**Benjamin Stolberg, Vinton Warren Jay**

## **Economic Consequences Of The New Deal:**

Your Library, 1927     *The Era of Franklin D. Roosevelt; a Chronicle of the New Deal and Global War* Denis William Brogan, 1950     *The USA 1917-45* Doug Willoughby, Susan Willoughby, 2000 The USA 1917 1945 covers the USA during the period of boom and bust and the attempts by Roosevelt to end the depression     The Economic Consequences of the New Deal Benjamin Stolberg, Warren Jay Vinton, 1935     **Select Problems in Historical Interpretation: Government and the American economy, 1870-present** David Morris Potter, Thomas G. Manning, 1954     **Developed Nations and the Economic Impact of Globalization** Ken Moak, 2017-07-18 This book discusses the economic and geopolitical effects of globalization from historical and institutional perspectives While it has had unintended consequences such as displacing developed countries dominance of production markets the overall benefits of globalization far outweigh the costs Moak argues that leading developed nations should not fear globalization but instead make concerted efforts to promote it in order to keep the cost benefit balance weighing in favor of economic enhancement and geopolitical stability Having incurred huge private and public debts as well as a weak monetary policy posture many developed nations have been unable to recovery from the 2008 financial crisis Moreover geopolitical tensions are rising due to the power rivalry between the United States China and Russia over a host issues including trade imbalances and geopolitics This book aims to provide stakeholders with the relevant and necessary information to hold an objective debate on globalization Ultimately this book is about globalization what it is how it impacts the global economy and polity and why it is needed now more than any other time in human history     **Instructor's Manual to Accompany American History, a Survey** Brinkley, 2002-09     American Book Publishing Record Cumulative, 1876-1949 R.R. Bowker Company. Department of Bibliography, 1980     *The economic consequences of the New Deal; by B. Stolbert and W.J. Vinton* Benjamin Stolberg, Vinton Warren Jay,     Democracy, Bureaucracy, and Character William D. Richardson, 1997 Most American citizens are quick to criticize federal bureaucracy for its size and inefficiency They assume it has exceeded the intent of our nation s founders yet men like James Madison and Alexander Hamilton knew that good public administrators were essential to good government William Richardson here examines the origins legitimacy and limitations of public administration from the perspective of the Founders thought He shows that these men especially the authors of *The Federalist* advocated an energetic public administration as an essential component of government and even considered the emergence of a natural aristocracy of virtuous civil servants The Founders would see the fault of today s federal bureaucracy argues Richardson not as much in its size as in the character of its members Richardson relates the Founders belief that the nation should strive to produce public servants committed to developing character traits such as wisdom and moderation that would exemplify the highest ideals of the republic and thus ensure its survival They anticipated some self interest on the part of administrators but believed it would be held in check by public opinion and the political process To test the success of the Founders ideal Richardson examines both the character of

administrators and the role of ethics in forming that character He explores the various plans for educating public leaders throughout American history and looks at how attitudes toward public administration have changed in this century from Woodrow Wilson s scientific ideal to recent proposals to downsize government Among other suggestions Richardson advocates reforming existing institutions by emphasizing character Democracy Bureaucracy and Character is an exercise in legitimizing public administration offering important insights into the Founders thoughts that can be applied to today s debate over government bureaucracy Public administration may be problematic by nature observes Richardson but it is crucial to our form of government Through his analysis we can see that while bureaucracy and democracy have long had an uneasy relationship neither can be effective unless we fully assess the place and purpose of character in the American regime

**The Age of Roosevelt: The politics of upheaval** Arthur Meier Schlesinger (Jr.),1957 For contents see Author Catalog

**Dress & Vanity Fair** ,1934      **The Other Side of America: A Deep Dive into the Untold History of the U.S.**
