Fall Of Afghanistan An Insiders Account:

The Statesman's Year-Book 1989-90 J. Paxton, 2016-12-28 The classic reference work that provides annually updated information on the countries of the world **1989-1990** John Paxton, 2021-06-21 No detailed description available for 1989 1990 **Insecurity Communities of South Asia and the Middle East** Majid Sharifi, 2020-11-10 This book critically examines how US foreign policy has produced a regional regime of instability and insecurity in South Asia and the Middle East It focuses on three interconnected zones of conflict Afghanistan and Pakistan in South Asia Iran and the Persian Gulf states and Iraq and its neighbours In a comprehensive historical survey this work compares the governing behaviour of these states with that of the West where the American foreign policy establishment has in contrast pushed for investing in collective security The author studies various events throughout history such as the Taliban regime the US led war in Afghanistan the Obama administration and Pakistan the first and second Gulf wars the Arab Spring and the rise of ISIS to present a theoretical analysis of Washington's consistent pursuit of multibalancing and regime change wars in the region An important critical assessment of Western foreign policies this book will be indispensable for students and researchers of US foreign policy defense and security studies strategic affairs politics and international relations political economy nation state building identity studies globalization studies Middle East studies and South Asian studies **Crossing Zero** Elizabeth Gould, Paul Fitzgerald, 2011-02-22 A cutting edge analysis of the AfPak war involving Russia India China and Iran emphasizing US strategy and the people implementing it US-Pakistan Relationship A.Z. Hilali, 2017-07-05 Hilali provides an excellent study into the US Pakistan partnership under the Reagan administration The book explores the causes of Pakistan's involvement in the Afghanistan war and the United States support to prevent Soviet adventurism It shows that Pakistan was the principal channel through which assistance was provided to Afghan freedom fighters it also provided access to its military bases to use against the Soviet Union The study looks at the consequences of the war on Pakistan and explains how it became enmeshed within its domestic politics Furthermore it evaluates the role of Pakistan as a key partner in the global coalition against terrorism and discusses how General Pervez Musharraf brought about Pakistan's development towards a progressive moderate and democratic society Ideally suited to courses on foreign policy **The Pearl of Khorasan** C. P. W. Gammell, 2024-10-31 The city of Herat in western Afghanistan long sat at the edge of empires and served as a hub for trade and a conduit for armies Yet it has been much more than simply a staging post or plaything of political ambition It has been an imperial capital a city of extraordinary wealth and has played host to a cultural renaissance to rival that of Florence The Pearl of Khorasan tells the history of this storied oasis city from the invasions of Chingiz Khan in 1221 to the present day An epilogue assesses the challenges Herat faces in the wake of Afghanistan's recent turmoil Throughout Herat's cycles of conquest and habitation several patterns emerge the primacy of geography the city's strong identification with the fertility of the banks of the Hari River and its reputation as a place of theological excellence tolerance and cultural

refinement From the luminescent genius of the Timurid century to the destruction and cultural vandalism associated with the Taliban's rule of Afghanistan and the post 9 11 conflict Herat has hosted empires and experienced the cupidity and lust for power of foreign agents Using Persian Pashto and British sources the author paints a vivid picture of a city in which he has lived presenting a personal vision of its tumultuous history **Kandahar Tour** Lee Windsor, David Charters, 2009-03-23 Our Mission was the people of Kandahar and keeping the Taliban from interfering with rebuilding When we did use force we had to be discriminate Killing innocent civilians would be mission failure I had the A Team and could not make it work with lesser men and women Lieutenant Colonel Rob Walker Commanding Officer 2RCR Battlegroup Our job is to create a functional government that earns the respect of its population The people of Kandahar are not asking for life liberty and the pursuit of happiness They want Canada's peace order and good government We're getting there But it takes time Thankfully Afghans are more patient than people back home Gavin Buchan Director Foreign Affairs Kandahar Provincial Reconstruction Team 2006 07 My soldiers got to know every inch of Zharey District and its people It was our back yard We knew it better than the Taliban especially the foreign fighters People learned to trust us and started staying in their homes while we ran the enemy out of town Major David Quick India Company *Under the Drones* Shahzad Bashir, Robert D. Crews, 2012-05-14 Western media coverage of Afghanistan and Pakistan paints a simplistic picture of ageless barbarity terrorist safe havens and peoples in need of either punishment or salvation *Under the Drones* looks beyond this limiting view to investigate real people on the ground and analyze the political social and economic forces that shape their lives *Superpower Rivalry and Conflict* Chandra Chari, 2009-12-16 Various described by historians and thinkers as the most terrible century in Western history a century of massacres and wars and the most violent century in human history the 20th century and in particular the period between the First World War and the collapse of the USSR forms a coherent historical period which changed the entire face of human history within a few decades This book examines the trajectory of the Cold War and the fallouts for the rest of the world to seek lessons for the 21st century to manage international relations today and avoid conflict Written by experts in their field the chapters provide an alternative perspective to the Western paradigm dominated international relations theory The book examines for example whether now in the 21st century the unipolar moment has passed and if the changing economic balance of power thrown up by globalization has led to the emergence of a multipolar world capable of economic and multilateral cooperation It discusses the potential of new cooperative security frameworks which would provide an impetus to disarmament and protection of the environment globally and asks if nuclear disarmament is feasible and necessary The book highlights areas in which the potential for conflict is ingrained Offering Asian perspectives on these issues perspectives from countries like Afghanistan Vietnam West Asia and Pakistan which were embroiled in the Cold War as mere pawns and which have become flashpoints for conflict in our century this book is an important contribution to the ongoing debate *Afghanistan's Experiences* Hamid Hadi M.D, 2016-03-24 Afghanistan's Experiences is a sweeping analysis

