## **Family Fortunes Men And Women Of The English Middle Class 1780 185:**

*Family Fortunes* Leonore Davidoff, Catherine Hall, 1987 First published to wide critical acclaim in 1987 *Family Fortunes* has become a seminal text in class and gender history It has cast new light on the perception of middle class society and gender relations between 1780 and 1850 This revised edition contains a substantial new introduction placing the original survey in its historiographical context Leonore Davidoff and Catherine Hall evaluate the readings their text has received and broaden their study by taking into account recent developments and shifts in the field They apply current perceptions of history to their original project and see new motives and meanings emerge that reinforce their argument

**The Family and Family Relationships, 1500-1900** Rosemary O'Day, 1994-10-26 While historians have written with ease about the state and the church the family has so far defied historical analysis As the primary cell of human social organisation upon which both state and church depend it is of crucial importance In this concise informative and stimulating book Rosemary O Day seeks to explain the difficulties facing the historian of the family and to suggest strategies for their solution She compares families and households in time space and economy over the period 1500 1914 and draws together the important existing work

*American Apostles* Christine Leigh Heyrman, 2015-09-01 The surprising tale of the first American Protestant missionaries to proselytize in the Muslim world In *American Apostles* the Bancroft Prize winning historian Christine Leigh Heyrman brilliantly chronicles the first fateful collision between American missionaries and the diverse religious cultures of the Levant Pliny Fisk Levi Parsons Jonas King though virtually unknown today these three young New Englanders commanded attention across the United States two hundred years ago Poor boys steeped in the biblical prophecies of evangelical Protestantism they became the founding members of the Palestine mission and ventured to Ottoman Turkey Egypt and Syria where they sought to expose the falsity of Muhammad's creed and to restore these bastions of Islam to true Christianity Not only among the first Americans to travel throughout the Middle East the Palestine missionaries also played a crucial role in shaping their compatriots understanding of the Muslim world As Heyrman shows the missionaries thrilled their American readers with tales of crossing the Sinai on camel sailing a canal boat up the Nile and exploring the ancient city of Jerusalem But their private journals and letters often tell a story far removed from the tales they spun for home consumption revealing that their missions did not go according to plan Instead of converting the Middle East the members of the Palestine mission themselves experienced unforeseen spiritual challenges as they debated with Muslims Jews and Eastern Christians and pursued an elusive Bostonian convert to Islam As events confounded their expectations some of the missionaries developed a cosmopolitan curiosity about even an appreciation of Islam But others devised images of Muslims for their American audiences that would both fuel the first wave of Islamophobia in the United States and forge the future character of evangelical Protestantism itself *American Apostles* brings to life evangelicals first encounters with the Middle East and uncovers their complicated legacy The Palestine mission held the promise of acquainting Americans with a fuller

