Families Across Time A Life Course Perspective Readings

D. Russell Crane, Tim B. Heaton

Families Acrob Time A Life Course Perspective Readings:

Families Across Time Sharon J. Price, Patrick C. McKenry, Megan J. Murphy, 2000 Using a theoretical orientation this book explores the life course approach to family life including parent child spousal and sibling relationships It reflects the diversity represented in contemporary families as they grapple with changes and transitions in family relationships during the life cycle

Readings in Family Theory Thomas R. Chibucos, Randall W. Leite, David L. Weis, 2005 Readings in Family Theory is an anthology of classic and contemporary articles that provides a context for student learning by demonstrating how theory fits into the overall process of scientific research on families The book provokes student interest in theory by providing examples of the scholarly application of family theory to compare how people use similar processes in everyday life Using this contextual orientation the selected readings examine nine prevalent theoretical perspectives from both family and human development sciences

The Social History of the American Family Marilyn J. Coleman, Lawrence H. Ganong, 2014-09-02 The American family has come a long way from the days of the idealized family portrayed in iconic television shows of the 1950s and 1960s The four volumes of The Social History of the American Family explore the vital role of the family as the fundamental social unit across the span of American history Experiences of family life shape so much of an individual's development and identity yet the patterns of family structure family life and family transition vary across time space and socioeconomic contexts Both the definition of who or what counts as family and representations of the ideal family have changed over time Available in both digital and print formats this carefully balanced academic work chronicles the social cultural economic and political aspects of American families from the colonial period to the present Key themes include families and culture including mass media families and religion families and the economy families and social issues families and social stratification and conflict family structures including marriage and divorce gender roles parenting and children and mixed and non modal family forms and family law and policy Features Approximately 600 articles richly illustrated with historical photographs and color photos in the digital edition provide historical context for students A collection of primary source documents demonstrate themes across time The signed articles with cross references and Further Readings are accompanied by a Reader's Guide Chronology of American Families Resource Guide Glossary and thorough index The Social History of the American Family is an ideal reference for students and researchers who want to explore political and social debates about the importance of the family and its evolving constructions Key Themes Families and Culture Families and Experts Families and Religion Families and Social Change Families and Social Issues Problems Crises Families and Social Media Families and Social Stratification Social Class Families and Technology Families and the Economy Families in America Families in Mass Media Families Family Life Social Identities Family Advocates and Organizations Family Law and Family Policy Family Theories History of American Families

Family Theories James M. White, David M. Klein, 2008 An incisive thorough introduction to current theories of the family this text balances the diversity and richness of a broad scope of

scholarly work with the conciseness needed for ease of use in a one semester course for upper division undergraduate and beginning graduate students Through two editions this best selling text has drawn upon seven major theoretical frameworks developed by key social scientists to explain variation in family life These frameworks include social exchange and choice symbolic interaction family life course development systems conflict feminist and ecological Readers of the Third Edition will welcome the addition of an eighth framework functional theories along with more suggestions for integrating theory to guide a research program and more applications for those going on to careers in the helping professions **The SAGE**

Encyclopedia of Marriage, Family, and Couples Counseling Jon Carlson, Shannon B. Dermer, 2016-10-11 The SAGE Encyclopedia of Marriage Family and Couples Counseling is a new all encompassing landmark work for researchers seeking to broaden their knowledge of this vast and diffuse field Marriage and family counseling programs are established at institutions worldwide yet there is no current work focused specifically on family therapy While other works have discussed various methodologies cases niche aspects of the field and some broader views of counseling in general this authoritative Encyclopedia provides readers with a fully comprehensive and accessible reference to aid in understanding the full scope and diversity of theories approaches and techniques and how they address various life events within the unique dynamics of families couples and related interpersonal relationships Key topics include Assessment Communication Coping Diversity Interventions and Techniques Life Events Transitions Sexuality Work Life Issues and more Key features include More than 500 signed articles written by key figures in the field span four comprehensive volumes Front matter includes a Reader's Guide that groups related entries thematically Back matter includes a history of the development of the field a Resource Guide to key associations websites and journals a selected Bibliography of classic publications and a detailed Index All entries conclude with Further Readings and Cross References to related entries to aid the reader in their research journey