of the historic events and interplay between politics religion and terrorism in Afghanistan the southeastern region of the country and beyond The author has vividly explained the origin and the rise of Taliban to power one of the most important sources of turmoil in contemporary time Thus one can perceive how the dynamics of the sinister politics religious extremism and terrorism has culminated in avoidable brutal wars and human tragedies Hamid Hadi has vividly described and put into political debate Afghanistan s history the implications of the Russian invasion of Afghanistan the Americans the Pakistanis and Saudis role in the civil war and the creation of the Al Qaeda that led to the 9 11 tragedy In a unique research and analysis the author has examined the acts of Islamic terrorists against the American people and institutions during the last 176 years and brilliantly deduced that Russian invasion of Afghanistan was a watershed era in formation of the contemporary terrorism and the failure of both superpowers foreign policy in Afghanistan to a great extent has resulted in growth of the terror network Besides detailed description of the 9 11 tragedy and Iraq war Hamid Hadi has painstakingly brought the world religions and Abrahamic religions in particular into debate and discussed the reform of the Islamic faith

Empires and Nations from the Eighteenth to the Twentieth Century Antonello Biagini, 2014-08-11 This volume is the result of an international conference held at Sapienza University in Rome on June 20 and 21 2013 as the final stage of the PRIN Progetto di rilevante interesse nazionale project Empires and Nations from the 18th to the 20th century during which scholars from all over the world academics specialists young researchers PhD students and post doctorates confronted diverse but connected topics on the relations between multinational empires and the idea of the nation In this way the reality of the historical empires and national states was represented and concepts such as identity nationality and sovereignty analyzed The second volume is dedicated to the age of empires and colonialism with particular reference to the colonial policy of the Great Powers England Russia and Italy the reality of post colonial states and to the different patterns of decolonization including specific cases such as South Sudan Azerbaijan Iraq Afghanistan and Palestine Particular attention is paid to the economic systems of different countries and to the area of Southeastern Europe particularly to Romania and its multicultural area Transylvania To the Great War and the dissolution of the multinational empires ample space is dedicated providing insights on border issues ethnic conflicts foreign policies the Adriatic question and the territorial conflict between Yugoslavia and Italy The final part of the book analyzes communism the bipolar system and the East West conflict that divided Europe for almost half a century with specific contributions that discuss post communist nations and states

The Cambridge History of the Cold War: Volume 3, Endings Melvyn P. Leffler, Odd Arne Westad, 2012-01-26 Volume III of The Cambridge History of the Cold War examines the evolution of the conflict from the Helsinki Conference of 1975 until the Soviet collapse in 1991 A team of leading scholars analyzes the economic social cultural religious technological and geopolitical factors that ended the Cold War and discusses the personalities and policies of key leaders such as Brezhnev Reagan Gorbachev Thatcher Kohl and Deng Xiaoping The authors show how events throughout the world shaped the evolution of Soviet American relations and they

explore the legacies of the superpower confrontation in a comparative and transnational perspective Individual chapters examine how the Cold War affected and was affected by environmental issues economic trends patterns of consumption human rights and non governmental organizations The volume represents the new international history at its best emphasizing broad social economic demographic and strategic developments while keeping politics and human agency in focus

Neutral Beyond the Cold Pascal Lottaz, Heinz Gärtner, Herbert R. Reginbogin, 2022-06-27 The collapse of the Soviet Union and the wars in Yugoslavia radically changed the security environment in Europe and Central Asia Some predictions assumed the emerging unipolarity of the liberal world order would end neutrality policies in East and West but as this volume shows this was not the case While some traditional Cold War neutrals like Sweden and Finland have been edging closer to security alignment with western institutions there are others like Austria Switzerland Ireland and Malta that remained committed to their traditional nonaligned foreign policy approaches More importantly there are areas of Eurasia that developed new forms of neutrality policies most of them only noticed on the margins of academic discourse This is the first book to systematically explore this new neutralism of the Post Cold War In part one the book analyzes contemporary neutrality discourse on several levels like international organizations UN ASEAN diplomacy and academic theory Part two discusses neutrality related policy developments in Belarus Moldova Ukraine Georgia Serbia Turkmenistan Afghanistan and Mongolia Together the 15 chapters show how on this vast connected landmass references to neutrality have remained a staple of international politics

