[Secret Cape Cod: A Guide to the Weird, Wonderful, and Obscure](#) Linda Humphrey, Maria Lenhart, 2024-02-23 There's something about Cape Cod and the Islands that has long held fascination for fascinating people, whether it's Kurt Vonnegut Jr, Tennessee Williams, Fred Rogers, Jacqueline Kennedy Onassis or writers from the Harlem Renaissance. The region was the first landing place of the Mayflower pilgrims, the final resting place of John Belushi and where Maria Mitchell discovered a comet from a rooftop on Nantucket. It's where Bob Dylan gave an impromptu concert for middle aged ladies competing in a mah jongg tournament. It's also the domain of ghosts and spirits lurking in the stacks of old bookshops and among the rafters of sea captains' mansions. There are weird towers stuck in incongruous places.

mysterious stones and enchanting landscapes that inspired painters playwrights and the writers of children s fairy tales There are Gilded Age mansions whaling era Greek Revivals modernist cottages and rose covered bungalows fashioned from antique fish shacks Secret Cape Cod and Islands reveals the best and most unexpected aspects of the region and shows you how to experience them for yourself Want to know where to find the best places for watching a sunset swimming in hidden ponds savoring a chef prepared feast in a farm field making your own jam or seeing a play with Broadway level talent Veteran journalists Linda Humphrey and Maria Lenhart aka the Hard News Travel Team left no stone unturned while spending countless hours investigating the secret treasures of a region they have known and loved for many years **A**

a word the book is massive and before I ever lifted the cover I was perplexed as to how Dugger could possibly have found enough bungee jumping cliff diving and vine swinging type adventures in the stately and somewhat subdued states of Massachusetts and Connecticut to fill 496 pages When I opened to page 113 to find a section on Antique Shopping on Cape Cod I was surprised and delighted to realize that the range of adventures Dugger suggests includes those that pose great danger only to my credit card balance In the book's introduction Dugger explains that adventure travel doesn't have to mean hanging from a cliff by your fingernails Her enormous catalog of exciting escapes includes family friendly ideas outdoor fun for people of all ages and abilities out of the ordinary sightseeing suggestions and of course the full complement of hiking biking fishing boating and other recreational opportunities in central New England Adventure travel makes you feel alive wakes you up to yourself as well as to your surroundings Dugger explains Just being in open lands or along the coast most of the time can give you that get away feeling Adventure travel gets the blood flowing the heart pumping Also the author of the Adventure Guide to New Hampshire and the Adventure Guide to Vermont Dugger quickly debunks the notion that Massachusetts is a tamer less challenging playground than its mountainous northern neighbors After a brief introductory section that includes a short history of Massachusetts a map of and information on getting to the region road rules and safety information on such important topics as avoiding bears the book is broken up into six regional chapters the Seacoast Region Boston and Nearby Adventures Central Massachusetts the Pioneer Valley the Berkshires and the Litchfield Hills of Connecticut Within each geographic section adventures are organized in category groupings On Foot On Horseback On Wheels On Water On Snow Ice and In the Air Each chapter has information on Eco Travel and where to Stay Eat as well While the emphasis of this guide is decidedly on the outdoors and on planning a Massachusetts vacation that takes you to the lesser known attractions that the state offers it is actually one of the most comprehensive and delightful guides to the region available While many travel guides contain the obligatory paragraph on each historic attraction and sightseeing venue the Adventure Guide to Massachusetts Western Connecticut artfully leads the traveler to those awe inspiring stimulating and unique excursions that are likely to make for a most memorable trip Detailed maps black and white photos cute graphics and sidebars on special events kid friendly and accessible spots recommended reading and more