and more accurate understanding of Islam but ultimately it bolstered a more militant Christianity one that became the unofficial creed of the United States over the course of the nineteenth century The political and religious consequences of that outcome endure to this day *Beyond Brutal Passions* Mary Anne Poutanen,2015-07-01 During a time of significant demographic geographic and social transition many women in early nineteenth century Montreal turned to prostitution and brothel keeping to feed clothe protect and house themselves and their families *Beyond Brutal Passions* is a close study of the women who were accused of marketing sex their economic and social susceptibilities and the strategies they employed to resist authority and assert their own agency Referencing newspapers parish registers census returns coroners reports city directories documents of Catholic and Protestant institutions police books and court records Mary Anne Poutanen reveals how these women confronted limited alternatives and how they fought against established authority in the pursuit of their livelihoods She details these women s lives not only as prostitutes but also as wives mothers sisters and daughters who reconstructed the bonds of kinship and solidarity An insightful history of prostitution *Beyond Brutal Passions* explores the complicated relationships between women accused of prostitution and the society in which they lived and worked **Global South to the Rescue** Paul Amar,2014-02-25 This book provides the first comprehensive analysis of an epochal shift in global order the fact that global south countries have taken up leadership roles in peacekeeping missions humanitarian interventions and transnational military industries Brazil has taken charge of the UN military mission in Haiti Nigeria has deployed peacekeeping troops throughout West Africa Indonesians have assumed crucial roles in UN Afghanistan operations Fijians South Africans and Chileans have become essential actors in global mercenary firms Venezuela and its Bolivarian allies have established a framework for revolutionary humanitarian interventions and Turkey India Kenya and Egypt are asserting themselves in bold new ways on the global stage In this context this collection sheds critical light on intersections between imperialism and humanitarianism between neoliberal globalization and rescue industry transnationalism and between patterns of geopolitical hegemony and trajectories of peacekeeping internationalism These case studies are grouped into three clusters I Globalizing Peacekeeper Identities II Assertive Regional Internationalisms and III Emergent Alternative Paradigms Together these articulate a new research agenda and offer significant contributions to fields of global studies transnational gender and race studies critical security studies and peace studies comparative politics police and military sociology Third World diplomatic history and international relations This book was published as a special issue of *Globalizations* **Soldier Heroes** Graham Dawson,2013-05-13 *Soldier Heroes* explores the imagining of masculinities within adventure stories Drawing on literary theory cultural materialism and Kleinian psychoanalysis it analyses modern British adventure heroes as historical forms of masculinity originating in the era of nineteenth century popular imperialism traces their subsequent transformations and examines the way these identities are internalized and lived by men and boys *The Encyclopedia of British Literature, 3 Volume Set* Gary Day,Jack Lynch,2015-03-09 Provides a comprehensive

Establishing business enterprise in a tiny remote penal settlement appears to defy the principles of sustainable demand and supply Yet early Sydney attracted a number of business entrepreneurs including Campbell Riley and Walker If the development of private enterprise in early colonial Australia is counterintuitive an understanding of its rationale nature and risk strategies is the more imperative This book traces the development of private enterprise in Australia through a study of the antecedents connections and commercial activities of early Sydney merchants *Inventing the Psychological* Joel Pfister, Nancy Schnog, 1997-01-01 Interdisciplinary scholars investigate how emotions have been shaped by mass media economics domesticity and the arts due to ideological changes in the family race class gender and sexuality over the past two centuries in America **The Broadview Anthology of Literature of the Revolutionary Period 1770-1832**, 2010

**The Brontës in Context** Marianne Thormählen, 2012-11-01 Very few families produce one outstanding writer The Bront family produced three The works of Charlotte Emily and Anne remain immensely popular and are increasingly being studied in relation to the surroundings and wider context that formed them The forty two new essays in this book tell the Bront story as it has never been told before drawing on the latest research and the best available scholarship while offering new perspectives on the writings of the sisters A section on Bront criticism traces their reception to the present day The works of the sisters are explored in the context of social political and cultural developments in early nineteenth century Britain with attention given to religion education art print culture agriculture law and medicine Crammed with information The Bront s in Context shows how the Bront s fiction interacts with the spirit of the time suggesting reasons for its enduring fascination

Women's Theatre Writing in Victorian Britain K. Newey, 2005-11-01 Women s Theatre Writing in Victorian Britain is the first book to make a comprehensive study of women playwrights in the British theatre from 1820 to 1918 It looks at how women playwrights negotiated their personal and professional identities as writers and examines the female tradition of playwriting which dramatises the central experience of women s lives around the themes of home the nation and the position of women in marriage and the family The book also includes an extensive Appendix of authors and plays which will be a useful reference tool for students and scholars in nineteenth century studies and theatre historians *The Labors of*