Essential Readings on Jewish Identities, Lifestyles & Beliefs Stanford M. Lyman, 2003 A rich source for understanding Jewish diversity in America Israel and other societies in the 21st century **Perspectives on Death and Dying** June L. Leishman, 2009 In the past most people encountered death at a relatively young age Dying relatives were cared for at home and mortality rates were higher Today there is much less familiarity with death which increasingly takes place in hospitals hospices and nursing homes This wide ranging and enlightening book offers an exploration of death and dying as human conditions that impact on the individual their significant others and those involved with their care and well being It is aimed at medical and healthcare staff social workers and counsellors as well as social sciences and health psychology students professional health and social care educationalists and anyone with an interest in this topic Drawing on aspects of social anthropology history and the social and behavioural sciences the book examines the customs attitudes and beliefs surrounding death and dying Emphasis is placed on the unique experience of death for each individual and the book highlights the challenges faced by those who work with people who are dying or those who have experienced loss through

death In addition each chapter ends with some reflective questions that allow the reader to consider certain issues at a more personal level **Families & Time** Kerry Daly,1996-09-18 What is family time What value do we place on it How many families today have time to be families How do families view use and seek to control time and how successful are they at it The concept of time is central to the study of families and is used in different ways families changing through history families experiencing the passage of time as they age over the life course and families negotiating time for being together Synthesizing these different concepts into a broad theory of how families understand time Kerry J Daly examines time as a pervasive influence in the changing experiential world of families **Handbook of Reading Research, Volume III**

Michael L. Kamil,Peter B. Mosenthal,P. David Pearson,Rebecca Barr,2016-11-18 In Volume III as in Volumes I and II the classic topics of reading are included from vocabulary and comprehension to reading instruction in the classroom and in addition each contributor was asked to include a brief history that chronicles the legacies within each of the volume s many topics However on the whole Volume III is not about tradition Rather it explores the verges of reading research between the time Volume II was published in 1991 and the research conducted after this date The editors identified two broad themes as representing the myriad of verges that have emerged since Volumes I and II were published 1 broadening the definition of reading and 2 broadening the reading research program The particulars of these new themes and topics are addressed

Marital and Sexual Lifestyles in the United States Linda P Rouse,2013-12-16 Learn the changing role of sexuality in American life This helpful book offers a solid background in the sociology of family life and personal sexuality Marital and Sexual Lifestyles in the United States Attitudes Behaviors and Relationships in Social Context is designed to give readers a broad view of the diversity of contemporary U S attitudes behaviors and relationships It also covers basic sociological concepts and research methods Most human sexuality texts focus on the individual whereas texts designed for sociology courses on the family downplay individual sexual expression Marital and Sexual Lifestyles in the United Statesintegrates the two approaches The choices of the individual take on additional meaning when seen within a unified historical statistical and conceptual framework Marital and Sexual Lifestyles in the United States gives readers the tools to consider such pressing issues as Does the divorce rate mean that the institution of marriage is in trouble Are children s futures impaired if they come from single parent households Should same sex couples be allowed to marry How does marriage differ from cohabitation What are the real sexual differences between the genders What is sexual morality How much confidence can we place in studies of human sexuality by such social scientists as Alfred Kinsey and Masters and Johnson These questions and others like them are placed in the context of U S social trends beginning with the 1950s and moving toward today Plentifully illustrated with tables charts and figures that show where we are going as well as where we have been Marital and Sexual Lifestyles in the United States gives a clear perspective on relationships in social context **Human Development and Faith (Second Edition)** Felicity B. Kelcourse,2015-07-28 This book now in its second edition brings together the best

available understandings of human development from a multidisciplinary perspective Uniquely inclusive of the moral and faith dimensions of context and life cycle development Human Development and Faith examines the interplay of mind body family community and soul at every stage of development It addresses two central questions What are the good enough conditions of parenting family and community in each phase of life from birth to death which support growth and development What gives life adequate meaning as development proceeds If human development describes the normative and hoped for passages of life then faith provides the necessary component of meaning Throughout the various perspectives offered in this volume is the premise that faith is that quality of living that makes it possible to fully live The Journal of Pastoral Theology called the first edition of Human Development and Faith an excellent text for pastoral theology courses because it fulfills its ambitious goal of bringing a holistic faith perspective to the usual topics of development This second edition includes a new chapter on infancy updates reflecting our growing awareness of cultural diversity and a new preface

Working with Aging Families Kathleen W. Piercy, 2010 With today's shifting demographics can arise tricky family issues here are tips for therapists on how to steer clients through them **Annual Review of Gerontology and Geriatrics, Volume 13, 1993**, 1993-10-22 During the past few decades the dramatic social changes with regard to our aging population and changes in the family unit have made both demographic and socioeconomic consequences as well as an effect on matters of social policy The prestigious editors George L Maddox and M Powell Lawton have assembled an impressive group of expert contributors whose chapters address topics from the latest theory and research findings to the changing balance of work and families as well as patterns of kinship **Handbook of Marriage and the Family** Gary W. Peterson, Kevin R. Bush, 2012-09-14 The third edition of Handbook of Marriage and the Family describes analyzes synthesizes and critiques the current research and theory about family relationships family structural variations and the role of families in society This updated Handbook provides the most comprehensive state of the art assessment of the existing knowledge of family life with particular attention to variations due to gender socioeconomic race ethnic cultural and life style diversity The Handbook also aims to provide the best synthesis of our existing scholarship on families that will be a primary source for scholars and professionals but also serve as the primary graduate text for graduate courses on family relationships and the roles of families in society In addition the involvement of chapter authors from a variety of fields including family psychology family sociology child development family studies public health and family therapy gives the Handbook a multidisciplinary and interdisciplinary framework The Wiley Blackwell Encyclopedia of Family Studies, 4 Volume Set Constance L. Shehan, 2016-02-29 The Wiley Blackwell Encyclopedia of Family Studies presents a comprehensive interdisciplinary collection of the key concepts trends and processes relating to the study of families and family patterns throughout the world Offers more than 550 entries arranged A Z Includes contributions from hundreds of family scholars in various academic disciplines from around the world Covers issues ranging from changing birth rates fertility and an aging world population to

