**The Fall of Hong Kong** Mark Roberti,1996-12-05 Roberti takes a comprehensive look at the negotiations that determined how China would rule Hong Kong after 1997 Revealing startling new details the book argues that Britain failed to negotiate adequate safe guards for her colony thereby betraying millions of her citizens

**The Fall of Hong Kong** Mark Roberti,1994-01-01

**Sino-British Negotiations on the Handover of Hong Kong (1979-1997)** Wanglai Gao,2025-01-04 In 1997 the smooth handover of Hong Kong between China and the United Kingdom defied pessimistic predictions about Hong Kong s future The successful resolution of the Hong Kong issue was the result of 18 years of diplomatic exchanges between Chinese and British negotiators from 1979 to 1997 The two countries were involved in intensive interactions on issues such as sovereignty and administration democratic reform in Hong Kong the drafting of the Hong Kong Basic Law and the PLA garrison The book draws on a wealth of primary sources including oral histories British parliamentary testimony and the memoirs of Chinese and British officials It reveals fascinating bilateral exchanges between Chinese and British strategists and discloses the secret negotiations between the Chinese and the British The book will be of interest to historians scholars and analysts of Chinese diplomacy

**Britain, France, West Germany and the People's Republic of China, 1969-1982** Martin Albers,2016-12-01 This book focuses on helping readers to fill the gap of the little known history between Western Europe and its most important trading partner the People s Republic of China Inspired by the economic and political signifance of Sino European relations this book shows how the China policies of the three biggest states of Western Europe Britain France and the Federal Republic of Germany helped China reintegrate into the international community in the 1970s Against the background of the Cold War the end of Maoism and the emergence of globalization the governments in Bonn Paris and London had to find ways of dealing with Europe s declining influence and promote their own national interests in Asia Based on newly declassified government files readers will find such sources invaluable in understanding the argument that despite pursuing very different policies the three governments supported a rapid expansion of peaceful exchange between the People s Republic and Europe and substantially contributed to the success of Beijing s reform policy

Turner,2016-12-27 For one hundred and forty years The Statesman s Yearbook has been relied upon to provide accurate and comprehensive information on the current political economic and social status of every country in the world The appointment of the new editor only the seventh in the book s history brought enhancements to the 1998 99 edition and these have been continued since then The 2004 edition is fully updated and contains more information than ever before A foldout colour section provides a political world map and flags for the one hundred and ninety two countries of the world In an endlessly changing world the annual publication of The Statesman s Yearbook gives all the information you need in one easily digestible single volume It will save hours of research and cross referencing between different sources and it is an essential annual purchase Hong Kong's New Constitutional Order Yash Ghai,1997-05-01 This is the first systematic analysis of the constitutional legal economic social and political systems of Hong Kong as a special administrative region of China It examines the Basic Law against its historical and socio economic contexts including its international and domestic foundations and the loss and the resumption of sovereignty by China The author offers a conceptualization of the Basic Law and locates it within China s constitutional political and legal systems The book explores the balance as well as the tensions between the autonomy of Hong Kong and the sovereignty of China which are aggravated by the necessity to accommodate contrasting economic and political systems It also identifies key legal and political problems that are likely to arise in implementing the Basic Law and suggests an approach to its interpretation The Basic Law provides a fascinating example of the interaction of widely different traditions of law politics and economy and a novel system of autonomy Its study is therefore of great interest to scholars of comparative law and politics This new edition covers significant political constitutional and legal developments since the transfer of sovereignty in July 1997 *Alternative Chinese Opera in the Age of Globalization* D. Lei,2011-02-08 Bringing the study of Chinese theatre into the 21st century Lei discusses ways in which traditional art can survive and thrive in the age of modernization and globalization Building on her previous work this new book focuses on various forms of Chinese opera in locations around the Pacific Rim including Hong Kong Taiwan and California *Decolonisation in the age of globalisation* Chi-kwan Mark,2023-07-25 In the 1980s Britain actively engaged with China in order to promote globalisation and manage Hong Kong s decolonisation Influenced by neoliberalism Margaret Thatcher saw Britain as a global trading nation which was well placed to serve China s reform During the negotiations over Hong Kong s future British diplomats aimed to educate the Chinese in free market capitalism Nevertheless Deng Xiaoping

held an alternative vision of globalisation one that privileged sovereignty and socialism over market liberalism and democracy By drawing extensively upon the declassified British archives along with Chinese sources this book explores how Britain and China negotiated for Hong Kong's future and how Anglo Chinese relations flourished after 1984 but suffered a setback as a result of the 1989 Tiananmen Square crackdown This original study argues that Thatcher was a pragmatic neoliberal and the British diplomacy of educating China yielded mixed results

**The Chinese State at the Borders** Diana Lary, 2011-11-01 In this ground breaking study Hsiao Ting Lin demonstrates that the Chinese frontier was the subject neither of concerted aggression on the part of a centralized and indoctrinated Chinese government nor of an ideologically driven nationalist ethnopolitics Instead nationalist sovereignty over Tibet and other border regions was the result of rhetorical grandstanding by Chiang Kai shek and his regime Tibet and Nationalist China's Frontier makes a crucial contribution to the understanding of past and present China Tibet relations A counterpoint to erroneous historical assumptions this book will change the way Tibetologists and modern Chinese historians frame future studies of the region

**Hong Kong Dark Cinema** Kim-Mui E. Elaine Chan, 2019-11-27 This book is a scholarly investigation of the historical development and contemporary transformation of film noir in today's Hong Kong Focusing on the evolvement of cinematic narratives aesthetics and techniques the author balances a deep reading of the multiple filmic plots with a discussion of the cinematic portrayals of gender romance identities and power relations Nuancing the prototypical cinematic form and tragic sense of classical film noir the recent Hong Kong cinema turns around the classical generic role of film noir at the turn of the century to convey very different messages joy hope or love This book examines how the mainstream cinema or pre and post Hong Kong cinema in particular applies a peculiar strategy that makes room for the audience to enjoy a pleasure giving process of reflexivity and also critique the mainstream ideology With new analytical approaches and angles this book breaks new ground in offering transcultural and cross genre analyses on the cinema and its impact in local and international markets This book is the first major scholarly investigation of the historical development and contemporary transformation of film noir in today's Hong Kong Focusing on the evolvement of cinematic narratives aesthetics and techniques the author balances a deep reading of the multiple filmic plots with a refreshing discussion of the cinematic portrayals of gender romance identities and power relations This book also revisits conceptual categories developed by Foucault Lacan Derrida and Butler
