Egyptian Light And Hebrew Fire:

Egyptian Light and Hebrew Fire Karl W. Luckert, 1991-01-01 Egyptian Light and Hebrew Fire focuses on the cosmology of ancient Egypt and on derived traditions The book outlines how the ancient Egyptian world view affected Hebrew religion Greek philosophy Neoplatonism Gnosticism and early Christianity It traces ideological roots of Western civilization back to its earliest known prototypes in the Pyramid and Coffin texts of ancient Egypt It challenges us to refocus some of our history of early Greek philosophy and it positively identifies Neoplatonism as a philosophized and scarcely disguised neo Egyptian theology

When God Had a Wife Lynn Picknett, Clive Prince, 2019-12-10 Reveals the tradition of goddess worship in early Judaism and how Jesus attempted to restore the feminine side of the faith Provides historical and archaeological evidence for an earlier form of Hebrew worship with both male and female gods including a 20th century discovery of a Hebrew temple dedicated to both Yahweh and the warrior goddess Anat Explores the Hebrew pantheon of goddesses including Yahweh s wife Asherah goddess of fertility and childbirth Shows how both Jesus and his great rival Simon Magus were attempting to restore the ancient goddess worshipping religion of the Israelites Despite what Jews and Christians and indeed most people believe the ancient Israelites venerated several deities besides the Old Testament god Yahweh including the goddess Asherah Yahweh s wife who was worshipped openly in the Jerusalem Temple After the reforms of King Josiah and Prophet Jeremiah the religion recognized Yahweh alone and history was rewritten to make it appear that it had always been that way The worship of Asherah and other goddesses was now heresy and so the status of women was downgraded and they were blamed for God s wrath However as Lynn Picknett and Clive Prince reveal the spiritual legacy of the Jewish goddesses and the Sacred Feminine lives on Drawing on historical research they examine how goddess worship thrived in early Judaism and included a pantheon of goddesses They share new evidence for an earlier form of Hebrew worship that prayed to both male and female gods including a 20th century archaeological discovery of a Hebrew temple dedicated to both Yahweh and the goddess Anat Uncovering the Sacred Feminine in early Christianity the authors show how in the first century AD both Jesus and his great rival Simon Magus were attempting to restore the goddess worshipping religion of the Israelites The authors reveal how both men accorded great honor to the women they adored and who traveled with them as priestesses Jesus s Mary Magdalene and Simon s Helen But as had happened centuries before the Church rewrote history to erase the feminine side of the faith deliberately ignoring Jesus s real message and again condemning women to marginalization and worse Providing all the necessary evidence to restore the goddess to both Judaism and Christianity Picknett and Prince expose the disastrous consequences of the suppression of the feminine from these two great religions and reveal how we have been collectively and instinctively craving the return of the Sacred Feminine for millennia

Bridechamber Victoria LePage, 2007-11-12 Jesus was an initiate and adept of the ancient Judaic mysteries who strove to reinstate the tradition of the bridechamber sacrament in his time Shows that Jesus sought to establish equity of masculine and feminine in both spiritual practice and social traditions particularly in the sacrament of marriage Reinterprets Jesus key teachings in light of the ancient tradition of sacred consortship Reveals what happened to the gnostic heart of Christianity that Jesus embodied Jesus was a high initiate and master adept of the ancient Judaic mysteries who strove to free people from the dead hand of the ritualists He was trained in a dissident Jewish brotherhood that arose in Egypt before he was born which sought to bring back the ancient Judaic mysteries outlawed by the Jerusalem temple At the heart of this movement was a yogic based practice known in the apocrypha as the Gnosis of the Heart which espoused the union of both sexes in a secret initiatic teaching As a fearless social reformer Jesus wanted to restore the authority of the feminine principle including asserting the equality of man and woman in the social contract of marriage He reinstated in his own life the tradition of sacred consortship a rite known to early Church fathers as the bridechamber sacrament whereby the marriage of the masculine and feminine energies was effected This rite Victoria LePage suggests was the primary focus of Jesus teachings the very heart of his exhortations to love thy neighbor and the source of his healing power Mysteries of the Bridechamber explains how as a master adept of the Temple of Solomon Jesus derived these teachings directly from ancient Judaic mystery traditions revealing both a life story for Jesus that differs markedly from the version the Church has offered as well as a spiritual practice based on a mystical wisdom tradition of self initiation and transformation **The Secret Initiation of**

Jesus at Qumran Robert Feather, 2005-07-28 An examination of the early mysterious Essene community at Qumran that links it with John the Baptist Jesus and the beginnings of Christianity Offers an eyewitness account of the final burial place of John the Baptist Makes the case that Christianity grew out of a form of monotheism first formulated by the Egyptian pharaoh Akhenaten Includes physical and photographic evidence never before published In his earlier book The Mystery of the Copper Scroll of Qumran Robert Feather analyzed the Dead Sea Scroll engraved on copper that is considered the work of the secretive devout Jewish sect known as the Essenes who lived at Qumran around the time of Jesus To continue his research into the Essene community s way of life and how its beliefs may have influenced the beginnings of Christianity he met with Father Jozef Milik one of the scholars who worked on deciphering the Dead Sea Scrolls in the 1950s Feather learned that during Milik s work somewhere near the Qumran ruins he had excavated a headless corpse that he believed to be that of John the Baptist Feather presents persuasive powerful evidence illustrating the strong link between the Qumran Essenes and New Testament teachings and showing that both John the Baptist and Jesus were intimately involved with this community at Qumran He further supports the claim that early Christians continued a belief system centered on a form of monotheism first formulated by the Egyptian pharaoh Akhenaten and uniquely espoused by the Essenes at Qumran **Water Into Wine** Tom Harpur, 2008-11-06 Following the extraordinary and ongoing success of his 2004 book The Pagan Christ scholar and author

