Churchill Roosevelt and Stalin met in various permutations and locations to thrash out ways to defeat Nazi Germany and just as importantly to decide the way Europe would look after the war This was the political rather than military struggle a battle of wills and diplomacy between three men with vastly differing backgrounds characters and agendas Focusing on the riveting interplay between these three extraordinary personalities Jonathan Fenby re creates the major Allied conferences including Casablanca Potsdam and Yalta to show exactly who bullied whom who was really in control and how the key decisions were taken With his customary flair for narrative character and telling detail Fenby s account reveals what really went on in those smoke filled rooms and shows how jaw jaw as well as war war led to Hitler s defeat and the shape of the post war world
