Ecumenism In Transition:

Ecumenism in Transition Konrad Raiser, 1991 Whenever an attempt has been made in recent years at a diagnosis of the ecumenical movement an impression has emerged of stagnation or even resignation Has the momentum been lost Taking this question as his starting point in this book Konrad Raiser undertakes a critical examination of the present day problems areas in the ecumenical movement What some see as a period of marking time and helplessness he attempts to understand in terms of a paradigm shift which will lead to fresh approaches to contemporary problems **Ecumenism in Transition**

Konrad Raiser, 1991 **Unity as Prophetic Witness** Michael Kinnamon, 2018-11-01 Visser t Hooft and the Shaping of Ecumenical Theology Visser t Hooft is perhaps the most distinguished figure in the modern ecumenical movement emerging in the postwar decades as a pivotal figure Under his leadership the World Council of Churches was officially constituted in 1948 by 147 Protestant and Orthodox Catholic denominations and the organization grew to include nearly 300 denominations in the following decades Visser t Hooft played a major role in the inclusion of churches from communist countries in the World Council and he also sought to enlarge the role played by African Asian and Orthodox churches in the organization He served as editor of the Ecumenical Review from 1948 to 1966 He was also the author of numerous books on the ecumenical movement and the nature and functions of the church *Ecumenical Theology in Worship, Doctrine, and Life* David S.

Cunningham, Ralph Del Colle, Lucas Lamadrid, 2000-01-06 This book presents twenty essays written in honor of the noted theologian and ecumenist Geoffrey Wainwright Cushman Professor of Christian Theology at Duke University The editors have assembled a remarkable international roster of contributors and have organized the volume around three major themes in Wainwright's work worship liturgy and mission Contributors include Nicholas Lossky Eberhard Jungel Dietrich Ritschl and Gunther Gassman **Pathways for Theology in Peacebuilding** Sara Gehlin, 2020-06-02 The ambivalent role of religions in contemporary conflicts has generated an increasing call for faith based peacebuilding endeavours In Pathways for Theology in Peacebuilding Ecumenical Approaches to Just Peace Sara Gehlin discusses the ways theology can provide essential resources for such peacebuilding pursuits The pathways for theology in peacebuilding are investigated with regard to a recent faith based peace endeavour namely the creation of an international ecumenical declaration on just peace In the book Gehlin explores the meaning of a just peace from the perspectives of theological ethics biblical interpretation spirituality and ecumenical vision On the basis of this exploration the book maps out theological resources for peace in our time

Hermeneutics of Doctrine in a Learning Church Gregory A. Ryan, 2020-08-10 In Hermeneutics of Doctrine in a Learning Church Gregory A Ryan offers an account of the dynamic multi dimensional task of interpreting Christian tradition He integrates doctrinal hermeneutics the pastorality of doctrine exemplified by Pope Francis and a systematic appraisal of Receptive Ecumenism to provide an original perspective on this task The book focuses on three contemporary Catholic theologians Francis Sch ssler Fiorenza Ormond Rush and Paul D Murray highlighting how each recognises the dynamic

interaction of multiple perspectives involved in authentic ecclesial interpretation Christian tradition whether passed on in teaching scripture practices or structures needs to be continually received and interpreted This book offers theologians ecumenists and church workers a fresh model for receptive ecclesial learning in which doctrinal hermeneutics and pastoral realities are dynamically integrated **A Liturgical Praxeology on the Rehearsal of Attitudes** Ferdi P.