*Modernism* Mary Wilson, 2016-12-05 In *The Labors of Modernism* Mary Wilson analyzes the unrecognized role of domestic servants in the experimental forms and narratives of Modernist fiction by Virginia Woolf Gertrude Stein Nella Larsen and Jean Rhys Examining issues of class gender and race in a transatlantic Modernist context Wilson brings attention to the place where servants enter literature the threshold In tracking their movements across the architectural borders separating indoors and outdoors and across the physical doorways between rooms Wilson illuminates the ways in which the servants who open doors symbolize larger social limits and exclusions as well as states of consciousness The relationship between female servants and their female employers is of particular importance in the work of female authors for whom the home and the novel are especially interconnected sites of authorization and domestication Modernist fiction Wilson shows uses domestic service to tame and interrogate not only issues of class but also the overlapping distinctions of racial and ethnic identities As Woolf Stein Larsen and Rhys use the novel to interrogate the limitations of gendered domestic ideologies they find they must deploy these same ideologies to manage the servant characters whose labor maintains the domestic spaces they find limiting Thus the position of servants in these texts forces the reader to recognize servants not just as characters but as conditions for the production of literature and of the homes in which literature is created

*Between Women* Sharon Marcus, 2009-07-10 Women in Victorian England wore jewelry made from each other's hair and wrote poems celebrating decades of friendship They pored over magazines that described the dangerous pleasures of corporal punishment A few had sexual relationships with each other exchanged rings and vows willed each other property and lived together in long term partnerships described as marriages But as Sharon Marcus shows these women were not seen as gender outlaws Their desires were fanned by consumer culture and their friendships and unions were accepted and even encouraged by family society and church Far from being sexless angels defined only by male desires Victorian women openly enjoyed looking at and even dominating other women Their friendships helped realize the ideal of companionate love between men and women celebrated by novels and their unions influenced politicians and social thinkers to reform marriage law Through a close examination of literature memoirs letters domestic magazines and political debates Marcus reveals how relationships between women were a crucial component of femininity Deeply researched powerfully argued and filled with original readings of familiar and surprising sources *Between Women* overturns everything we thought we knew about Victorian women and the history of marriage and family life It offers a new paradigm for theorizing gender and sexuality not just in the Victorian period but in our own

**The New Historicism** Harold Veaser, 2013-12-19 Following Clifford Geertz and other cultural anthropologists the New Historicist critics have evolved a method for describing culture in action Their thick descriptions seize upon an event or anecdote colonist John Rolfe's conversation with Pocahontas's father a note found among Nietzsche's papers to the effect that I have lost my umbrella and re-read it to reveal through the analysis of tiny particulars the motive forces controlling a whole society Contributors Stephen J Greenblatt Louis A Montrose Catherine Gallagher

**Jews and Other Germans** Till van Rahden, 2008 Examines the integration of Jews into German society between 1860 1925 taking as an example the city of Breslau then Germany now Wrocław Poland Questions whether there was a continuous line from the German treatment of Jews before World War I to Nazi antisemitism During and after World War I relations between Jews and non Jews worsened and the high level of Jewish integration eroded between 1916 25 Although the constitution of the Weimar Republic accorded Jews equality they experienced acts of violence and discrimination Argues that antisemitism became stronger as the economic situation of the Jews deteriorated due to inflation and the emigration to Germany of 4 273 impoverished Jews from Poland and Russia between 1919 23 Concludes nevertheless that no direct line can be drawn between the antisemitism in Imperial Germany and that of the Nazi period

**The Culture of Sensibility** G. J. Barker-Benfield, 1992 During the eighteenth century sensibility which once denoted merely the receptivity of the senses came to mean a particular kind of acute and well developed consciousness invested with spiritual and moral values and largely identified with women How this change occurred and what it meant for society is the subject of G J Barker Benfield s argument in favor of a culture of sensibility in addition to the more familiar cult Barker Benfield s expansive account traces the development of sensibility as a defining concept in literature religion politics economics education domestic life and the social world He demonstrates that the cult of sensibility was at the heart of the culture of middle class women that emerged in eighteenth century Britain The essence of this culture Barker Benfield reveals was its articulation of women s consciousness in a world being transformed by the rise of consumerism that preceded the industrial revolution The new commercial capitalism while fostering the development of sensibility in men helped many women to assert their own wishes for more power in the home and for pleasure in the world beyond Barker Benfield documents the emergence of the culture of sensibility from struggles over self definition within individuals and above all between men and women as increasingly self conscious groups He discusses many writers from Rochester through Hannah More but pays particular attention to Mary Wollstonecraft as the century s most articulate analyst of the feminized culture of sensibility Barker Benfield s book shows how the cultivation of sensibility while laying foundations for humanitarian reforms generally had as its primary concern the improvement of men s treatment of women In the eighteenth century identification of women with virtue in distress the author finds the roots of feminism to the extent that it has expressed women s common sense of their victimization by men Drawing on literature philosophical psychology social and economic thought and a richly developed cultural background *The Culture of Sensibility* offers an innovative and compelling way to understand the transformation of British culture in the eighteenth century