human trafficking homelessness famine and genocide Features entries that approach families households and kin networks from a macro level and micro level perspective Covers basic demographic concepts and long term trends across various nations the impact of globalization on families global family problems and many more Features in depth examinations of families in numerous nations in several world regions 4 Volumes www.familystudiesencyclopedia.com [Life with Father](#) Stephen M. Frank,1998-08-20 Who was the Victorian patriarch and what kind of father was he In this richly documented study Stephen M Frank presents the first account of nineteenth century family life to focus on the role of fathers Drawing on letters diaries memoirs and other primary sources Frank explores what fathers thought about their family responsibilities and how men behaved as parents His findings are often surprising Beneath the stereotype of the starched Victorian patriarch he discovers fathers who were playful demanding uncertain of their authority and deeply anxious about their children s prospects in a rapidly changing society men with strikingly modern attitudes toward parenthood Focusing on Northern middle class families he also uncovers the social origins of the family man ideal and explores how this standard of middle class propriety found its way into practice Life with Father looks beyond the well known nineteenth century fascination with motherhood to discover a social order that valued a father s care no less than a mother s love as a basis for stable family relationships This compelling social history engages readers with the story of how families in the past struggled with economic and social changes that required fathers to reassess themselves as parents and as men **Institutions in American Society** John Edgar Jackson,1990 An interdisciplinary study of the political economic and social institutions that give character and direction to our society **Handbook of Families and Poverty** D. Russell Crane,Tim B. Heaton,2007-10-19 Edited by two well known family researchers at Brigham Young University this meticulously researched compendium is a trove of useful information on areas where poverty and family issues intersect This volume should be the first stop for anyone beginning research on poverty and families CHOICE The Handbook of Families and Poverty covers hotly debated issues associated with public policy and funded research as they relate to families and poverty Contributors bringing multiple perspectives to bear aim to show alternatives to welfare in subgroups facing specific challenges that are currently not adequately addressed by the welfare system Readers will appreciate the insightful summaries of research involving poverty and its relationship to couple marital and family dynamics Key Features Provides a comprehensive view of the issues surrounding families and poverty so that readers may benefit from the findings and insights of their peers in other relevant fields with the hope that better understanding will bring better solutions Includes several chapters on application intervention and theoretical issues Contains writings by contributing authors who are respected experts from a broad range of disciplines and perspectives including business child development family studies psychology public policy social work and sociology **Family Communication** Dawn O. Braithwaite,Paul Schrodtt,Colleen Warner,Kathleen M. Galvin,2024-10-15 Now in its eleventh edition Family Communication Cohesion and Change continues to provide students with a foundational

accessible and inclusive overview of the family communication field The eleventh edition represents the plurality of today's families helping students see themselves and think through how the up to date research and theory apply to their lives It features a more concise narrative with streamlined key concepts that are more straightforward and engaging for students Now presented in three sections Communication and Family Lenses Communication and Family Cohesion and Communication and Family Adaptability this edition's new features include learning objectives for each chapter Family Portrait interviews with top scholars a glossary of key definitions and expanded Family Reflections discussion questions interspersed in the text This book is ideal for undergraduate courses in family communication allied subjects in communication studies family studies nursing and social work programs The accompanying Instructor and Student Resources provide free digital materials designed to test students knowledge and save instructor time when preparing lessons Please visit www.routledgelearning.com/familycommunication for interactive activities practice quizzes and more

Adolescent Literacies Kathleen A. Hinchman, Deborah A. Appleman, 2017-10-25 Showcasing cutting edge findings on adolescent literacy teaching and learning this unique handbook is grounded in the realities of students daily lives It highlights research methods and instructional approaches that capitalize on adolescents interests knowledge and new literacies Attention is given to how race gender language and other dimensions of identity along with curriculum and teaching methods shape youths literacy development and engagement The volume explores innovative ways that educators are using a variety of multimodal texts from textbooks to graphic novels and digital productions It reviews a range of pedagogical approaches key topics include collaborative inquiry argumentation close reading and composition
