# Economic History Of Eastern Europe 1919 1975 Institutional Change Within A Planned Economy

**Gerold Ambrosius, William H. Hubbard**

## **Economic History Of Eastern Europe 1919 1975 Institutional Change Within A Planned Economy:**

**The Economic History of Eastern Europe, 1919-1975: Institutional change within a planned economy** Edward Albert Radice,1985     *The Economic History of Eastern Europe 1919-1975* Kaser, Michael Charles Kaser,E. A. Radice,1985  
*The Economic History of Eastern Europe, 1919-1975* ,1982     *THE ECONOMIC HISTORY OF EASTERN EUROPE 1919-1975* Michael Charles KASER,1986     **The Economic History of Eastern Europe, 1919-1975: Institutional change within a planned economy** ,1985     **Institutional Change Within a Planned Economy** Michael Charles Kaser,1986 This third volume presents the process of economic change in the same countries The main emphasis of the book is on institutions on the changes in economic mechanism and their consequences for the position of the household     *An Economic History of Twentieth-Century Europe* Ivan T. Berend,2016-09-22 This new edition of Ivan T Berend s leading overview of economic regimes and economic performance from the start of the twentieth century to the present is fully updated to incorporate recent events including the causes and impacts of the 2008 financial economic crisis Praised for its clear prose and uncluttered analytical style as well as its use of illustrative case studies this is an integrated comparative account of European economic development from the evolution of capitalism to the fascist and communist regimes and their collapse and Europe s current economic problems The book examines both successes and failures in responding to the challenges of this crisis ridden but highly successful age It introduces the main factors behind economic growth and the various economic regimes that were invented and trialled It also shows how the vast disparity which had existed between the European regions started gradually decreasing as a result of increased integration     *The Economic History of Eastern Europe, 1919-1975* Michael Charles Kaser,Edward Albert Radice,1986     **Helsinki 1975 and the Transformation of Europe** Oliver Bange,Gottfried Niedhart,2008-07-01 It was in Europe that the Cold War reached a decisive turning point in the 1960s leading to the era of détente The Conference on Security and Cooperation in Europe CSCE with its Final Act in Helsinki in August 1975 led to a rapprochement between East and West in the fields of security economy and culture This volume offers a pilot study in what the authors perceive as the key issues within this process an understanding over the German problem balancing the recognition of the post war territorial status quo against a formula for the eventuality of a peaceful change of frontiers and the Western strategy of transformation through a multiplication of contacts between the two blocs Both of these arguments emerged from the findings of an international research project on Détente and CSCE in Europe 1966 1975 funded by the Volkswagen Stiftung and headed by the two editors     **A Social and Economic History of Twentieth-century Europe** Gerold Ambrosius,William H. Hubbard,1989 This comprehensive single volume source of information on the social and economic transformations in Europe over the past hundred years fills a critical gap in our knowledge It examines population trends social structures and economic structures and offers an integrative overview of changes in both the organization of the economy and the role of the state in economic management     *The Economy of East*

Central Europe, 1815-1989 David Turnock, 2004-03 From an expert in the field this major survey includes new research and recent changes in the region and reviewing two centuries of modernization examines the history of Eastern European economies within a wider political and ideological context

European Economies since the Second World War Bernard J. Foley, 1998-06-10 This book examines the behaviour and performance of key European economies since the end of the Second World War The unifying theme of the book is the way in which the economies concerned have experienced and dealt with growth stagnation and structural change As well as providing an overview of post war experience each chapter identifies particular policy issues of major significance to the economy in question

**The European Economy 1914-2000** Derek Aldcroft, 2002-01-10 As in earlier editions of this work Professor Aldcroft presents a succinct and lucid account of the development and problems of the European economy throughout the twentieth century The text divides into several clearly defined sub periods the aftermath of the First World War and reconstruction in the 1920s the depression and recovery of the 1930s the impact of the Second World War and the new division of Europe the postwar boom of the 1950s and 1960s the growth slowdown of the 1970s and the pervasive problems of inflation and unemployment

Bibliography of European Economic and Social History Derek Howard Aldcroft, Richard Rodger, 1993 This bibliographical guide contains 10 000 references to the economic and social history of 30 European countries during the period 1700 1939 More than 3000 periodicals have been consulted to obtain references as well as books edited collections and conference proceedings The information is listed in categories such as industry agriculture finance migration labour conditions urban communities and organizations Full publication details are included so that references may be located easily

