Family Matters Poems Of Our Families:

Family Matters Ann Smith, Larry Smith, 2005 Poetry Anthology FAMILY MATTERS contains over 150 fine poems of families dealing with Birth Children Couples Parenting Family Portraits Family Life Aging Death Featuring 100 poets including Robert Frost Denise Levertov Kenneth Patchen Louise Bogan Muriel Rukeyser Galway Kinnell James Wright William Carlos Williams Theodore Roethke Li Young Lee Antler Joy Harjo Maggie Anderson David Ray Daryl Ngee Chinn Jim Daniels Gary Soto Richard Garcia Vivian Shipley Irene McKinney Hershman John Peter Meinke Lynn Powell Susan Terris Ron Wallace Toshi Washizu and 80 more *The Coal Life* Adam Vines, 2012-02-01 Miller Williams Arkansas Poetry Prize Finalist

The Persistence of Objects Richard García, 2006 Sonnets fables prose poems surrealism with a heart by a master of radically inventive poetry A Marriage Book James P. Lenfestey, 2017-12-12 These tender sly plainspoken poems are a profound and sexy hymn to a long marriage Chase Twichell author of *Things As It Is* Writing love poems fifty years into a marriage is no easy task If he exaggerates his love she ll know And if his desire for her is undiminished who would believe But in *A Marriage Book* James P Lenfestey meets his own challenge with aplomb These poems drop readers into the rich textured world of one couple s enduring intimacy from the warmth of a bedroom occupied by two to squabbles over miscommunications and crumbs in the kitchen As the marriage and the poems transition into parenthood Lenfestey illuminates the equally stalwart wonder of observing one s children as they age and develop Paternal love persists and is even fed by watching his children argue suffer their own mistakes and roar horrible breath at breakfast *A Marriage Book* is a collection that essences the magic from the household quotidian creating a technicolor portrait of a durable long lasting love and a vibrant dynamic family James Lenfestey after a lifetime of attentive writing has lately done poems for family and marriage that put most of us to shame Gary Snyder *The New York Times Book Review* **Oblivio Gate** Sean Nevin, 2008-11-11 Suffused with lyrical grace and the language of loss Sean Nevin s *Oblivio Gate* explores the mental and emotional struggles of Solomon a veteran battling the onslaught of Alzheimer s disease Set against Solomon s memories of the Korean War Nevin s poems draw us into an intimate view of a man s confusion as everything he knows slowly unravels around him leaving him abandoned in the suddenly unfamiliar landscape of his own mind Readers experience first hand Solomon s dismay as he watches himself inexorably slip away from reality fighting to hold on to the shreds of his identity Intertwined with his perspective are the voices of loved ones and caregivers who can only watch helplessly as Solomon is ravaged by the illness Also central to the collection are the figures of Aurora and Tithonus the famously doomed couple of mythology whose own happiness was destroyed by the inevitability of age and the betrayal of the body But if this evocative portrait of Alzheimer s disease is tragic it is also at moments inspiring *Oblivio Gate* reveals not only what is lost but also what is found what is pure and even what is funny in our fleeting lives Ultimately Sean Nevin crafts an unforgettable collection of contemporary poetry that yields heartbreaking insight into memory the mind and an affliction that has left millions lost and

looking for themselves I Swallow Turquoise for Courage Hershman R. John, 2007 The stories begin in poems that exude the warmth of an afternoon in the southwestern sun Hershman John draws readers into a world both familiar and utterly new Raised on a reservation and in boarding schools then educated at a state university John writes as a contemporary Navajo poet His is a new voice one that understands life on both sides of the canyon that divides but does not completely separate the Din people from their neighbors who live outside the reservation His poetry draws freely from tribal myths and legends and like its creator it lives outside the reservation too Perhaps that is why they seem so unspoiled so sparkling They are like gemstones that we have never seen And we are dazzled With their recurring images of sheep coyotes and crows and an ever present Navajo grandmother these poems carry echoes of an ancient time that seems to exist in parallel with our own The people who live in them bear as if woven strand by strand into their souls the culture and traditions of the Glittering World Although these poems are lush with imagery of sunbaked lands they are never sentimental Throughout this collection the poet's voice is confident assured and engaged with life in a messy world It is a world in which animated spirits dwell comfortably with modern machinery where the spiritual resides with the all too human This is a welcoming universe It invites us to enter to linger to savor and to learn **Chicken Soup for the Soul: Family Matters**

