggle between these divergent ideologies in the party's attempt to define its socialist ideals. The book is also concerned with contemporary attitudes to equality within the Labour Party discussing the importance of the concept to debates about citizenship and market socialism

A History of the British Labour Party Andrew Thorpe, 2017-09-16 After 13 years in power Labour suddenly returned to being the party of opposition in 2010. This new edition of *A History of the British Labour Party* brings us up to date examining Gordon Brown's period in office and the Labour Party under the leadership of Ed Miliband. Andrew Thorpe's study has been the leading single volume text on the Labour Party since its first edition in 1997 and has now been thoroughly revised throughout to include new approaches. This new edition covers the entirety of the party's history from 1900 to 2014. Examines the reasons for the party's formation and its aims. Analyses the party's successes and failures including its rise to second party status and remarkable recovery from its problems in the 1980s. Discusses the main events and personalities of the Labour Party such as MacDonald, Attlee, Wilson, Blair and Brown. With his approachable style and authoritative manner Thorpe has created essential reading for students of political history and anyone wishing to familiarise themselves with the history and development of one of Britain's major political parties

The Political Culture of the Left in Affluent Britain, 1951-64 L. Black, 2002-12-11 Exploring relationships between politics, the people and social change, this book assesses the fortunes mainly of Labour but also of the Communist Party and the New Left in postwar Britain. Using concepts like political culture it looks at the left's articulation of affluence, consumerism, youth culture, America, TV advertising and its disappointment at the people under the impact of such changes. It also examines party organization, socialist thinking and the use of new communication techniques like TV advertising and opinion polling

Political Ideas in Modern Britain Rodney Barker, 1997 The rise of the New Right and the collapse of state communism in 1989 has fundamentally changed political thinking in the late twentieth century. Rodney Barker has revised and extended his classic text *Political Ideas in Modern Britain* in the light of these changes. His accessible account of political thinking in Britain since the 1880s now includes detailed analysis of the demise of traditional conservatism and

socialism the rise and decline of the New Right the growth of feminism liberalism and pluralism Political Ideas in Modern Britain charts the changing intellectual landscape of political thinking illustrating how contemporary political thought is both rooted in tradition and a radical transformation of it Whether the future is liberal communitarian pluralist or simply uncertain this is an essential guide for students of British politics Rodney Barker is Senior Lecturer in Government at the London School of Economics and Political Science

Psychological Socialism Jeremy Nuttall, 2006 To Labour's first Prime Minister Ramsay MacDonald socialism meant not only satisfactory figures of death rates and improved houses but also the mental cleanliness the moral robustness of our people This book explores the neglected theme of individual character and mental qualities in British social democratic thought and Labour Party history How important was it for the centre left that citizens be good people What was the relationship between socialism and psychology in the 1930s Did Labour's technocratic statist socialism of the 1950s and 1960s downgrade moral and mental progress Why was the party often more concerned to produce a rationally planned economy that rational independent minded citizens Does New Labour represent a sidelining of ethical socialism or a re birth of the pre war left's belief in improvement through education and self control

Ibss: Political Science: 1994 British Library of Political and Economic Science at the London School of Economics, 1995-12-08 The IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences

Britain in Europe John Milfull, 2018-12-14 First published in 1999 this text addresses the question of Britain's role in Europe from a range of disciplinary perspectives including history politics sociology and cultural studies

Labour's First Century Duncan Tanner, Pat Thane, Nick Tiratsoo, 2000-09-11 The Labour Party's centenary is an appropriate moment to evaluate its performance across the twentieth century and to reflect on why a party which has so many achievements to its credit nonetheless spent so much of the period in opposition Duncan Tanner Pat Thane and Nick Tiratsoo have assembled a team of acknowledged experts who cover a wide range of key issues from economic policy to gender The editors also provide a lucid accessible introduction Labour's First Century covers the most important areas of party policy and practice always placing these in a broader context Taken together these essays challenge those who minimize the party's contribution whilst they also explain why mistakes and weaknesses have occurred Everyone interested in British political history whether supporters or opponents of the Labour Party will need to read Labour's First Century

The Postwar Moment Isser Woloch, 2019-01-22 An incisive comparative study of the development of Post World War II progressive politics in Britain France and the United States Toward the end of World War II the three democracies faced a common choice return to the civic order of prewar normalcy or embark instead on a path of progressive transformation In this ambitious and original work Isser Woloch assesses the progressive agendas that crystallized in each of the allied democracies their roots in the interwar decades their development during wartime the struggles to enact them in the early postwar years and the mixed outcomes in each country

The Postwar Moment examines three progressive postwar manifestos that reveal a common agenda in the three nations. The issues at stake included priorities for reconstruction or reconversion, full employment via economic planning, price controls, the roles of trade unions, expansion of social security, national health care, public housing, and educational reform. A highly regarded scholar of European history, Woloch persuasively adds the United States to a discussion that is usually focused solely on Europe.

The Oxford Handbook of Modern British Political History, 1800-2000 David Brown, Robert Crowcroft, Gordon Pentland, 2018-03-29. The two centuries after 1800 witnessed a series of sweeping changes in the way in which Britain was governed: the duties of the state and its role in the wider world. Powerful processes from the development of democracy, the changing nature of the social contract, war and economic dislocation have challenged and at times threatened to overwhelm both governors and governed. Such shifts have also presented challenges to the historians who have researched and written about Britain's past politics. This Handbook shows the ways in which political historians have responded to these challenges, providing a snapshot of a field which has long been at the forefront of conceptual and methodological innovation within historical studies. It comprises thirty-three thematic essays by leading and emerging scholars in the field. Collectively, these essays assess and rethink the nature of modern British political history itself and suggest avenues and questions for future research. The Oxford Handbook of Modern British Political History thus provides a unique resource for those who wish to understand Britain's political past and a thought-provoking long view for those interested in current political challenges.

