an extraordinary but little documented decade in the evolution of women's athletics **Moody's Industrial Manual** ,1996
 Covering New York American regional stock exchanges international companies **Official Encyclopedia of Tennis**
 United States Lawn Tennis Association,1972 *A Terrible Splendor* Marshall Jon Fisher,2010-04-20 Before Federer versus
 Nadal before Borg versus McEnroe the greatest tennis match ever played pitted the dominant Don Budge against the
 seductively handsome Baron Gottfried von Cramm This deciding 1937 Davis Cup match played on the hallowed grounds of
 Wimbledon was a battle of titans the world's number one tennis player against the number two America against Germany
 democracy against fascism For five superhuman sets the duo's brilliant shotmaking kept the Centre Court crowd and the
 world spellbound But the match's significance extended well beyond the immaculate grass courts of Wimbledon Against the
 backdrop of the Great Depression and the brink of World War II one man played for the pride of his country while the other
 played for his life Budge the humble hard working American who would soon become the first man to win all four Grand Slam
 titles in the same year vied to keep the Davis Cup out of the hands of the Nazi regime On the other side of the net the
 immensely popular and elegant von Cramm fought Budge point for point knowing that a loss might precipitate his descent
 into the living hell being constructed behind barbed wire back home Born into an aristocratic family von Cramm was admired
 for his devastating good looks as well as his unparalleled sportsmanship But he harbored a dark secret one that put him
 under increasing Gestapo surveillance And his situation was made even more perilous by his refusal to join the Nazi Party or
 defend Hitler Desperately relying on his athletic achievements and the global spotlight to keep him out of the Gestapo's
 clutches his strategy was to keep traveling and keep winning A Davis Cup victory would make him the toast of Germany A
 loss might be catastrophic Watching the mesmerizingly intense match from the stands was von Cramm's mentor and all time
 tennis superstar Bill Tilden a consummate showman whose double life would run in ironic counterpoint to that of his German
 pupil Set at a time when sports and politics were inextricably linked *A Terrible Splendor* gives readers a courtside seat on
 that fateful day moving gracefully between the tennis match for the ages and the dramatic events leading Germany Britain
 and America into global war A book like no other in its weaving of social significance and athletic spectacle this soul stirring
 account is ultimately a tribute to the strength of the human spirit **Getting Stronger** Bill Pearl,2005 Strength training for
