Pawar, 2009-09-11 There is a tremendous disaster relief need for community development practice in the Asia Pacific region due to its size and prevailing diverse socio economic political and cultural needs and issues Both developed and developing countries have been reemphasizing the importance of community development and have introduced several schemes or programs for overall development Manohar Pawar familiarizes readers with the region presents the major social economic and political issues looks at values and principles and critically analyses challenges and shows opportunities for community development practice in the region This book will allow for anyone interested in community development both at local and global levels scholars non government organizations NGOs government organisations international aid agencies to gain a broad understating of community development trends in Labour and Social Trends in Asia and the Pacific 2005, 2005 the Asia Pacific region Ageing and Long-term Care David R Phillips, 2003-08-01 The case studies in this book focus on the emergence extent and nature of national policies on ageing and associated strategies to address long term care needs Key opportunities for and constraints on policy are identified in this first round of regional studies written by prominent researchers in Hong Kong Korea Malaysia Singapore and Thailand who are partners in the Ageing Research Network of the Asian Development Research Forum The case studies are set in the context of regional and international plans of action on ageing and the deliberations of the Second World Assembly on Ageing held in 2002 Japan's Aid Diplomacy and the Pacific Islands Sandra Tarte, 1998 Factors that have

motivated and shaped Japan's official development assistance towards the pacific islands are explored Also examined is how Japan has responded to these criticisms and challenges the impact of competing interests and objectives on Japan's aid policies Globalization and Networked Societies Yue-man Yeung, 2000-07-01 The world in the last two decades of the twentieth century fundamentally and radically changed at a speed and on a scale never before witnessed The challenge posed at the beginning of the third millennium is enormous for governments and people the world over Globalization along with globalism continues its unrelenting and accelerating march as it draws more countries cities and people closer into interdependent relationships Globalization and Networked Societies attempts to tease out some of the salient elements of this process especially as it has affected urban centers in Pacific Asia over the past twenty years Globalization and rapid economic growth have transformed the region and its cities on varied spatial scales bringing new opportunities and challenges for governments the private sector and individuals All countries in Pacific Asia are covered in this work with special attention given to Hong Kong and to China a late bloomer in the Asia scene but nevertheless one that has experienced phenomenal growth and accelerated globalization in recent decades The empirical analyses reveal the outcome dilemmas and meanings of globalization in the urban regional scene Ageing in the Asia-Pacific Region David R. Phillips, 2002-11-01 First Published in 2004 The Asia Pacific region is now clearly witnessing the rapid ageing of many of its nations and Asia is already the region with relatively the largest number of older persons. This book focuses on the challenges that this demographic trend poses to economies and societies in the region and the policies that have evolved to date to meet new demands It looks forward over the coming decades to consider how societies and economies will deal with ageing and the necessary structural and behavioural changes that this will entail The book is organized into two main sections The first introduces the key features demography research and long term care issues of the region and provides region wide context and analysis The second section offers in depth case studies of thirteen countries including China Japan Korea and Indonesia As well as providing a wealth of original research material the book also offers valuable comparative analysis while the larger economies have had to develop policies to maintain their social and economic successes in the face of demographic ageing developing countries must find ways to build their economies around an ageing population With contributors drawn from a range of academic and professional disciplines including many practising social gerontologists this book will be of interest to scholars in economics sociology social policy health policy politics and development studies With its particular emphasis on the future it will also be an essential reference for anybody with a professional interest in policy making in the region

<u>Economic and Social Survey of Asia and the Pacific 2006</u> United Nations. Economic and Social Commission for Asia and the Pacific, 2006 This edition of the yearly survey examines regional economic and social developments in the Asia and the Pacific region during 2005 The growth rate slowed moderately in 2005 mainly as a result of high oil prices and softening of growth in global trade For 2006 it is expected that growth maintains its current momentum providing that oil prices do not

increase significantly and global external imbalances do not unwind suddenly Propects for the region would also be affected if avian influenza develops into a human pandemic Efforts are needed to ensure all benefits of high growth are passed on to CORP 2011 Proceedings/Tagungsband Manfred Schrenk, Vasily V. the poor via good employment opportunities for all Comparative Development Experiences of Sub-Saharan Africa and East Asia Ernest Popovich, Peter Zeile, Arveetey, 2017-11-01 Title first published in 2003 This comprehensive book focuses on the prevailing conditions in Asia and Africa under various macroeconomic and sectoral themes in order to provide in depth explanations for the divergent development experiences of the two regions Seeking to go further than the simple comparison of policies the book carefully examines the institutional context for policy implementation within which growth and development have proceeded in the Handbook of Development Policy Studies Gedeon M. Mudacumura, M. Shamsul Haque, 2004-04-23 regions Considering the current challenges to human progress this reference book examines recent theories policies and sectoral priorities as well as various social economic and administrative factors that impact worldwide modernization and development The book emphasizes the fact that communities must evaluate continuously and adjust their program The World's Youth Benson Bradford Brown, Reed W. Larson, T. S. Saraswathi, 2002-10-10 The life stage of adolescence now occurs in most corners of the world but it takes different forms in different regions Peers with such a central role in Western adolescence play a comparatively minor role in the lives of Arabic and South Asian adolescents Emotional turmoil and individuation from family occur in some societies but not others Adolescent sexual revolutions are sweeping through Japan and Latin America In this 2002 book scholars from eight regions of the world describe the distinct nature of adolescence in their regions. They draw on research to address standard topics regarding this age family and peer relationships schooling preparation for work physical and mental health and show how these have a different cast across societies As a whole the book depicts how rapid global change is dramatically altering the experience of the adolescent transition creating opportunities and challenges for adolescents parents teachers and concerned others Banking on the Future of Asia and the Pacific Peter McCawley, 2017-04-01 This book is a history of the Asian Development Bank ADB a multilateral development bank established 50 years ago to serve Asia and the Pacific Focusing on the region s economic development the evolution of the international development agenda and the story of ADB itself this book raises several key questions What are the outstanding features of regional development to which ADB had to respond How has the bank grown and evolved in changing circumstances How did ADB s successive leaders promote reforms while preserving continuity with the efforts of their predecessors ADB has played an important role in the transformation of Asia and the Pacific the past 50 years As ADB continues to evolve and adapt to the region s changing development landscape the experiences highlighted in this book can provide valuable insight on how best to serve Asia and the Pacific in the future The Global Economic System since 1945 Larry Allen, 2004-03-05 The Global Economic System since 1945 re evaluates world economic history in a context that

Climate Change Moazzem Hossain, Malcolm McIntosh, 2013-01-01 This path breaking book investigates the challenges of realizing the Asian century Prosperity in Asia does not only mean economic growth the issues of public health sanitation income equality the social safety net and efficient use of natural resources are also important It argues for new policy initiatives in social environmental and natural resource areas of South Southeast and East Asia This insightful volume is presented in three parts Part I identifies the major socio economic factors which are likely to take away the opportunities in realizing the Asian century by 2050 Part II presents the responsible policy issues which would be needed to overcome the hurdles such as public finance natural resources public health and sanitation intra Asia migration and decentralized governance and Part III articulates major challenges in realizing Asian prosperity including sustainable international business and sustainable growth The topics examined range from demographic conditions and tax reform to responsible use of natural resources in the years to come The Asian Century Sustainable Growth and Climate Change will appeal to academics in the fields of Asian studies and environment ecology The major challenges in the future for South Asian growth due to the impact of climate change will prove invaluable for practitioners and policy makers