America and Guerrilla Warfare Anthony James Joes, 2014-10-17 From South Carolina to South Vietnam America's two hundred year involvement in guerrilla warfare has been extensive and varied *America and Guerrilla Warfare* analyzes conflicts in which Americans have participated in the role of on the side of or in opposition to guerrilla forces providing a broad comparative and historical perspective on these types of engagements Anthony James Joes examines nine case studies ranging from the role of Francis Marion the Swamp Fox in driving Cornwallis to Yorktown and eventual surrender to the U S support of Afghan rebels that hastened the collapse of the Soviet Empire He analyzes the origins of each conflict traces American involvement and seeks patterns and deviations Studying numerous campaigns including ones staged by Confederate units during the Civil War Joes reveals the combination of elements that can lead a nation to success in guerrilla warfare or doom it to failure In a controversial interpretation he suggests that valuable lessons were forgotten or ignored in Southeast Asia The American experience in Vietnam was a debacle but according to Joes profoundly atypical of the country's overall experience with guerrilla warfare He examines several twentieth century conflicts that should have better prepared the country for Vietnam the Philippines after 1898 Nicaragua in the 1920s Greece in the late 1940s and the Philippines again during the Huk War of 1946 1954 Later during the long Salvadoran conflict of the 1980s American leaders seemed to recall what they had learned from their experiences with this type of warfare Guerrilla insurgencies did not end with the Cold War As America faces

recurring crises in the Balkans sub Saharan Africa the Middle East and possibly Asia a comprehensive analysis of past guerrilla engagements is essential for today s policymakers *Guerrilla Warfare* Anthony J. Joes,1996-08-13 From the Carolina Swamp Fox to the Afghan Mujahideen this book analyzes 40 guerrilla struggles across five continents profiles important figures and gives extensive bibliographical information With an emphasis on causes and effects Part I surveys and analyzes all major guerrilla struggles and many less well known wars from the American Revolution to 20th century post colonial conflicts Drawing a distinction between guerrilla warfare and terrorism the author focuses on guerrilla activity He seeks to answer such questions as the genesis and context of an insurgency its resemblance to other guerrilla conflicts what factors contributed to victory or defeat which factors are unique to a conflict and what factors are common to many conflicts Part II profiles individuals who are important to the subject including guerrilla chieftains military commanders government officials party leaders theorists and instructors who exerted notable influence Part III surveys the major English language literature on guerrilla warfare providing a a wide ranging representative and intensive collection of works

Neutrality and Vulnerable States Nasir Andisha,2020-10-08 This book offers a timely and concise academic and historical background to the concept and practice of neutrality a relatively new phenomenon in foreign and security policy It approaches two key questions under what circumstances can permanent neutrality be applied and what are the main ingredients of success and the causes of failure in applying permanent neutrality By evaluating comparing and contrasting the two successful European case studies of Austria and Switzerland and the two challenging Asian case studies of Afghanistan and Laos the author creates a new framework of analysis to explore the feasibility of reframing adopting and applying a policy of neutrality and jump start debates on the feasibility of the idea of new neutrality He opens the debate by asking whether as neutrality successfully functioned as a conflict resolution tool during the Cold War a reframed and adopted version of neutrality could also serve the needs of the twenty first century world order This is an insightful book for all scholars students and policymakers working in international relations security studies the history of neutrality and Afghanistan studies

Land of the Unconquerable Jennifer Heath,Ashraf Zahedi,2011-03-23 Reaching beyond sensational headlines this book offers a three dimensional portrait of Afghan women In a series of wide ranging deeply reflective essays this book examines the realities of life for women in both urban and rural settings

Predicting the Soviet Invasion of Afghanistan Douglas J. MacEachin,2002

A Military History of Afghanistan Ali Ahmad Jalali,2017-03-17 The history of Afghanistan is largely military history From the Persians and Greeks of antiquity to the British Soviet and American powers in modern times outsiders have led military conquests into the mountains and plains of Afghanistan leaving their indelible marks on this ancient land at the juncture of Europe Asia and the Middle East In this book Ali Ahmad Jalali a former interior minister of Afghanistan taps a deep understanding of his country s distant and recent past to explore Afghanistan s military history during the last two hundred years With an introductory chapter highlighting the major military developments from early

times to the foundation of the modern Afghan state Jalali's account focuses primarily on the era of British conquest and Anglo-Afghan wars the Soviet invasion the civil war and the rise of the Taliban and the subsequent U.S. invasion Looking beyond persistent stereotypes and generalizations e.g. the graveyard of empires designation emerging from the Anglo-Afghan wars of the 19th century and the Soviet experience of the 1980s Jalali offers a nuanced and comprehensive portrayal of the way of war pursued by both state and non-state actors in Afghanistan against different domestic and foreign enemies under changing social political and technological conditions He reveals how the structure of states tribes and social communities in Afghanistan along with the scope of their controlled space has shaped their modes of fighting throughout history In particular his account shows how dynastic wars and foreign conquests differ in principle strategy and method from wars initiated by non-state actors including tribal and community militias against foreign invasions or repressive government Written by a professional soldier politician and noted scholar with a keen analytical grasp of his country's military and political history this magisterial work offers unique insight into the military history of Afghanistan and thus into Afghanistan itself