**The European Economy Since 1914** Derek Aldcroft, Steven Morewood, 2012-12-07 The fifth edition of The European Economy provides a succinct and lucid account of the development and problems of the European economy since the first world war It covers the whole of Europe including Russia and Turkey The text divides into several clearly defined sub periods the impact and aftermath of the first world war and recovery and reconstruction during the 1920s the depression and the recovery of the 1930s the impact of the second world war and the new political division in Europe the post war boom of the 1950s and 1960s and then into the growth slowdown of the 1970s and the persistent problems of inflation and unemployment It then analyses the demise of the centrally planned economies of eastern Europe and the move to a more united Europe and then discusses the financial and economic problems that have emerged in the early twenty first century This new edition has been extensively revised new chapters have been added and the reading lists updated Though the volume is designed as a basic introductory text the authors elicit some of the lessons that can be learnt from a study of past development one of which is the limited power of governments to influence the course of events and to combat the operation of market forces

**Central Europe in the Twentieth Century** Alice Teichova, 2018-10-31 First published in 1997 this book has been produced by the leading scholars of the economic history of the region in the belief that the events of 1989 90 and the subsequent turmoil in every country

affected can only be accurately interpreted from an informed historical perspective The chapters are accessible and authoritative each is from a first rank and highly experienced economic historian of the nation under discussion The necessarily differing treatments of the social economic and national problems correct the widespread misapprehension that the countries of the region are essentially alike *Populism in Central and Eastern Europe* Roman Krakovsky, 2025-02-01

The rise of illiberal democracies across Central and Eastern Europe represents an ongoing challenge to the democratic and liberal principles of post Enlightenment societies However considerable debate remains about how to disentangle the complex factors that have contributed to this phenomenon and gain a clearer understanding of the issues shaping the political landscape In this incisive analysis of the populist phenomenon *Populism in Central and Eastern Europe* re examines the roots of the current political situation tracing the historical evolution of Central and Eastern European populism From late nineteenth century Imperial Russia to Viktor Orb n s Hungary and Jaroslaw Kaczy ski s Poland this book offers an innovative approach to addressing these enduring political issues *Industrial Societies (Routledge Revivals)* Richard Scase, 2015-06-03

This book first published in 1989 addresses an issue that stood at the centre of sociological concern the changing character of industrial societies The authors examine the nature of the industrialization process in terms of its impact upon and development within both state socialist and capitalist societies Is industrialism a constant phenomenon within both kinds of society or are distinctive differences apparent In the 1960s it did seem that economic growth and technological change were producing similarities in social structure between the different socio political systems it now appears however that the crisis that have developed during the 1980s how illustrated their contrasts Through the analysis of this trend in the West in Eastern Europe and in China the authors clarify central issues for the student of sociology The changing character of national states organized labour stratification systems and class relationships Processes of social integration cohesion and control The extent to which dominant groups are able to sustain social and economic privileges in different socio economic systems The changing pattern of work and employment relationships The nature of class gender and ethnicity as sources of socio economic division *Reform and Transformation in Eastern Europe* János Mátyás Kovács, Marton Tardos, 1992-06-04

First published in 1992 Routledge is an imprint of Taylor Francis an informa company

*The Cambridge History of Communism: Volume 3, Endgames? Late Communism in Global Perspective, 1968 to the Present* Juliane Fürst, Silvio Pons, Mark Selden, 2017-09-21

The third volume of *The Cambridge History of Communism* spans the period from the 1960s to the present documenting the last two decades of the global Cold War and the collapse of Soviet socialism An international team of scholars analyze the rise of China as a global power continuing to proclaim its Maoist allegiance and the transformation of the geopolitics and political economy of Cold War conflict in an era of increasing economic interpenetration Beneath the surface profound political social economic and cultural changes were occurring in the socialist and former socialist countries resulting in the collapse and transformations of the existing socialist order and the

changing parameters of world Marxism This volume draws on innovative research to bring together history from above and below including social cultural gender and transnational history to transcend the old separation between Communist studies and the broader field of contemporary history
