Samuel George Frederick Brandon

Fall Of Jerusalem:

The Fall of Jerusalem Flavius Josephus, 2006 It is fatal to show pity in a time of war Led by the mighty Titus the Roman army besieges Jerusalem Arrows rain over the city day and night and battering rams assault its defensive walls Inside the people curse their fate resistant to the last but maddened by hunger After days of rebellion at last their city falls The citizens plead for mercy but as the Romans march on the Temple of Masada the most sacred sanctuary of the Jewish people flaming torches blaze above their heads

The History of the Siege and Destruction of Jerusalem, Etc Jerusalem, 1832 *The Fall of Jerusalem and the Christian Church* S. G. F. Brandon, 2010-06-01 What lies between the authoritative preeminence of the Mother Church of Jerusalem and the virtual extinction both of its life and apparently of all its local records Dr Brandon finds that the full significance of the fall of Jerusalem in AD 70 has been strangely neglected amongst scholars In this original and exhaustive study he shows that this catastrophic event was of profound importance not only for the development of early Christianity but possibly also for its very survival Besides an ordered survey of other ancient historians this book demonstrates an extensive study of New Testament origins and many will find special interest in the light it throws upon the origin and purpose of canonical works This book faces serious problems of New Testament study that have generally been too easily dismissed and it makes a definite and original contribution towards their solution
