False Prophets Or Fraudulent Mediums Of The Christian Bible:

False Prophets Rev E. W. Sprague, 2014-03 This Is A New Release Of The Original 1911 Edition **False Prophets** Eli Wilmot Sprague, 1998 All the Spiritualism of the Christian Bible and the Scripture Directly Opposing It E. W. Sprague, 1996-09 1922 and the scripture directly opposing it Rev Sprague lists every reference to Spiritualism found within the Bible with Chapter Verse Spiritualism teaches that when one has done something helpful and beneficial to people of the world its blessing **False Prophets Or Fraudulent Mediums of the Christian Bible** Eli Wilmot Sprague, 192? **Was Jesus of Nazareth God Or Man, Christ Or Spirit Medium?** Eli Wilmot Sprague, 1922 *The Spiritualism of Nature* Herman L. Chapman, 1922 **Summit of Spiritual Understanding**, 1929 *The United States Catalog* Mary Burnham, Carol Hurd, 1928 **Exposing The False Prophets (Through Scripture)** Catherine Brown, 2024-07-04 Through this powerful book Brown clarifies how we will know false prophets by their fruit and how Jesus Christ describes them as wolves amongst His flock Brown teaches on the traits and modus operandi of false prophets false teachers false apostles and false miracle workers She unpacks the abuse of money corrupt motivation and the misuse of power and position by such false ministers If you want to know what Christ and the apostles taught about false prophets teachers and the like how to recognise them how to avoid them how to be healed from their abuse of God's people then this is the book for you Apostle Brown shares Biblical teaching as well as gleaning from her ministry experience of almost three decades providing practical and spiritual solutions healing and hope to those who have been used and abused by such false ministers Together with her recent book *The Prophetic in Christ Exposing the False Prophets Through Scripture* is an indispensable tool for both leaders and believers **Discerning Prophetic Witchcraft** Jennifer LeClaire, 2020-08-18 Your Holy Spirit Handbook to Surviving Last Days Deception On that day many will say to me Lord Lord did we not prophesy in your name and cast out demons in your name and do many mighty works in your name Matthew 7:22 Are they prophesying by the Holy Spirit or ministering under a demonic influence **Foretold Kingdoms of the Islamic Anti-Christ** Johnny Spencer, 2018-09-24 If you don't wish to be left in the dark and base your admiration and acceptance of the religion of Islam on what is less than true assuming it is just as every other religion in the world then you must read *Foretold Kingdoms of the Islamic Anti Christ* to learn of Islam's true origin and true destiny from the Holy Bible that most Muslim scholars are totally unaware about their own religion Discover why the religion of Islam has survived through fourteen centuries of cultural and theocratic evolution until today and explore the Bible's true prophetic purpose of Islam's existence whether it is to bring peace on earth and goodwill toward man or for a more sinister purpose for the world This bold new revelation on the end of Islam and its coded presence in Bible prophecy is openly expressed for all to see in this gripping unveiling of true ancient Islam *The Mountain Pine*, 1907 *The Secret to Your Success* Bill Old Chief, 2021-08-25 As an author I have discovered that more than one million books are published in the United States each year Before I became an author I began to build my personal library

since knowledge intrigued me To my disappointment much of what I accumulated was mainly filler and stuffing with a fancy cover In most cases only 1/3 was practical As a student of biblical history and prophetic insight I desired reading material that would challenge me to explore the revelations within the Word of God The years have taught me to be more selective and investigative before purchasing books as I continue to expand my library The first book that I published Somewhere in Montana West Bow Press I personally planned to write in a manner that would add insight to the reader that they could utilize in a beneficial manner The Secret To Your Success was conceived during the height of the Coronavirus pandemic right from the heart of God Many are asking questions about their future and how did this all come about through the Holy Spirit we answer those questions This book is a revelation of where we are today and what awaits us If you desire to know the truth and pull back the spiritual curtain then this is a must read for you The Bible speaks of times and seasons that the men of Issachar were able to discern you too will witness prophetic revelation concerning these times

Astrology and Psychic Phenomena Andre Kole, Terry Holley, 2016-09-06 Astrology Tarot cards Ouija boards spiritism psychic healing palm reading and old fashioned fortune telling now called psychic consulting all these are popular in America today Psychic hotlines are heavily represented on television with testimonials to their amazing ability to give people accurate details about their past and predictions about their future Are psychics indeed gifted with supernatural powers Andre Kole and Terry Holley show convincingly how the success of these and other paranormal phenomena depends on deceit and slight of hand rather than on genuine supernatural powers This is an age when countless groups and movements new and old mark the religious landscape in our culture As a result many people are confused or uncertain in their search for spiritual truth and meaning Because few people have the time or opportunity to research these movements fully the Zondervan Guide to Cults and Religious Movements series provides essential information and insights for their spiritual journeys The second wave of books in this series addresses a broad range of spiritual beliefs from non Trinitarian Christian sects to witchcraft and neo paganism to classic non Christian religions such as Buddhism and Hinduism All books but the summary volume Truth and Error contain five sections A concise introduction to the group being surveyed An overview of the group's theology in its own words Tips for witnessing effectively to members of the group A bibliography with sources for further study A comparison chart that shows the essential differences between biblical Christianity and the group Truth and Error the last book in the series consists of parallel doctrinal charts compiled from all the other volumes Three distinctives make this series especially useful to readers Information is carefully distilled to bring out truly essential points rather than requiring readers to sift their way through a sea of secondary details Information is presented in a clear easy to follow outline form with menu bar running heads This format greatly assists the reader in quickly locating topics and details of interest Each book meets the needs and skill levels of both nontechnical and technical readers providing an elementary level of refutation and progressing to a more advanced level using arguments based on the biblical text The writers of these volumes are well qualified to present clear

and reliable information and help readers to discern truth from falsehood *Guide to Reprints* Albert James Diaz,2008
