Familiar Quotations In Poetry And Prose:

John Bartlett's Familiar Quotations: From the Greatest Poets, Writers, Playwrights and Literati in the English Language (Hardcover) John Bartlett, 2018-06-25 John Bartlett's timeless collection of quotations from many of the finest luminaries of English prose and poetry are presented here. The book begins with a presentation of the King James Bible beginning with the Old Testament. Many of the most inspiring and memorable verses from across the Biblical canon are present. This is followed by the New Testament with a number of the most evocative and spiritually rich gospel quotations listed. After the Bible comes Shakespeare's plays, listing each play in turn. Bartlett presents the finest lines from each. The great wisdom and expression for which William Shakespeare is renowned finds ample demonstration with tragedies such as Macbeth and comedies such as Twelfth Night among the plays Bartlett draws upon. **Love, Poetry, and Immortality:**

Luminous Insights of the World's Great Thinkers William Gerber, 2022-07-11 This book explores and illustrates the individuating characteristics and the interrelationships of love, poetry, and literary immortality such as immortality that is as writers may win in the sense of being long remembered and appreciated by future readers. From the book's numerous quotations of glittering literary passages, it is evident that love is often expressed in poetry and that many authors, especially those writing about love, have expressed the winsome hope that their works would be greatly cherished by later generations. Part One of the book illustrates by passages of matchless poetry the joys and perils of love and other outstanding features of love. Part Two outlines the history of expressions by writers in many cultures of their confidence or hope that their works will make them immortal. **Silas Bronson Library Bulletin** Silas Bronson Library, 1901 **Combined List of Books for**