Kruger,2023-11-13 This book has a target audience of scholars working in Practical Theology especially scholars interested in the functioning of attitudes cognition and remembrance In understanding this book it will be vital to realize that the author is connecting liturgy s face interface and outlook to the concepts of attitude cognition and remembrance The book embarks on the importance of a liturgy that should connect with everyday life and a liturgy that enables its participants to make divulgements that can enhance its meaningfulness to its participants This book is directed to an audience interested in an interdisciplinary approach to liturgics liturgists in congregations and people concerned with liturgy s meaningfulness The

Ecumenical Movement Michael Kinnamon,Brian E. Cope,1996-12-31 Included in this collection of documents from the twentieth century ecumenical movement are passages from texts produced by assemblies conferences and studies of the World Council of Churches and similar bodies covering three areas of historical concern within modern ecumenism faith and order life and work and mission and evangelism Recovering the Ecumenical Bonhoeffer Javier A. Garcia,2019-10-14 In

Recovering the Ecumenical Bonhoeffer Javier Garcia explores the possibilities for Dietrich Bonhoeffer s theology to revitalize interest in the ecumenical movement and Christian unity today Although many commentators have lamented the waning interest in the ecumenical movement since the 1960s the celebration of the 500th anniversary of the Protestant Reformation in 2017 coupled with recent in roads such as the ecumenical efforts of Pope Francis have opened new possibilities for the ecumenical project In this context Garcia presents Bonhoeffer as a helpful model for contemporary ecumenical dialogue He finds important points of convergence between Bonhoeffer and Calvin thereby establishing potential areas of rapprochement between the Lutheran and Reformed traditions Beyond examining the state of ecumenism and unfolding the ecumenical promise of Bonhoeffer s thought Garcia assesses the future of ecumenical engagement in a secular age Altogether he proposes a recovery of the ecumenical Bonhoeffer for envisioning new possibilities for church unity in our day **Beyond**

Maintenance to Mission Craig L. Nesson,1999 This book argues compellingly for the centrality of mission in understanding the church and provides a model for congregational leadership that will help move congregations beyond a maintenance mentality to vital engagement with the world God loves Nesson s model of congregational leadership is strongly centered on worship life of a congregation and the entirety of the church s ministry The chapters provide solid theological and practical direction on the themes of worship education fellowship stewardship evangelism global connections ecumenism and social ministry It is a book that will find a home in both the academy and the parish a textbook for seminarians and a guide and resource for pastors and lay congregational leaders *The Oxford Handbook of Ecumenical Studies* Geoffrey

Wainwright, Paul McPartlan, 2021 Provides a rich source of information and reflection on many aspects of ecumenism from 50 expert contributors of many nationalities and traditions Offers a global perspective showing how ecumenism is a feature of the Church in all parts of the world with different geographical areas specifically considered in chapters focusing on Europe the Middle East Africa Asia and more Offers an invaluable guide to one of the most important Christian activities of today work for unity and reconciliation within the Church itself and as a witness in the world at large Book jacket

The Globalization of Pentecostalism Murray Dempster, Byron D. Klaus, Douglas Petersen, 2011-08-01 This book comprising a sweeping range of well documented articles on Pentecostal theology hermeneutics missiology and the social sciences provides for the student of Pentecostals a window on contemporary Pentecostal scholarship that discloses vigorous engagement with critical issues The editors have provided a resource that promises to stimulate further research and reflection William Menzies Chancellor Asia Pacific Theological Seminary Baguio City Philippines Excerpts from Respondents Jose Miguez Bonino on Changing Paradigms An updating of Pentecostal thinking on a whole spectrum of theological disciplines systematics missiology biblical studies history and praxis a wealth of information and reflection Vinay Samuel on Global Culture Global Pentecostalism can bring a new impetus to the movement for Christian unity it has much to contribute to the shaping of a new 21st century definition for Christian unity Harvey Cox on A Postmodern World There was a time when Pentecostals warned themselves and anyone else who would listen not to become entangled with and dependent on the things of the world Pentecostals were suspicious of the passing fads of stylish clothing the latest hairdo and glitzy new consumer products They were also as it turns out rightly suspicious that the powerful new mass media could be a seductive lure tricking people into the empty values of the consumer market culture Perhaps it is time for a rebirth of that ethic of simplicity that suspicion for the things for the world for which the early Pentecostals were so famous

