[With Plates and Maps.]** Rustom Dinshaw Choksey,1945 **Annotated Bibliography on the Economic History of India, 1500 A.D. to 1947 A.D.** Gokhale Institute of Politics and Economics,1980 The Economic History of India 1857-1947 Tirthankar Roy,2006-10-05 This Is One Of The Few Detailed And Updated Textbooks On The Economic History Of Colonial India **A New Economic History of Colonial India** Latika Chaudhary,Bishnupriya Gupta,Tirthankar Roy,Anand V. Swamy,2015-08-20 A New Economic History of Colonial India provides a new perspective on Indian economic history Using economic theory and quantitative methods it shows how the discipline is being redefined and how new scholarship on India is beginning to embrace and make use of concepts from the larger field of global economic history and economics The book discusses the impact of property rights the standard of living the labour market and the aftermath of the Partition It also addresses how education and work changed and provides a rethinking of traditional topics including de industrialization industrialization railways balance of payments and the East India Company Written in an

accessible way the contributors all leading experts in their fields firmly place Indian history in the context of world history An up to date critical survey and novel resource on Indian Economic History this book will be useful for undergraduate and postgraduate courses on Economic History Indian and South Asian Studies Economics and Comparative and Global History

Rethinking Economic Change in India Tirthankar Roy, 2005-05-19 As author of the hugely influential *The Economic History of India 1857-1947* Tirthankar Roy has established himself as the leading contemporary economic historian of India Here Roy turns his attention to labour and livelihood and the nature of economic change in the Subcontinent This book covers economic history of modern India rural labour labour intensive industrialization women and industrialization Challenging the prevailing wisdom on Indian economic growth that it is bound up with Marxian postcolonial class analysis Roy formulates a new view Commercialization surplus labour and uncertainty are seen as equally important and the end result reconciles the increasingly opposed view of economists and historians *The Agrarian Economy of the Bombay*

Deccan, 1818-1941 Sumit Guha, 1985 Studies of Indian economic development have in large part concentrated on the role of British imperial intervention in the region This book while attaching due importance to the effects of British rule focuses on other economic factors such as agricultural techniques and the land man ratio to analyze the agrarian history of the Bombay Deccan

Western India in the Nineteenth Century Ravinder Kumar, 2013-10-28 First published in 2006 Routledge is an imprint of Taylor Francis an informa company *Labour-Intensive Industrialization in Global History* Gareth

Austin, Kaoru Sugihara, 2013-09-13 The prevailing view of industrialization has focussed on technology capital entrepreneurship and the institutions that enabled them to be deployed Labour was often equated with other factors of production and assigned a relatively passive role Yet it was labour absorption and the improvement of the quality of labour over the course of several centuries that underscored the timing pace and quality of global industrialization While science and technology developed in the West and whereas the use of fossil fuels especially coal and oil were vital to this process the more recent history has been underpinned by the development of comparatively resource and energy saving technology without which the diffusion of industrialization would not have been possible The labour intensive resource saving path which emerged in East Asia under the influence of Western technology and institutions and is diffusing across the world suggests the most realistic route humans could take for a further diffusion of industrialization which might respond to the rising expectations of living standards without catastrophic environmental degradation *On the Eighteenth Century as a*

Category of Asian History Leonard Blussé, Femme S Gaastra, 2016-12-05 The starting point of this volume is the scathing attack far reaching in its consequences launched in 1942 by J C van Leur on the views then current on the character and significance of the 18th century as a category in Asian history His denial of European pre eminence in Asian waters represented a direct attack on colonial historiography The essays here derive from an international conference held 50 years later to assess the impact of van Leur s work In part historiographic in part drawing on new research they aim to delimit the

boundaries of European Asian interaction and to provide case studies of what this period actually meant for the history of South and East Asia

Raising Cane Donald W. Attwood, D W Attwood, 2019-09-16 Like any book this one is part of a dialogue Over the years I have asked thousands of questions of myself and others and tried to answer some Out of all this discussion a written pattern has grown It is certainly not a definitive pattern Among those whose words have been woven into it there are many who might have fashioned it better There are some who would have selected different colors and textures or who might have preferred a totally different pattern I am conscious of their voices and wish that I could adequately present them all First and foremost are the voices of farmers and other villagers whose experiences I have tried to understand and represent A few of them will read this book and decide whether I learned anything from all their patient answers If they were so inclined they could tell more about the subject than I ever can

Wage Earners in India 1500-1900 Lucassen, Jan, Seshan, Radhika, 2022-01-01 The study of wage levels and the purchasing power of wages is often viewed as a specialized academic topic of little concern to the wider public This is far from being the case as this book demonstrates The study of wages opens up vistas of the daily life of the working people of their standards of living and therefore addresses questions of larger economic developments and unequal power relationships in a region Wage Earners in India 1500 1900 Regional Approaches in an International Context brings together several scholars young and veteran to study new data and reinterpret older data from a fresh methodological perspective to locate India within global economic systems more effectively This book identifies previously unused and unpublished material for the study of wages underlines the importance of wages as a source of income for Indians from early times demonstrates the trends in wages over the period under review stresses the need to take women into account for the reconstruction of household income

Small Town Capitalism in Western India Douglas E. Haynes, 2012-03-12 This book charts the history of artisan production and marketing in the Bombay Presidency from 1870 to 1960 While the textile mills of western India's biggest cities have been the subject of many rich studies the role of artisan producers located in the region's small towns have been virtually ignored Based upon extensive archival research as well as numerous interviews with participants in the handloom and powerloom industries this book explores the role of weavers merchants consumers and laborers in the making of what the author calls small town capitalism By focusing on the politics of negotiation and resistance in local workshops the book challenges conventional narratives of industrial change The book provides the first in depth work on the origins of powerloom manufacture in South Asia It affords unique insights into the

social and economic experience of small town artisans as well as the informal economy of late colonial and early post independence India Indian Journal of Economics ,1919 **Artha Vijñāna** ,1971