Ethical Socialism and the Trade Unions John Kelly, 2010-06-26. Allan Flanders was one of the leading British industrial relations academics and his ideas exerted a major influence on government labor policy in the 1960s and 1970s. But as well as being an Oxford academic with a strong interest in theory and labor reform, he was also a lifelong political activist. Originally trained in German revolutionary ethical socialism in the early 1930s, he was the founder and joint editor of *Socialist Commentary*, the leading outlet for revisionist social democratic thinking in Britain in the 1950s and 1960s. He was also the leading figure in the influential 1950s think tank *Socialist Union* and played a key part in the bitter factional struggles inside the Labour Party. The main argument of the book is that Flanders' ethical socialist ideas constituted both his strength and his weakness. Their rigor, clarity, and sweep enabled him to exert a major influence over government attempts to negotiate labor reforms with the trade unions. Yet he proved unable to explain the failure of the reforms amidst rising levels of industrial conflict, as his intellectual rigor turned into ideological rigidity. The failure of negotiated reform led to Margaret Thatcher's neo-liberal assault on trade union power in the 1980s.

The Welfare State Reader Christopher Pierson, Francis G. Castles, 2006-11-28. Includes 20 selections reflecting the thinking and research in welfare state studies; these readings are organized around a series of debates on welfare regimes, globalization, Europeanization, demographic change, and political challenges.

The Contemporary History Handbook Brian Brivati, Julia Buxton, Anthony Seldon, 1996. This guide should be useful to those studying and researching modern history.

International and up to date it covers sources and controversies in the subject area and includes a section of useful addresses
The volume is divided into three main sections which together comprise a reference work for contemporary historians

The Next Welfare State? Christopher Pierson, 2021-09-30 In this book Chris Pierson argues that we will need to think quite differently about the British welfare state after COVID 19 He looks back to the welfare state's origins and development as well as forwards unearthing some surprising solutions in unexpected places Just Property Christopher

Pierson, 2020-05-01 This third and concluding volume of Just Property brings critical accounts of property right up to the present The book is made up of five pairs of chapters located in five major ideological traditions of modernity liberalism libertarianism social democracy conservatism and feminism As before the focus is on particular thinkers and their daring puzzling and sometimes outrageous views The concluding chapter returns to the project's opening questions about property and inequality and about property under the imperative of growth to limits If we are to confront the enormous challenges that loom in front of us we have above all else to think again and quite radically about the place of property in our collective lives Transactions of the Royal Historical Society Andrew Spicer, 2017-06-29 A collection of major articles representing some of the best historical research by some of the world's most distinguished historians The Society of Equals Pierre

Rosanvallon, 2013-11-04 Society's wealthiest members claim an ever expanding share of income and property a true counterrevolution says Pierre Rosanvallon the end of the age of growing equality launched by the American and French revolutions Just as significant driving this contemporary inequality has been a loss of faith in the ideal of equality itself

Handbook on Global Social Justice Gary Craig, 2018-07-27 In the fifty years since Rawls seminal work *A Theory of Justice* the concept has been debated with those on the political right and left advocating very different understandings This unique global collection written by a group of international experts offers wide ranging analyses of the meaning of social justice that challenge the ability of the market to provide social justice for all The Handbook also looks at how the theory of social justice informs practice within a range of occupations or welfare divisions **Postwar Conservatism, A**

Transnational Investigation Clarisse Berthezène, Jean-Christian Vinel, 2017-04-19 This volume offers a unique comparative perspective on post war conservatism as it traces the rise and mutations of conservative ideas in three countries Britain France and the United States across a short twentieth century 1929 1990 and examines the reconfiguration of conservatism as a transnational phenomenon This framework allows for an important and distinctive point the 1980s were less a conservative revolution than a moment when conservatism understood in Burkean terms was outflanked by its various satellites and political avatars namely populism neoliberalism reaction and cultural and gender traditionalism No long running unique conservative mind comes out of this book's transnational investigation The 1980s did not witness the ascendancy of a movement with deep roots in the 18th century reaction to the French Revolution but rather the decline of conservatism and the rise of movements and rhetoric that had remained marginal to traditional conservatism

Unveiling the Magic of Words: A Overview of "**Egalitarian Thought And Labour Politics**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Enter the realm of "**Egalitarian Thought And Labour Politics**," a mesmerizing literary masterpiece penned by a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve in to the book is central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.

Egalitarian Thought And Labour Politics Introduction

In the digital age, access to information has become easier than ever before. The ability to download Egalitarian Thought And Labour Politics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Egalitarian Thought And Labour Politics has opened up a world of possibilities. Downloading Egalitarian Thought And Labour Politics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Egalitarian Thought And Labour Politics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Egalitarian Thought And Labour Politics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Egalitarian Thought And Labour Politics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Egalitarian Thought And Labour Politics, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Egalitarian Thought And Labour Politics has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Egalitarian Thought And Labour Politics Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Egalitarian Thought And Labour Politics is one of the best book in our library for free trial. We provide copy of Egalitarian Thought And Labour Politics in digital format, so the resources that you find are reliable.