*Literary Theology by Women Writers of the Nineteenth Century* Rebecca Styler, 2016-05-13 Examining popular fiction life writing poetry and political works Rebecca Styler explores

women's contributions to theology in the nineteenth century. Female writers, Styler argues, acted as amateur theologians by use of a range of literary genres. Through these they questioned the Christian tradition relative to contemporary concerns about political ethics, gender identity and personal meaning. Among Styler's subjects are novels by Emma Worboise, writers of collective biography including Anna Jameson and Clara Balfour who study Bible women in order to address contemporary concerns about The Woman Question, poetry by Anne Brontë and political writing by Harriet Martineau and Josephine Butler. As Styler considers the ways in which each writer negotiates the gender constraints and opportunities that are available to her religious setting and literary genre, she shows the varying degrees of frustration which these writers express with the inadequacy of received religion to meet their personal and ethical needs. All find resources within that tradition and within their experience to reconfigure Christianity in creative and more earth-oriented ways.

**Breaking Conventions** Patricia Auspos, 2023-07-13 This rich history illuminates the lives and partnerships of five married couples: two British, three American, whose unions defied the conventions of their time and anticipated social changes that were to come in the ensuing century. In all five marriages, both husband and wife enjoyed thriving professional lives, a shocking circumstance at a time when wealthy white married women were not supposed to have careers and career women were not supposed to marry. Patricia Auspos examines what we can learn from the relationships of the Palmers, the Youngs, the Parsons, the Webbs and the Mitchells, exploring the implications of their experiences for our understanding of the history of gender equality and of professional work. In expert and lucid fashion, Auspos draws out the interconnections between the institutions of marriage and professional life at a time when both were undergoing critical changes by looking specifically at how a pioneering generation tried to combine the two. Based on extensive archival research and drawing on mostly unpublished letters, journals, pocket diaries, poetry and autobiographical writings, *Breaking Conventions* tells the intimate stories of five path-breaking marriages and the social dynamics they confronted and revealed. This book will appeal to scholars, students and anyone interested in women's studies, gender studies, masculinity studies, histories of women in the professions and the history of marriage.

Civilized Violence Dr David Hansen-Miller, 2013-01-28 *Civilized Violence* provides a social and historical explanation for the popular appeal of cinema violence. There is a significant amount of research on the effects of media violence, but less work on what attracts audiences to representations of violence in the first place. Drawing on historical sociology, cultural studies, feminist and queer theory, masculinity studies and textual analysis, David Hansen-Miller explains how the exercise of violence has been concealed and denied by modern society at the same time that it retains considerable power over how we live our lives. He demonstrates how discourses of sexuality and gender, even romantic love, are freighted with the micropolitics of violence. Confronted with such contradictions, audiences are drawn to the cinema where they can see violence graphically restored to everyday life. Popular cinema holds the power to narrate and interpret social forces that have become too opaque, diffuse and dynamic to otherwise comprehend. Through detailed engagement with specific narratives from the last century of

popular film *The Cabinet of Dr Caligari* *The Sheik* *Once Upon a Time in the West* *Deliverance* and the pervasive violence of contemporary cinema Hansen Miller investigates the manner in which representations can transform our understanding of how violence works