Dumitru Staniloae: An Ecumenical Ecclesiology Radu Bordeianu, 2011-09-29 Widely considered the most important Orthodox theologian of the twentieth century Dumitru Staniloae 1903 1993 contributed significantly to an ecumenical understanding of these themes Because of his isolation by the Romanian Communist regime his work still awaits its merited reception especially given its potential contribution towards Christian unity In Staniloae's understanding the Church is a communion in the image of the Trinity Because there is a continuum of grace between the Trinity and the Church the same relationships that exist among trinitarian persons are manifested in creation in general and the Church in particular In this way the Trinity fills the world and the Church determining their mode of existence Intratrinitarian relationships are manifested in the relationships between humankind and non human creation the Church and the world local and universal aspects of the Church clergy and the people and among various charisms

Pentecostals and Roman Catholics on Becoming a Christian Karen Murphy, 2018-05-23 In Pentecostals and Roman Catholics on Becoming a Christian Dr Karen Murphy explores the fifth round of the International Roman Catholic Pentecostal Dialogue 1998 2006 Discussing Spirit baptism faith conversion experience

and discipleship Dr Murphy notes areas in which the Dialogue has evolved since its inception in 1972 She unpacks the commonalities that bond Catholics and Pentecostals and examines theological divergences and challenges to dialogue While Catholics approach becoming a Christian from a sacramental perspective most Pentecostals think of Christian initiation in non sacramental or conversionist terms a reality that fosters ongoing tensions between the two traditions Dr Murphy reveals how Catholics and Pentecostals seek to overcome this dichotomy by honoring spirituality and experience as integral to the ecumenical encounter

Becoming a Missionary Church Michael W. Goheen, Timothy M. Sheridan, 2022-07-19 This book offers a historical assessment and balanced critique of contemporary church movements especially in light of missional ecclesiology An expert on Lesslie Newbigin and an expert on contemporary church models show how Newbigin's ideas have been developed and contextualized in three popular contemporary church movements missional emergent and center church In addition the authors explain that some of Newbigin's insights have been neglected and need to be retrieved for the present day This book calls for the recovery of the missionary nature of the church and commends church practices applicable to any congregation

Pentecostal Theology and Ecumenical Theology, 2019-09-16 Pentecostal Theology and Ecumenical Theology Interpretations Intersections and Inspirations brings together globally recognized and newer scholars to address the complex relationship between Pentecostalism and the Ecumenical Movement Historical essays address topics such as early Pentecostal responses to and participation in ecumenism explicit convergences between Pentecostal and ecumenical initiatives and the particular contributions of Pentecostals and ecumenists outside North America and Europe Constructive theological essays address intersections between ecumenical theology and systematic loci in Pentecostal perspective in the hope that mutual exchange and criticism will lead to ways to improve both Never before have this many scholars of Pentecostalism combined their efforts in order to focus on the relationship between Pentecostal theology and ecumenical theology past present and future

The Transformation of American Religion : The Story of a Late-Twentieth-Century Awakening Amanda Porterfield Professor of Religious Studies University of Wyoming, 2001-04-05 As recently as a few decades ago most people would have described America as a predominantly Protestant nation Today we are home to a colorful mix of religious faiths and practices

from a resurgent Catholic Church and a rapidly growing Islam to all forms of Buddhism and many other non Christian religions How did this startling transformation take place A great many factors contributed to this transformation writes Amanda Porterfield in this engaging look at religion in contemporary America Religious activism disillusionment with American culture stemming from the Vietnam war the influx of Buddhist ideas a heightened consciousness of gender and the vastly broadened awareness of non Christian religions arising from the growth of religious studies programs all have served to undermine Protestant hegemony in the United States But the single most important factor says Porterfield was the very success of Protestant ways of thinking emphasis on the individual s relationship with God tension between spiritual life and religious institutions egalitarian ideas about spiritual life and belief in the practical benefits of spirituality Distrust of religious institutions for instance helped fuel a religious counterculture the tendency to define spiritual truth against the dangers or inadequacies of the surrounding culture and Protestantism s pragmatic view of spirituality played into the tendency to see the main function of religion as therapeutic For anyone interested in how and why the American religious landscape has been so dramatically altered in the last forty years *The Transformation of Religion in America* offers a coherent and persuasive analysis
