**Soltar para volar** Gloria Sierra Uribe, 2010     *Conyugalidad positiva* Fernando Vidal Fernández, Janina Hamburger, 2019     Familoga Gabriel Salcedo, Tyndale, 2017-12-05

Gabriel Salcedo siendo un orientador familiar experimentado puede comprobar cotidianamente que cada familia es un mundo. Este libro es un análisis extenso de las relaciones familiares internas y de aquellas cosas que suceden de la puerta hacia adentro. Es allí donde la familia juega su papel más importante y donde suceden las mejores experiencias de la vida, como también las peores. Entrar al corazón de la familia no es fácil porque exige una apertura que no todos quieren realizar. Sin embargo, es por este motivo que *Familoga* le podrá dar al lector herramientas sencillas y profundas para comprender el verdadero sentido de vivir en familia. Así mismo, podrá ver cuáles son las funciones esenciales de la familia y reflexionar sobre cómo llevarlas a cabo. *Familoga* promete unir a la familia por medio de una conexión intergeneracional y acompañar a los lectores hacia una revalorización respetuosa de uno de los regalos más sagrados que tenemos los seres humanos: la familia.

Gabriel Salcedo, an experienced family counselor can attest that each family is its own world. This book focuses on interfamily relationships and the situations that only happen behind closed doors where family plays one of its most important roles and where the most rewarding experiences in life take place as well as the most painful ones. To examine a family up close is not easy because it demands an openness that not everyone is willing to show. For that reason, *Familoga* will provide simple yet profound tools to help readers comprehend the true meaning of family life. At the same time, it will help the reader explore in depth the essential functions of family life and reflect on how to put those into action in their own home. *Familoga* promises to unify families through an intergenerational connection and guide readers to a renewed appreciation of one of the most sacred gifts we have as human beings: family.