Tom Harpur was deluged with readers requests to go more deeply into the mythological allegorical approach to the story of Jesus he took in that bestselling book *In Water Into Wine* Harpur sets out the powerful and transforming message that emerges when the Gospels are finally read as they were originally intended to be and as they were understood by the first Christians such as Origen and Clement Seen in their true mythological and symbolical meaning the stories in the drama of Jesus life come alive in a totally fresh way not as the account of a single distant god man working strange miracle like Superman or some other fictional magician but as a description of the evolution of the soul in everyone of us The theme of the Gospels parallels exactly the theme of the Old Testament as well as every ancient sacred text which is that a spark of the divine spirit incarnates in each and every human being Tom Harpur shows how the old old story is at the heart of every religion and how it is really our own personal story too *Water Into Wine* is a tour de force written by a skilled and learned communicator that should excite and nourish every true seeker after spiritual fulfillment As well it has the enormous potential for furthering the goal of global understanding and peace

The Future of the Ancient World Jeremy Naydler, 2009-07-24 The sacred consciousness that prevailed in antiquity is the key to unlocking our future Shows how scientific consciousness which gives primacy to the sense of sight estranged us from the participatory spiritual consciousness of antiquity Explores the vital importance of the imagination in reconnecting us to the spirit world The Future of the Ancient World sheds new light on the evolution of consciousness from antiquity to modern times The twelve essays in this book examine developments in human consciousness over the past five thousand years that most history books do not touch In ancient times human beings were finely attuned to the invisible world of the gods spirits and ancestors Today by contrast our modern scientific consciousness regards what is physically imperceptible as unreal Our experience of the natural world has shifted from an awareness of the divine presence

animating all things to the mere scientific analyses of physical attributes a deadened mode of awareness that relies on our ability to believe only in what we can see In these richly illustrated and wide ranging essays that span the cultures of ancient Egypt Mesopotamia Greece Rome and the early Christian period Jeremy Naydler shows how the consciousness that prevailed in ancient times may inspire us toward a future in which we once again reconnect with invisible realms If the history of consciousness bears witness to the loss of visionary and participatory awareness it also shows a new possibility the possibility of developing a free and objective relationship to the spirit world Naydler urges us not only to draw inspiration from the wisdom of the ancients but to carry this wisdom forward into the future in a renewed relationship to the spiritual that is based on human freedom and responsibility *Born Again* Tom Harpur,2017-12-09 Tom Harpur bestselling author of *The Pagan Christ* points the way toward a rebirth of spiritual life With insight and revelation and accompanied by such figures as Pope John Paul II Mother Teresa the Dalai Lama and Billy Graham Harpur tells how escaping the grip of fundamentalism helped him renew his faith *The Stargate Conspiracy* Lynn Picknett,2001-09-01 In recent years alternative historians have gained remarkable insight into the mysteries of ancient Egypt but according to Lynn Picknett and Clive Prince their discoveries tie into a dangerous conspiracy nearly fifty years in the making At the center of this conspiracy is a group of respected powerful individuals who believe that the ancient Egyptian gods are really extraterrestrials who will soon return to earth The conspirators have intimate and exclusive knowledge of this momentous second coming but they insist on keeping it to themselves What could be the purpose of such a conspiracy Why are the conspirators so desperate to keep their information a secret And what does it mean for mankind In this riveting well researched book Picknett and Price offer compelling evidence that the conspiracy exists and expose the insidious motivations of the individuals and organizations behind it *Tom Harpur 4-Book Bundle* Tom Harpur,2014-01-16 Tom Harpur is one of the world s great writers on the topics of Christianity and ethics and the author of many bestselling books This special four book bundle collects *Water Into Wine* *An Empowering Vision of the Gospels* an examination of the story and meaning of Jesus life *Born Again* *My Journey from Fundamentalism to Freedom* in which Harpur relates the personal story of his spiritual development the perennial bestseller *The Pagan Christ* *Recovering the Lost Light* and *There Is Life After Death* Harpur s classic examination of death and dying This is an essential collection from a compelling author not only for Christian readers but any reader with a deep interest in philosophy and ethics Includes *Born Again* *The Pagan Christ* *There Is Life After Death* *Water Into Wine* **True to Our Native Land, Second Edition** Brian K. Blount,Gay L. Byron,Emerson B. Powery,2024-10-22 *True to Our Native Land* is a pioneering commentary on the New Testament that sets biblical interpretation firmly in the context of African American experience and concern In this second edition the scholarship is cutting edge updated and expanded to be in tune with African American culture education and churches The book calls into question many canons of traditional biblical research and highlights the role of the Bible in African American history accenting themes of ethnicity class slavery and African