Our Way of Life Ray McNiece, 2007 Collects poems by American Ray McNiece including Flag Coffins The Blue Lake Toast to Mr Rogers And the Jazz Plays On and others *Evensong* Gerry LaFemina, Chad Prevost, 2006 This anthology Evensong is a celebration of the rich spiritual tapestry that is contemporary American religious experience If this book is flawed recall that to be spiritual is to have faith even when one doubts to see the flaws yet find belief When I write poetry I try to give myself over to the sublime to that which is great within to that which knows what I don't know I know When I participate in the writing life I try to be giving to that which has given to me And let's face it being a poet in America sometimes feels like taking a vow of poverty But it also provides a community of others who share a belief in the power of poetry to be redemptive to change the moral emotional or spiritual landscapes if only for a brief moment Please consider this anthology a meeting

house not everyone has shown up to services but they re all here in spirit from Introduction by Gerry LaFemina Guide to Literature of Home and Family Life Annie Isabel Robertson,1924 **"Dear Josie"** Joseph Featherstone,2003-01-01 As an educator and journalist who has been closely observing schools for more than three decades Joseph Featherstone is a powerful voice in the struggle for better schooling in our nation This much needed and beautifully written collection testifies to the importance of respecting children s minds educating all children the craft of teaching and democratic values *Come Together, Imagine Peace* Philip Metres,Ann Smith,Larry Smith,2008 From the Preface I love the Precedent poems included here for they remind us that our work includes history and models which we can learn from and adapt to our own times These writers all take us back through Walt Whitman to Emerson s definition of the poet s role The poet is the sayer the namer and represents beauty and so a truthful naming and saying are a part of all of these beautiful poems Denise Levertov s poem *Life at War* written during the Vietnam War speaks to us immediately and directly by naming what has been lost in adopting a contemporary mindset of warfare our nerve filaments twitch in its presence day and night nothing we say has not the husky phlegm of it in the saying nothing we do has the quickness the sureness the deep intelligence living at peace would have For her and the poets and readers here the poem bravely confronts the world and yet moves us to imagine the peace within it and ourselves We offer this book as part of that intention Larry Smith *Hunger Artist* Joanne Jacobson,2007 A book of memories of growing up Jewish in the Midwest suburbs that proves itself literature of the highest order Joanne Jacobson s memoir of postwar suburbia stories rendered in incandescent images and illuminating insights unflinchingly depicts life s insatiable hungers The book s multiple facets leave the reader delighted disturbed but ultimately completely fulfilled Faye Moskowitz author of *A Leak in the Heart* and *Peace in the House* *Tales from a Yiddish Kitchen* Some Heaven Todd F. Davis,2007 *Some Heaven* brings together more than 100 Davis poems Most are concise all are approachable In fact they pull readers in stirring our senses tickling our memories Underneath of course these are poems about universal themes love loss life death but in Davis s skilled hands they appear to us to be more akin to wild strawberries growing on a rock wall or apples discovered in an abandoned orchard something fresh unexpected and thankfully welcomed **Faces and Voices** Larry R. Playground of Flesh Neil Carpathios,2006 **The River's Daughter** Terry Hermsen,2008 These 112 pages of poems are the work of a master poet and teacher centrally located in the Midwest s Ohio If the world of folk tale could be born again within one s memory and observation of children if it could be laced through with a sheer silk of riddles if it could recreate the psalms and burn a prairie and walk along a river and a wheat field it would blossom into the music of these poems S D
