The Asian Family in Literature and Film Bernard Wilson, Sharifah Aishah Osman, 2024-06-25 This book investigates the ways in which the family unit is now perceived in South and Southeast Asia and

the Asian diaspora its numerous conceptions and the changes it has undergone over the last century and into the new one. The prevailing threads that run through a significant part of the literature and cinema emerging from these societies are the challenges that confront those negotiating changing forms of family changes which are expressed historically politically and socio culturally and often in relation to gender ethnic or economic imbalances. Though regional and localized in many ways they are also very much universal in the questions they ask the lessons they teach and the connections they make. Theoretically and in terms of focus the collection offers a broad range embracing representation and analysis from scholars across the globe and across disciplines. It assembles written and visual texts from and about India Indonesia Malaysia The Philippines Singapore and the Asian diaspora. How have more fluid concepts of family in the late twentieth and early twenty first centuries affected the understanding of family in Asia? How have families in Asia resisted or embraced change? How have they responded to trauma? What do other readings gendered feminist queer and diasporic bring to modern debates surrounding family? To what extent are notions of family community society and nation represented as interchangeable concepts in Asian societies? This book questions the power dynamics ethical considerations and moral imperatives that underpin families and societies within and beyond Asian borders.

Balancing Work and Family Nuria Chinchilla, Aline D. Masuda, Mireia Las Heras, 2010 Parents around the globe are facing the common challenges of balancing family and work And the need has never been more urgent for organizations to recognize how having a family impacts an employee's creativity productivity and performance Here is a useful guide to help leaders implement country sensitive work family policies and create family responsible environments in which employees can carry out their work and still be fully engaged with their families In nine chapters *Balancing Work and Family* Reviews and addresses the unique cultural social political and economic climates in the United States Latin America North America Europe Asia and Africa Provides practical recommendations based on solid international research Presents theory as well as vivid accounts of employee experiences from different geographical regions and cultural backgrounds Shares examples and business cases illustrating best practices from companies in these regions The book's perspective is truly global with chapters written by international authors It brings together a diverse team including an academic expert who has conducted rigorous studies on work family conflict a lawyer who addresses the legal environment in some countries and a practitioner with hands on experience with real employers and employees Each chapter presents an overview of the factors in a specific region impacting work family integration the main challenges to individuals and organizations solutions companies have implemented and many examples of the processes companies use to foster family responsible cultures The authors make a strong case that it is the job organizational leaders not HR professionals to direct change in this important area

Handbook of Research on Asian Business Henry Wai-Chung Yeung, 2007 This volume is excellent Students who are interested in Asian business should read it and will find the comprehensive bibliography offered by the different contributors very helpful In light of the recent global financial crises it is time to re-examine the Asian miracles as well as the Western models of business organizations and regulations This volume offers great insights not just on Asian business but also on Western economies and business It is also time to adopt an integrative approach recommended by Yeung through comparative research of businesses and economies in different institutions and cultures Yifei Sun *Economic Geography* An absolute must have for college library reference shelves filled cover to cover with keen analyses that any businessperson seeking to make inroads in an Asian market needs to study at length Midwest Book Review This book serves as an important guide to the many fascinating research questions about

Asian business waiting to be addressed The study of Asian business has reached equality in importance to the study of business in Europe and North America Researchers who study any of these regions have an incentive to follow the study of business in the other regions if for no other reason than that many global firms from each region operate in all regions now Nonetheless the more important reason for knowledge transfer among researchers of each region is that these exchanges can only advance everyone's research Henry Yeung and the contributors are to be thanked for setting out a rich agenda for research on Asian business that will elevate this study to equality with research elsewhere in the world Eurasian Geography and Economics This book is extremely comprehensive and well researched It will be of particular interest to scholars in the fields of international business development studies economic geography regional studies as well as international and national policymakers Science Technology Society The rise of Asia as an important region for global business has been widely recognized as one of the most significant economic phenomena in the new millennium This accessible and comprehensive Handbook brings together state of the art reviews of Asian business in an expansive range of areas including business organizations strategic management marketing state business relations business and development business policy issues It is argued that whilst academic studies on Asian business have been in existence for over two decades there is relatively little systematic integration of our knowledge and research on Asian business The contributors drawn from a variety of disciplines within the social sciences aim to redress the balance with their lively cutting edge discussion Serving as a timely overview of more than two decades of scholarly research this Handbook will be an essential resource for academics students and researchers interested in Asian business

The Top Books of the Year Family In Asia The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
