**Eight Keys to Eden** Mark Clifton, 2021-08-11 Book Excerpt ng that had kept him from qualifying as an E What was it the examiner had asked Mr Hayes why do you feel it is all right for you to view to read to know but that others should be protected from seeing reading knowing What are these sterling qualities you have that make it all right for you to censor what would not be right for others He abruptly brought his mind back to the present Perhaps he d first better prepare a news statement before he did anything else something noncommittal reassuring No point in getting the populace stirred up As he sat down behind his desk a big man in a brown suit natural iron gray hair a calm and administrative face he began to realize that for the next twenty four hours at least he would be in the spotlight Well he d give a good account of himself Demonstrate

**Return of Creegar and Eight Keys to Eden** David Wright O'Brien, Mark Clifton, 2018-02-06 Armchair Fiction presents extra large editions of classic science fiction double novels with original illustrations The first novel is Return of Creegar by David Wright O'Brien Creegar sought vengeance from across the Solar System He had been an inmate in a penal planet prison for five agonizing years He'd been set up framed by a high ranking law enforcement official named Judson Bellham to whom Creegar at one time Bellham's right hand man had become an obstacle The sticking point had been the love of a beautiful young woman named Sherry Bennet a love that Bellham desperately wanted but that Creegar possessed So in a carefully executed plot Bellham had gotten Creegar out of the way swept away in the cruelest of frame ups But now five years later Bellham had agreed to Creegar's release in exchange for Sherry Bennet's promise of marriage But Creegar was forbidden to return to Earth under penalty of death But death meant nothing to Creegar who was now driven solely by a desire for revenge Unfortunately he had one of the shrewdest man hunters in the Solar System out to track him down The second novel is Mark Clifton's wonderful tale of the future Eight Keys to Eden There was trouble brewing on the frontier of Space The colony was billions of miles away So much depended on their regular check ins their reports and their findings that many alternative systems of communication had been set up Yet now there was silence now it seemed they were completely cut off with no way for Earth to know what was happening or had already happened except to send someone to find out In such circumstances Earth did not waste time they dispatched a crew to accompany a member of the very exclusive very small group that ruled Earth an E man a super brain a genius a man outside all law because he was gifted with an intellect so powerful that he was theoretically untouchable Even he was to find terror and wonder on Eden
