Shattered Family Savannah Rain,2013-02-07 Shattered Family Shattered Family is the true story of both a direct and extended family and others impacted by a number of real life sociopath and or sociopath type predators abusers This book describes such predators thought patterns what is known of them behaviors scams plots and various abuses in detailed form as well as the typical personality traits of both the predators and their victims Some of this book is presented in journal or memoir form while other portions are in essay and list form This book is a great asset for victims support persons for victims family members and others This is particularly true since Shattered Family describes forms of abuse most would not be able to comprehend exist such as the sociopaths predators ability to successfully use law enforcement and others in authority to abuse his victims and exercise complete control over his victim s life lives This book additionally offers a long real life movie list as visual aid support A must read for victims and those who wish to help victims of the sociopath and or sociopath type abuser Some Reviews This is a rare book of raw scalding material regarding an unknown reality of abuse and the abuse cycle that occurs within what Savannah Rain refers to as the Inner circle This honestly IS a must read book G Y An imperfect person as we all are writes the truth as it truly is The unheard of yet very real behaviors of sociopaths and what they do behind the scenes Victims check out this book and see that you are not alone T J Finally Someone has the guts to tell it like it is I previewed this book and recommend it for all adults in societies all over the world The get a clue wake up call is finally here J M A raw book with no sugar coating for the victims of sociopaths An unusually intuitive directly honest author setting the record straight for many victims of predators who heartlessly commit similar abuses every day K R Its really not the Twilight Zone These predators do this stuff Wake up America and smell the garbage so many ignorant and uncaring minions

are supporting Savannah Rain spells it out in graphic detail that is sometimes hard to read and I'm sure impossible to believe unless you've lived it and some of us have. So we know it is horrifyingly real. I recommend this book to victims and professionals who come into contact with victims in the worst ongoing moments of those victims' lives. What I may have been spared if I'd read this book many years ago. Survivor, no name for the public. I have previewed Rains' book and found it to be enlightening and scary. I will be keeping my eyes and ears open for the signs and evaluating my life a little more carefully now. Some things have happened to me in my relationship that never happened before in my 35 years in this world. I thought may have him manipulating things because of what I was told by others. Now I am more sure. No rash moves but I am thinking about what I have been through, seen and heard. By J M. This book is a double-fisted sucker punch out that never stops hitting and hitting home with every page. The harsh reality of the life of a sociopath's victim profoundly described. C H yay. Kudos to you for reaching out with the truth if EVERYONE knew about narcissism and sociopaths they would avoid them and maybe the world would be rid of them. By Kat

The Stalker Affair and the Press David Murphy, 2022-09-01 First published in 1991 *The Stalker Affair and the Press* documents the media treatment of police constable John Stalker's removal from his job and argues that this case presents a major difficulty for the standard academic analysis of the press in Britain namely that it supports the status quo because it is part of the dominant class system The author argues that the exclusion of non official and dissident versions of the events can be explained by more direct causes the ownership of the press and the routine nature of normal news production which relies on official and established sources Where such sources do not produce an account of events as in the case of the Stalker affair the overwhelming majority of press output questioned the legitimacy of state actions even to the extent of entertaining the notion that its agents had conspired to commit murder and to pervert the course of justice David Murphy's fascinating analysis picks apart the notion of a system controlling production to demonstrate the complex interaction between methods of individual journalists their sources and the ways news is produced This book will be of great interest to students and teachers of media studies cultural studies journalism and communication studies
