A History of Australasian Economic Thought Alex Millmow, 2017-07-14 This book explains how Australian and New Zealand economists exerted influence on economic thought and contributed to the economic life of their respective countries in the twentieth century Besides surveying theorists and innovators this book also considers some of the key expositors and builders of the academic economics profession in both countries The book covers key economic events including the Great Depression the Second World War the post war boom and the great inflation that overtook it and lastly the economic reform programs that both Australia and New Zealand undertook in the 1980s

Australian Economic Background, from the Report of the Committee of Economic Enquiry Australia. Committee of Economic Enquiry, 1966

Economic Relations Between Britain and Australia from the 1940s-196 J. Singleton, Paul Robertson, 2001-12-14 In the early postwar era Britain enjoyed a very close economic relationship with Australia and New Zealand through their common membership of the Sterling Area and the Commonwealth Preference Area This book examines the breakdown of this relationship in the 1950 and 1960s Britain and Australasia were driven apart by disputes over industrial protection agriculture capital supplies and relations with other countries Special emphasis is given to the implications for Australia and New Zealand of Britain's growing interest in European integration

Australia's War 1939-45 Joan Beaumont, 2020-09-10 The Second World War was a dominant experience in Australian history For the first time the country faced the threat of invasion The economy and society were mobilised to an unprecedented degree with 550 000 men and women or one in twelve of a population of over 7 million serving in the armed forces overseas Social patterns and family life were disrupted Politically the war gave a new legitimacy to the Australian Labor Party which had been confined to the wilderness of the Opposition at the Federal level for most of the inter war years The powers of the Federal government increased and a new momentum for social reform was generated at the popular and governmental level In the international sphere the war fundamentally shook Australian confidence in the power on which it had relied for generations Great Britain It generated a sense of independence in

Australian foreign policy and initiated a new if halting and problematic realignment towards the United States In this accessible book Joan Beaumont Kate Darian Smith David Lee David Lowe Marnie Haig Muir Roy Hay and David Walker consider the range of Australia s experience of this conflict In a single volume they draw together the many aspects of the war and distil the current state of historical scholarship Australia s War 1939 45 will be invaluable to tertiary students and of enormous interest to the reader concerned with the social political and military history of Australia A companion volume on the First World War is also available *Report of the Committee of Economic Enquiry.
