Debbie Lisle, 2006-11-02 To what extent do best selling travel books such as those by Paul Theroux Bill Bryson Bruce Chatwin and Michael Palin tell us as much about world politics as newspaper articles policy documents and press releases Debbie Lisle argues that the formulations of genre identity geopolitics and history at work in contemporary travel writing are increasingly at odds with a cosmopolitan and multicultural world in which everybody travels Despite the forces of globalization common stereotypes about foreignness continue to shape the experience of modern travel *The Global Politics of Contemporary Travel Writing* is concerned with the way contemporary travelogues engage with and try to resolve familiar struggles about global politics such as the protection of human rights the promotion of democracy the management of equality within multiculturalism and the reduction of inequality This is a thoroughly interdisciplinary book that draws from international relations literary theory political theory geography anthropology and history **So Close to Heaven** Barbara Crossette, 2011-08-03 A travelogue of Bhutan and its neighbors in the Himalayas that introduces readers to a world that has emerged from the middle ages only to find itself peering into the abyss of modernity For anyone with a serious interest in Buddhism it's essential reading Washington Post Book World For more than a thousand years Tibet Sikkim Ladakh and Bhutan were the sanctuaries of Tantric Buddhism But in the last half of this century geopolitics has scoured the landscape of the Himalayas and only the reclusive kingdom of Bhutan remains true to Tantric Buddhism Deconstructing Travel Arthur Asa Berger, 2004 As a visible marker of globalization the increased role of travel and tourism in our lives makes it a remarkable force in contemporary culture *Deconstructing Travel* provides an easily understood framework of the relationship between travel and culture in our rapidly changing postmodern postcolonial world Beginning with an examination of classical expeditions in mythology history and literatures Arthur Asa Berger explores the role of travel in contemporary lives from university travel abroad programs to package tours and family vacations This volume is a highly engaging look into why people travel examining travel and tourism as a cultural phenomenon through social cultural psychological and economic forces **Consuming Japan** Andrew C. McKeivitt, 2017-08-31 This insightful book explores the intense and ultimately fleeting moment in 1980s America when the future looked Japanese Would Japan's remarkable post World War II economic success enable the East Asian nation to overtake the United States Or could Japan's globe trotting corporations serve as a model for battered U S industries pointing the way to a future of globalized commerce and culture While popular films and literature recycled old anti Asian imagery and crafted new ways of imagining the yellow peril and formal U S Japan relations remained locked in a holding pattern of Cold War complacency a remarkable shift was happening in countless local places throughout the United States Japanese goods were remaking American consumer life and injecting contemporary globalization into U S commerce and culture What impact did the flood of billions of Japanese things have on the ways Americans produced consumed and thought about their place in the world From autoworkers to anime fans *Consuming Japan* introduces new unorthodox actors into foreign relations history demonstrating how the flow of all things Japanese

contributed to the globalizing of America in the late twentieth century **Painters in Hanoi** Nora Annesley

Taylor, 2009-07-31 Painting has played a significant role in modern Vietnam Postage stamps billboards and annual national exhibitions attest to its fundamental place in a country where painters may be hailed as national heroes and include among their number fervent nationalists propagandists even dissidents As Vietnamese painting has gained prominence in the contemporary transnational art circuits of Southeast Asia many artists have become millionaires yet Vietnamese painting is generally overlooked in art history surveys of the region Nora Taylor sets out here to change that Painters in Hanoi engages with twentieth century Vietnam through its artists and their works providing a new angle on a country most often portrayed through the lens of war and politics Drawing on interviews with artists cultural officers curators art critics and others in Hanoi Taylor surveys the impact artists have had on intellectual life in Vietnam The book shows them within their own complex community one fraught with tensions politicking and favoritism yet also a sense of belonging It describes their education the role of the government in the arts the rise and fall of individual artists their influence as active players in the politics of place and gender the audience for their work and how tourism and the international art market have influenced it
