Omarion isn't too set on handing out peace offerings anymore. His focus is making the people pay for almost ending his daughter's life. He seeks out the most vicious revenge on the people who are set on tearing his empire apart. Caught up in the loyal rings of the team, Rida is out to get someone who betrayed them all. Falling in Love with God Colleen Birchett, J. Alfred Smith, Sr., 1997-06 In this book, Pastor J. Alfred Smith Sr. enables readers to develop a prayerful lifestyle of daily walking with God in all aspects of their busy lives. Love, InshAllah Nura Maznavi, Ayesha Mattu, 2012-02-01 This book strips off the traditional trappings of Islamic womanhood to expose the special strengths and vulnerabilities that lie beneath. The Washington Post affirms the reality of the romantic lives of Muslim women. Romance, dating, sex, and Muslim women. In this groundbreaking collection, twenty-five American Muslim writers sweep aside stereotypes to share their search for love openly for the first time, showing just how varied the search for love can be, from singles events and online dating to college flirtations and arranged marriages, all with a uniquely Muslim twist. These stories are filled with passion and hope, loss and longing. A quintessential blonde California girl travels abroad to escape suffocating responsibilities at home, only to fall in love with a handsome Brazilian stranger she may never see again. An orthodox African American woman must face her growing attraction to her female friend. A young girl defies her South Asian parents' cultural expectations with an interracial relationship. And a Southern woman agrees to consider an arranged marriage with surprising results. These compelling stories of love and romance create an irresistible balance of heartwarming and tantalizing, always revealing and deeply relatable. A beautiful collection that reminds us all, not only of the diversity of the American Muslim community but the universality of the human condition, especially when it comes to something as magical and complicated as love.

Reza Aslan, 1 New York Times bestselling author of *God: A Human History*. Portraits of private lives that expose a group in some cases kept literally veiled, yet that also illustrate that American Muslim women grapple with universal issues. The New York Times
