## Family Likeness:

*Family Likeness* Mary Jean Corbett, 2011-03-15 In nineteenth century England marriage between first cousins was both legally permitted and perfectly acceptable After mid century laws did not explicitly penalize sexual relationships between parents and children between siblings or between grandparents and grandchildren But for a widower to marry his deceased wife s sister was illegal on the grounds that it constituted incest That these laws and the mores they reflect strike us today as wrongheaded indicates how much ideas about kinship marriage and incest have changed In *Family Likeness* Mary Jean Corbett shows how the domestic fiction of novelists including Jane Austen Charlotte Bront George Eliot Elizabeth Gaskell and Virginia Woolf reflected the shifting boundaries of family and even helped refine those borders Corbett takes up historically contingent and culturally variable notions of who is and is not a relative and whom one can and cannot marry Her argument is informed by legal and political debates texts in sociology and anthropology and discussions on the biology of heredity breeding and eugenics In Corbett s view marriage within families between cousins in laws or adoptees offered Victorian women both real and fictional an attractive alternative to romance with a stranger not least because it allowed them to maintain and strengthen relations with other women within the family *Our Family Likeness: Illustrative of Our Origin and Descent* Francis Close (Dean of Carlisle.), 1871 , *The Anti-Social Family* Mary McIntosh, Michèle Barrett, 2015-01-27

The stereotypical nuclear family is in the minority of households yet remains a powerful ideology This classic of socialist feminism charts how the family reinforces conditions of inequality and asks Why does the family enjoy such popular support including by feminists and the left Despite its many problems *The Anti social Family* answers the family meets real needs These needs must be taken seriously and alter native ways to meet them developed giving people more choices and collectively taking on the work and responsibilities currently privatised within the family **Grove chapel pulpit:**

has been perceived and represented over time how it has been instrumentalized by others and how we have reclaimed it for our own purposes From vintage advertisements for a nose adjuster to contemporary artists who reconsider the visual construction of race Face delivers an intimate yet kaleidoscopic adventure while posing universal questions about identity
