Subcommittee on Economic Stabilization,1987 American National Security and Economic Relations with Canada, 1945-1954 Lawrence R. Aronsen,1997-08-30 Aronsen draws on recently declassified documents in Ottawa and Washington to provide a reassessment of Canada s special relationship with the U S Toward this end detailed new information is provided about Canada s contribution to the creation of the postwar economic order from the Bretton Woods Agreement to GATT Canada s cooperation was rewarded by special economic concessions including the extension of the Hyde Park agreement in 1945 the inclusion of the off shore purchases clause to the Marshall Plan and Article II of the NATO Treaty After the outbreak of the Korean War Canada s resources played a crucial role in the production of weapons systems for the new air atomic strategic doctrine Several policies were adopted to facilitate the expansion of Canadian defense production notably the relaxation of regulations on technology transfer the encouragement of private sector investment and the negotiation of long term contracts at above market prices In the midst of these unprecedented peacetime developments Time Magazine observed that Canada had become America s Indispensable Ally **U.S. Economic Relations with Canada** United States. Commission on International Trade and Investment Policy,1971 **Corporate Control** Nora Loreto,2025-05-06 How deep does corporate dominance go in Canada The second book in Nora Loreto s landmark series dives into the corporate web spun around Canada s economy society and politics The joke goes that Canada is three mining companies in a trench coat Or three oil companies in a trench coat Or three telecom companies in a trench coat It s funny because it s almost true a handful of corporations exert a disproportionate amount of power over Canadian democracy Corporate profits are at a record high and the divide between the rich and the poor has never been wider Canadians are struggling with affordability the housing crisis and wages that don t cover basic needs The combination of these forces is a pressure cooker that politicians have promised to tackle except they can t they are too restricted by corporate power to confront the roots of the problems Canadians face The first book in the Canada in Decline series examines the rise and fall of Canada s social safety net In this next volume Loreto goes further identifying why Canadian politicians seem impotent in the face of corporate Canada The 1972 Economic Report of the President United States. significant contributions. Sharing insights into policy as well as into the personalities of colleagues and friends. *Unlikely Insider* paints vignettes of figures from Premier Zhou Enlai to Queen Elizabeth and recounts the author's travels with Pierre Trudeau after the prime minister's retirement. As a British Columbian, Austin worked to ensure that his province's perspectives and interests mattered in Ottawa; as someone who came from a disadvantaged background, he is sensitive to the need to make the country a place of fairness and opportunity for all. *Unlikely Insider* reminds Canadians that inclusion, regional, social, and demographic, makes our nation both stronger and more just.
