Sherwin, 2022-02-22 From the Pulitzer Prize winning author of American Prometheus comes the first effort to set the Cuban Missile Crisis with its potential for nuclear holocaust in a wider historical narrative of the Cold War how such a crisis arose and why at the very last possible moment it never happened Fresh and thrilling A fascinating work of history that is very relevant to today's politics Walter Isaacson bestselling author of The Code Breaker Pulitzer Prize winning author Martin J. The Revolution from Within Michael J. Bustamante, Jennifer L. Lambe, 2019-02-14 What does the Cuban Revolution look like from within This volume proposes that scholars and observers of Cuba have too long looked elsewhere from the United States to the Soviet Union to write the island's post 1959 history Drawing on previously unexamined archives the contributors explore the dynamics of sociopolitical inclusion and exclusion during the Revolution's first two decades They foreground the experiences of Cubans of all walks of life from ordinary citizens and bureaucrats to artists and political leaders in their interactions with and contributions to the emerging revolutionary state In essays on agrarian reform the environment dance fashion and more contributors enrich our understanding of the period beginning with the utopic mobilizations of the early 1960s and ending with the 1980 Mariel boatlift In so doing they offer new perspectives on the Revolution that are fundamentally driven by developments on the island Bringing together new historical research with comparative and methodological reflections on the challenges of writing about the Revolution The Revolution from Within highlights the political stakes attached to Cuban history after 1959 Contributors Michael J. Bustamante Mar a A Cabrera Ar s Mar a del Pilar D az Casta n Ada Ferrer Alejandro de la Fuente Reinaldo Funes Monzote Lillian Guerra Jennifer L. Lambe Jorge Macle Cruz Christabelle Peters Rafael Rojas Elizabeth Schwall Abel Sierra Madero      Back Channel to Cuba William M. LeoGrande, Peter Kornbluh, 2015-09-14 History is being made in U S Cuban relations Now in paperback and updated to tell the real story behind the stunning December 17 2014 announcement by President Obama and President Castro of their move to restore full diplomatic relations this powerful book is essential to understanding ongoing efforts toward normalization in a new era of engagement Challenging the conventional wisdom of perpetual conflict and aggression between the United States and Cuba since 1959 Back Channel to Cuba chronicles a surprising untold history of bilateral

efforts toward rapprochement and reconciliation William M LeoGrande and Peter Kornbluh here present a remarkably new and relevant account describing how despite the intense political clamor surrounding efforts to improve relations with Havana negotiations have been conducted by every presidential administration since Eisenhower s through secret back channel diplomacy From John F Kennedy s offering of an olive branch to Fidel Castro after the missile crisis to Henry Kissinger s top secret quest for normalization to Barack Obama s promise of a new approach LeoGrande and Kornbluh uncovered hundreds of formerly secret U S documents and conducted interviews with dozens of negotiators intermediaries and policy makers including Fidel Castro and Jimmy Carter They reveal a fifty year record of dialogue and negotiations both open and furtive that provides the historical foundation for the dramatic breakthrough in U S Cuba ties **Death,**

Fernandez,2021-11-18 In spite of the growing academic interest in Cuba s international relations in the revolutionary period Cuba s policy toward the Middle East has been a neglected field of study Although the Middle East has not been a high priority item on Fidel Castro s agenda various factors have combined to propel the regime into taking a more active stance in the region not least of which is the importance of the Middle East to the Soviet Union Some of these factors have been ideological such as the nature of Castroism itself Other factors have been more pragmatic the need to increase Cuba s leverage with the Soviet Union the desire to establish spheres of interest of its own in the Third World the attempt to use external politics to soothe internal problems and the wish to maximize the prestige of the Cuban revolution and by extension that of its lider maximo Since 1959 Havana s Middle Eastern policy has experienced four stages 1 1959 1973 Autonomous foreign policy marked by a dual relationship with both Israel and the Arab states 2 1973 1977 Accommodation to the Soviet line anti Israeli policy combined with an expansion of relations with progressive states signalled by the establishment of Cuban military missions 3 1977 1980 Activist policy in the region expanded role and development of diplomatic relationships 4 1981 to the present 1985 Cautious involvement restrained activism emphasizing socio economic cooperation Cuba s incursion into the Arab world illuminates how Cuban foreign policy works especially in relation to autonomy convergence and subordination dependence pragmatism and ideology The island s entrance into Middle East politics has introduced new risks into the island s foreign policy in return for the benefits which have been derived A theory to explain Cuba s foreign policy in its interaction with the Soviet Union in the Third World must include heretofore neglected variables time regime type and factionalism bureaucratic politics in addition to external events The study of Cuba s initiatives in the Middle East will serve to test this theory Ultimate Sacrifice Lamar Waldron,Thom Hartmann,2013-08-22 Drawing on seventeen years of research thousands of recently declassified files and dozens of interviews Ultimate Sacrifice re creates and in many ways rewrites the crucial period of our history leading up to November 22 1923 In the process this groundbreaking account provides the

missing pieces to the greatest tragic puzzle of post war America the true circumstances behind the assassination of President John F Kennedy Ultimate Sacrifice details a previously unknown Plan for a Coup in Cuba authorized by President John Kennedy run by Attorney General Robert Kennedy and set for December 1 1963 The Kennedy plan unique and different from ant previously disclosed operation was as detailed in a Joint Chiefs of Staff memo to have included a palace coup a provisional Cuban government and if necessary a full scale invasion by invited US military forces The CIA s code name for their part of the operation AMWORLD has never previously surfaced in any government investigation nor in any book or article making it one of the most covert operations in United States history Ultimate Sacrifice will detail how the Kennedy plan was penetrated by three mafia godfathers Carlos Marcello Santo Trafficante and Johnny Roselli being vigorously pursued by Attorney General Robert Kennedy along with a dozen of their associates six of whom were also working on the Coup plan The crime bosses then used parts of the Coup Plan AMWORLD to arrange JFK s assassination in a way that would prevent a truly thorough government investigation in order to protect the Coup Plan its participants and national security By using the secrecy surrounding the Plan the mob bosses would target JFK not only in Dallas but in two earlier attempts one in Chicago on November 1 and then one in Tampa on November 18 which Ultimate Sacrifice reveals for the first time in any book Ultimate Sacrifice has finally pieced together the whole story by building on the work of the seven governmental committees that have investigated aspects of the assassination on the work of former government investigators and on the four million documents that were declassified in the 1990s in addition to exclusive interviews with dozens of witnesses and participants including Secretary of State Dean Rusk Press Secretary Pierre Salinger and the Kennedys closest Cuban exile aide Harry Ruiz Williams

### **Reading José Martí from the Margins**

Miguel A. De La Torre, 2024-01-05 Reading José Martí from the Margins explores the construction of Cuban homophobia racism sexism sinophobia and ethnic discrimination which continues unabated today on both sides of the Florida Straits The apotheosis of Martí and the falsification of his thoughts have made it difficult to provide a critical assessment of his contributions to the cause of political and social liberation In his writings and in his declaration Montecristo Manifesto he is among the first Latin Americanists to envision the future of Cuba and the rest of Latin America with the full and equal inclusion of Indian and Black people However he also unwillingly created the foundation for a paternalistic colorblind social order which contributed to the marginalization of those who fell short of the cis gendered male Eurocuban ideal Relying primarily on Martí's own writings some of which has yet to be translated into English Miguel De La Torre provides a critical assessment of Martí and shows how some of his work contributes to the construction of intra Cuban oppression
