Redemption Real families aren't always the ones you know about A Family Affair Boxed Set 4 Books 10 12 is about so much more than a secret family Set in the small town of Magdalena New York the people have big hearts and good intentions at least most of them do Magdalena is a place of family forgiveness redemption and second chances And hope Lots of hope This town and the people in it are about helping others get through the tough times and broken dreams and doing it with the help of family friends sometimes even strangers This boxed set includes A Family Affair The Gift A Family Affair The Weddings and A Family Affair The Cabin A FAMILY AFFAIR THE GIFT Only one thing is missing from Tess and Daniel Cash Casherdon's perfect life a child Oh how they long for one to make their life complete But what is it people say about being careful what you wish for Their wish will come true but not in the way they think Daniel Casherdon's past is about to catch up with him It's bad enough when a woman arrives in Magdalena with a nine year old boy she claims is his but confessing to a terminal illness and asking Tess and Cash to raise the boy when she's gone Well that's going to require a big leap of faith that won't be easy or without repercussions How can anyone refuse a dying mother such a heartbreaking request Tess is torn between doing right by the child and acknowledging that another woman has given the man she loves something she may never be able to a child As the woman pulls Cash closer into her emotional circle it is Tess who becomes the outsider and soon she wonders if the woman has secrets she's not telling More than one resident is suspicious of anyone who drives a wedge between one of Magdalena's favorite couples The newcomer may look and act like the girl next door but something isn't right and Pop Benito is going to gather ammunition and find out what that something is But he'd better do it fast before it's too late A FAMILY AFFAIR THE WEDDINGS What's more charming than a Christmas wedding How about two Christmas weddings Join us as we head back to Magdalena in this holiday novella and witness two couples head down the road of happily ever after But don't expect that road to be nice and smooth Is anything worthwhile ever easy Still I'm betting on this town to help these couples through the rough patches and a good amount of snow to get to their happily ever after So are you wondering who these couples might be There are quite a few possibilities but I've decided to give you the true gift of a good surprise A FAMILY AFFAIR THE CABIN He's lost his fortune She's nursing a broken heart When fate steps in will love prevail Pete Finnegan had it all money power status a future wife until he lost it all in one huge financial gamble Now he's back in his hometown of Magdalena trying to figure out what to do with his life When Nate Desantro offers him a job fixing up a cabin one hundred miles away he jumps at the opportunity Peace and solitude in the woods away from busybodies and do gooders is exactly what he needs to contemplate his future But Pete doesn't expect to find a beautiful woman staying at the cabin Elissa Cerdi has escaped to the Blacksworth cabin to heal her broken heart As Gloria Blacksworth's former caregiver she's agreed to honor the dead woman's last request by mailing letters to select residents of Magdalena When Elissa meets Pete she doesn't know he has ties to Magdalena and she certainly doesn't know the final letter she plans to mail is about his father Pete and Elissa are both in need of healing and maybe that's why they agree to shut down the outside

world and pretend nothing exists but what's inside the cabin. Could that also be why they're able to open up to one another, talk about disappointments, hurts, betrayals, and hopes? Because it's all pretend. Is that why passion consumes them, burns them with a need they've never felt before? Is it so powerful because it isn't real? Except it is. When Pete uncovers the truth about Elissa's part in Gloria Blacksworth's cruel scheme for vengeance, he feels betrayed and questions everything that happened in the cabin. As weeks pass and the couple forge separate lives, Pete must decide if he can open his heart once again to forgiveness and love.

**Family Reunification in the EU** Chiara Berneri, 2017-05-18 This monograph examines the intricate legislative and jurisprudential scenario of family reunification between EU citizens and third country nationals that has developed in the European Union over the last 50 years. Focusing on family residence rights granted to third country national family members of EU citizens, it examines one of the largest sectors affected with over two hundred thousand permits granted each year. In addition to its practical significance, the field has been the object of a lively debate which has yet to be systematically analysed. Using a historical approach, it illustrates the development of the legislation and of the case law on the issue, considering the factors that influenced the choices of the EU Legislator and of the Court over the years. It also suggests what future path the Court could take when deciding on cases in the field in order to reinforce the protection of families. This important research ensures full understanding of the EU legislation and of the Court's jurisprudence and allows for its correct application by Member States.

Reyes, Wilson Lui, Kazuaki Nishioka, 2023-10-05 This thematic volume in the series *Studies in Private International Law Asia* outlines the general choice of law and recognition rules relating to family matters of 15 Asian jurisdictions: Mainland China, Hong Kong, Taiwan, Japan, South Korea, Singapore, Malaysia, Vietnam, Cambodia, Myanmar, the Philippines, Indonesia, Thailand, Sri Lanka, and India. The book examines pressing questions and proposes ways in which their systems may be reformed. A concluding chapter considers the extent to which Asian cross-border family law systems can and should be harmonised. The book provides a comprehensive analysis of cross-border family law challenges, including child surrogacy, child abduction, the recognition of same-sex unions, the recovery of maintenance, and the regulation of intercountry adoption. These are among the matters now testing Asian institutions of private international law and acting as forces for their modernisation. With contributions by leading Asian private international law experts, the book proposes necessary reforms for each of the jurisdictions analysed, as well as for Asia as a whole.
