Profound changes have occurred in all facets of early childhood education and care. ECEC Young children and their families, college students enrolled in teacher preparation programs, inservice teachers, caregivers, and postsecondary faculty have endured prolonged periods of quarantine, disruption, stress, and grief precipitated by the pandemic. These consequences have been even more challenging for individuals and groups who were already struggling or marginalized prior to the advent of the coronavirus. Collectively, the chapter authors draw upon findings from their research and insights gleaned from professional experiences to recommend ways of providing high-quality programs despite persistent global health threats.     *An Introduction to Applying Social Work Theories and Methods 3e* Barbra Teater, 2019-12-02 The text is a comprehensive guide to the most commonly used theories and methods in social work practice. The introductory chapter covers the similarities and differences between a theory and a method, as well as psychosocial theories and concepts. Each subsequent chapter then explores in detail how to implement theories and methods, their strengths, and limitations.

Successfully teaching these students requires educators to understand their characteristics and to learn how to engage immigrant families to support their children's academic achievements. The Handbook of Research on Engaging Immigrant Families and Promoting Academic Success for English Language Learners is a collection of innovative research that utilizes teacher professional development models, assessment practices, teaching strategies, and parental involvement strategies to develop ways for communities and educators to create social and academic conditions that promote the academic success of immigrant and English language learners. While highlighting topics including bilingual learners, family engagement, and teacher development, this book is ideally designed for early childhood, elementary, middle, K-12, and secondary school teachers, school administrators, faculty, academicians, and researchers.
